WARRANT FOR ANNUAL TOWN MEETING MONDAY, MARCH 2, 1964

To either of the Constables of the Town of Stoneham in the
County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you
are directed to notify and warn the inhabitants of the Town of
Stoneham qualified to vote in elections and town affairs to
meet in Town Hall on

Monday, March 2, 1964

at six o'clock in the forenoon to act on the following articles of
this warrant:

ARTICLE 1. To choose the following officers:

One (1) Moderator for one (1) year

Five (5) Selectmen for one (1) year

One (1) Assessor for three (3) years

Two (2) Members of the School Committee for three (3)
years

One (1) Town Clerk for three (3) years

One (1) Town Treasurer for three (3) years

One (1) Tax Collector for three (3) years

One (1) Member of the Board of Public Welfare for three
(3) years

One (1) Member of the Board of Health for three (3) years

Two (2) Trustees of the Public Library for three (3) years

One (1) Member of the Board of Public Works for three (3)
years

One (1) Member of the Planning Board for five (5) years

One (1) Member of the Stoneham Housing Authority for
five (5) years

One (1) Member of the Stoneham Housing Authority for
two (2) years

One (1) Member of the Stoneham Redevelopment Authority
five (5) years

Three (3) Constables for one (1) year

and the following questions:

Question 1 "Shall the Town of Stoneham accept the pro-
visions of an act passed by the General Court in the year nine-
teen hundred and sixty-two as amended by an act passed by
the General Court in the year nineteen hundred and sixty-three,
providing for the establishment of a regional school district

by the cities of Chelsea, Malden, Revere and Woburn and the towns of North Reading, Reading, Saugus, Stoenham, Wakefield, Winchester and Winthrop and "the construction, maintenance and operation of a regional vocational school by the said district in accordance with the provisions of a proposed agreement filed with the city councils of said cities and the selectmen of said towns?" If a majority of the voters present and voting in at least two of said cities and a majority of the voters present and voting in at least two of said towns shall vote in the affirmative, this act shall become fully effective and the proposed regional vocational school district, comprising the cities and town which accepted this act as herein provided, shall be deemed to be established forthwith in accordance with the terms of the agreement so adopted.

Question 2. "Shall the town extend contributory group hospital, surgical, medical insurance to elderly persons retired from the service of the town and to their dependents with fifty per cent of the premium cost and a portion of the administrative expense to be paid by the town?"

All on one ballot.

For consideration of the following articles the meeting shall be adjourned to meet at 7:30 o'clock in the evening on MONDAY, MARCH 9, 1964, in accordance with provisions of Section 2, Article I of the By-laws of the Town of Stoneham.

ARTICLE 2. To choose all other necessary town officers for the year ensuing in such manner as the town may determine.

ARTICLE 3. To hear reports of town officers and committees and to act thereon and to choose committees.

ARTICLE 4. To see if the town will vote to fix the salaries of the several elective officers and boards of the town for the current year.

ARTICLE 5. To see if the town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by striking out in its entirety, under Section 8, paragraph (a) and inserting in place thereof the following paragraph (a):

(a) When an employee is promoted to a higher rated job he shall enter at the minimum of the job rate range or the

next full increment above his present salary or hourly rate, which ever is higher. If an employee, other than an hourly rated employee, should be transferred to a lower rated position, he shall enter it at his then prevailing salary.

Personnel Board

ARTICLE 6. To see if the town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by adding under Section 13, subsection (e) the following:

(7) Milk Inspector. General description of duties: Inspect establishments, transportation and sale of milk and milk products in accordance with local and state regulations and standards. Inspect every three months all such establishments. Collect, or provide for the collection of samples of milk and milk products as often as deemed necessary, but at least quarterly for bacteriological and chemical analysis to ensure compliance with standards. Promote and enforce all pertinent local and state legal requirements. Condemn, destroy or otherwise dispose of milk and milk products unfit for human consumption. Report to Board and proper State authorities regarding the issuance and renewal or revocation of any license or permits.

Personnel Board

ARTICLE 7. To see if the town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by striking out in its entirety, under Section 13, subsection (g) paragraph (4a) Circulation and Reference Librarian and inserting in place thereof the following Section 13, subsection (g) paragraphs (4a) and (4b):

(g) Public Library

(4a) Reference Librarian. General statement of duties: Reference work includes the direct personal aid within the Library to persons in search of information for whatever purpose and also various library activities especially aimed at making information as easily available as possible. The Reference Librarian must be responsible for carrying out reference policies and service including book selection; must direct client to source of information and indicate procedures for securing the answer to his question, as well as locate the information in some instances; must compile bibliographies for the library, and assist individuals, and perform such duties as may be assigned by the Librarian.

(4b) Circulation Supervisor. General statement of duties: Incharge of circulation procedures and execution of same. This includes a well planned routine of loaning library materials, recovering overdue items, following through for lost books etc., registration of borrowers, reserves, fines, circulation statistics and interlibrary loans. Training staff at circulation desk and training and scheduling of pages, and to perform such duties as may be assigned by the Librarian.

Personnel Board

ARTICLE 8. To see if the town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", as follows: Under 1962 Salary Schedule, by striking out the following classifications and rates:

Personnel Board

ARTICLE 9. To see if the town will amend the By-laws of the Town of Stoneham by adding a new article, to be known as Article IX-A, entitled "Inspection of Gas" and to read as follows:

Section 1. The Board of Selectmen shall appoint annually in April an inspector of gas piping and gas appliances in buildings, to be known as a Gas Inspector, who shall hold office for a term expiring on the thirtieth day of April in the following calendar year and until his successor is appointed and qualified. His compensation shall be established by the Personnel Board. He shall have had at least ten years of practical experience in gas fitting. The duties of the Gas Inspector shall be the enforcement of the rules and regulations adopted by the Board under Section 12H of Chapter 25 of the Massachusetts General Laws, and any acts in amendment thereof and in addition thereto. The Gas Inspector may, so far as is necessary for the performance of his duties, enter any building within the town at a reasonable hour.

Section 2. The Board of Selectmen may at any time appoint, for such terms as the Board may determine, one or more assistant Gas Inspectors to act in the absence or disability of the Gas Inspector and, while so acting, each of them shall have and may exercise all of the powers and duties of the Gas Inspector. Assistant Gas Inspectors shall have the same qualifications hereinabove set forth for the Gas Inspector.

Section 3. The Gas Inspector shall not be interested in any building contract in the Town or have any interest in the furnishing of materials for any building therein; provided however, that he may, with the written approval of the Board of Selectmen, have such interest if he wholly refrains from acting as the Gas Inspector in the particular case. In each case the Board of Selectmen shall appoint an Assistant Gas Inspector or shall appoint a disinterested substitute Gas Inspector to act therein, with all the powers and duties of the Gas Inspector; and the compensation paid to such assistant or substitute in

such case shall be deducted from the salary of the Gas Inspector.

Board of Selectmen

ARTICLE 10. To see if the Town will vote to raise and appropriate, or transfer from available funds, such sums as may be necessary to defray town charges for the ensuing year.

Board of Selectmen

ARTICLE 11. To see if the Town will vote to raise and appropriate a sum of money to pay unpaid bills incurred in previous years as follows: Civil Defense communications equipment in the amount of \$50.30.

Town Accountant

ARTICLE 12. To see if the Town will vote to instruct the Board of Assessors to use the sum of \$125,000.00 for the reduction of the 1964 tax rate.

Board of Selectmen

ARTICLE 13. To see what action the Town will take for the disposition of all or any part of the unexpended balances of appropriations previously voted for specific purposes as follows:

Fire Department Underground Cable	\$ 4.15
Mental Health Clinic	1,802.25
Fellsmere Ave. and Graystone Road Paving ..	36.32

P.W.D. Air Compressor and Truck	350.98
Cemetery Department Truck	362.86
Water Dept. Loader and Drill	413.72
Hotin Road Paving	115.63
Police Department Cruisers	396.08
Police Department Paid Holidays55

Town Accountant

ARTICLE 14. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money

from time to time, in anticipation of the revenue of the financial year beginning January 1, 1964, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 15. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time, in anticipation of the revenue of the financial year beginning January 1, 1965, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 16. To see if the Town will vote to raise and appropriate a sum of money to pay the rent of quarters or lease quarters for use of Leon E. Warren Camp, United Spanish War Veterans; Stoneham Post No. 115, American Legion; Sgt. George J. Hall Post No. 620, Veterans of Foreign Wars; Stoneham Chapter 107, Disabled American Veterans and World War I Veterans, Barracks 395, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Selectmen

ARTICLE 17. To see if the Town will authorize the Board of Health to make appointments from its own membership to the positions of Health Inspector, Milk Inspector and Sanitarian, and to raise and appropriate money therefor for salaries of said officers, or do anything in relation thereto.

Board of Health

ARTICLE 18. To see if the Town will vote to raise and appropriate a sum of money to purchase 25 new folding polling booths and one new ballot box for use at elections, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Town Clerk

ARTICLE 19. To see if the Town will vote to raise and appropriate a sum of money to provide for the purchase and installation of new curtains and drapes for the Town Hall auditorium stage, authorize the Moderator to appoint a committee of three to carry out any vote or votes passed under this article, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Town Hall Custodian

ARTICLE 20. To see if the Town will vote to raise and appropriate a sum of money to purchase and install new fire alarm control and operating equipment, and other expense incidental to said installation, authorize the disposal of the existing control and operating equipment, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Fire Chief

ARTICLE 21. To see if the Town will vote to raise and appropriate a sum of money to purchase three (3) new automobiles for use of the Police Department, authorize the disposal of three (3) automobiles now in service, authorize the Moderator to appoint a committee of three (3) citizens to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Police Chief

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of money to purchase two (2) two-way mobile radio units for use of the Police Department, authorize the disposal of two (2) two-way obsolete mobile units now in service, authorize the Moderator to appoint a committee of three (3) citizens to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Police Chief

ARTICLE 23. To see if the Town will vote to raise and appropriate a sum of money to provide two (2) additional patrolmen for the Police Department, determine in what manner the

said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Police Chief

ARTICLE 24. To see if the Town will vote to raise and appropriate a sum of money to provide for the settlement of certain land damage cases against the Town in accordance with provisions of Article V, Section IV, of the By-laws of the Town of Stoneham, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto.

Town Counsel

ARTICLE 25. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of constructing water mains or relaying water mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sanitary sewer mains or relaying sanitary sewer mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by transfer from the Stabilization Fund, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 27. To see if the Town will vote to raise and appropriate, or transfer from available funds in the Treasury, a sum of money for the permanent construction of certain streets within the limits of the Town, or do anything in relation thereto.

Board of Public Works

ARTICLE 28. To see if the Town will vote to raise and appropriate a sum of money to reconstruct certain existing tar sidewalks within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation

or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 29. To see if the Town will vote to raise and appropriate a sum of money for the maintenance of highways which have been constructed with State and County aid, under the provisions of Chapter 90 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 30. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, a sum of money for Chapter 90 Highway construction or take any action in relation thereto.

Board of Public Works

ARTICLE 31. To see if the Town will vote to raise and appropriate a sum of money for labor, materials and other necessary expenses for the control of Dutch Elm Disease in accordance with provisions of Chapter 657, Acts of 1956, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 32. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sewers for surface drainage within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 33. To see if the Town will vote to raise and appropriate a sum of money to provide a two way radio communication system for the Public Works Department in accordance with Federal Communications Commission Regulations, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 34. To see if the Town will vote to raise and appropriate a sum of money to construct a storm drain from the existing drainage pipe located at the southerly end of Recreation Park in and through land now or formerly Town of Stoneham, land now or formerly of Boston & Maine R.R., land now or formerly of Willard W. Fiske, and land now or formerly of Lombard Lumber Company to connect with the existing drainage pipe located in land now or formerly of Lombard Lumber Company, raise the said appropriation by transfer from available funds or by borrowing, authorize the Board of Selectmen to take land by eminent domain for drainage easement purposes under provisions of Chapter 79 of the General Laws, where necessary, and authorize the Board of Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, or do anything in relation thereto.

Board of Public Works

ARTICLE 35. To see if the Town will vote to raise and appropriate a sum of money for the construction and equipping of an addition to the Public Works Department garage on Pine Street, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 36. To see if the Town will vote to acquire by purchase, accept as a gift, take by right of eminent domain, or otherwise, title to land for park purposes, said land presently abutting sections of the easterly and southerly lot lines of Recreation Park, so called, and consisting of the following described parcels as shown on "Plan of Land Taking for Park Purposes" by M. J. Markham, C.E., dated January 14, 1964.

1. Land owned now or formerly by James R. Bent, Hilda Mae Henry, and Dorothy A. White consisting of 4310 square feet, more or less, and described as follows: Beginning at a stone bound located at the intersection of the southerly and easterly lot lines of Recreation Park, so called; thence the line runs along the easterly lot line of said Recreation Park, so called North 2°-23'-20" west a distance of 103.07 feet more or less to a point; thence the line turns and runs North 76°-36'-40" East, a distance of 32.12 feet more or less to a point; thence the line turns and runs South 14°-26'-36" East, a distance of 100.19 feet more or less to a point; thence the line turns and runs South

75°-32'-12" West a distance of 53.64 feet more or less, to said point of beginning.

2. Land owned now or formerly by Alice F., Agnes V., and William F. Halpin consisting of 45,360 square feet more or less and described as follows: Beginning at a stone bound located at the intersection of the southerly and easterly lot lines of Recreation Park, so called, South 76°-28'-40" West a distance of 121.36 feet more or less to a point; thence the line turns and runs South 13°-52'-19" East, a distance of 125.00 feet more or less to a point; thence the line turns and runs North 14°-26'-36" West a distance of 60.37 feet more or less to a point; thence the line turns and runs South 13°-52'-19" East a distance of 79.11 feet, more or less to a point; thence the line turns and runs North 82°-59'-20" East a distance of 239.09 feet more or less to a point; thence the line turns and runs North 14°-26'-36" West a distance of 239.13 feet more or less to a point; thence the line turns and runs South 75°-32'-12" West a distance of 53.64 feet more or less to said point of beginning.

Determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 37. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) Rubbish Truck complete with twenty (20) cubic yard load packer body, authorize the Board of Public Works to make said purchase, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise or do anything in relation thereto.

Board of Public Works

ARTICLE 38. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) one-ton dump truck with plow for use of the Park Division and one (1) automobile for use of the Superintendent of Public Works, authorize the disposal of the 1952 Chevrolet truck. and the 1959 Chevrolet automobile now in service; authorize the Board of Public Works to make such purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing. or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 39. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) crawler type sidewalk tractor, and to authorize the disposal of the 1948 Oliver crawler sidewalk tractor now in service, authorize the Board of Public Works to make such purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 40. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Water Department one (1) four to five ton dump truck, authorize the disposal of the 1949 Mack dump truck now in service, authorize the Board of Public Works to make such purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto.

Board of Public Works

ARTICLE 41. To see if the Town will vote to purchase for use of the Tree Division one (1) aerial bucket, complete with boom and accessories, mounted on truck chassis, authorize the Board of Public Works to make such purchase, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 42. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of providing an area outside the Town limits for the disposal of rubbish and refuse or a period of one year, said sum to be expended in accordance with provisions of Article 5, of the Special Town Meeting, held Nov. 26, 1962, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 43. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing a sanitary sewer in and through Forest Street from Robin Hood

Road westerly a distance of 2510 feet, more or less, to Elizabeth Road, under the law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Residents of Forest Street

ARTICLE 44. To see if the Town will vote to raise and appropriate a sum of money to construct a sanitary sewer main in High Street and Lawndale Road, said construction to begin from the existing sanitary sewer line now located in High Street, approximately 115 feet north of Marshall Road, then to proceed northerly in High Street a distance of 1,613 feet, more or less, to Lawndale Road, then easterly and southerly in Lawndale Road a distance of 385 feet, more or less, under the law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Residents of Lawndale Road

ARTICLE 45. To see if the Town will vote to raise and appropriate a sum of money to pipe a portion of the drainage brook off Avalon Road, from the end of the existing pipe on the northerly side of property now or formerly of Edward F. Geary on Avalon Road, a distance of 300 feet, more or less, northerly on land of the Town of Stoneham, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Edward F. Geary

ARTICLE 46. To see if the Town will vote to accept as public town ways the following ways laid out by the Planning Board: (1) Morgan Avenue, from MacArthur Road to present dead-end; (2) Wildwood Lane, from Curve Road to Evergreen Road; (3) Evergreen Road, from northerly dead-end to easterly dead-end; (4) Pine Ridge Road, from Evergreen Road to Evergreen Road; (5) Mayflower Drive, from Morgan Avenue to present dead-end; (6) Theresa Road, from Melba Lane to Melba Lane; (7) Melba Lane, from Green Street to present dead end; (8) Bow Street Court from previous acceptance to Brookbridge Road.

Residents of Streets

ARTICLE 47. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by gift, or by taking by right of eminent domain under Chapter 79 of the General Laws, for school purposes, the following described parcels of land in Stoneham as appears on plan of George E. Hayes, Reg. Surveyor, dated February 3, 1964, to be recorded.

(1) Land, now or formerly of Philip Weiss Trust comprising about 6.75 acres being bounded and described as follows: Northerly by lands now or formerly of Marks, Paicos, Weiss Trust and Coffin about 535 feet; Easterly and Southeasterly by land now or formerly of Campbell, Weiss Trust, Minghella, Durgin, Nelles, Town of Stoneham and Peacock about 1,119 feet; Southwesterly and Westerly by lands now or formerly of Laura Realty Trust, Carroll, O'Grady, Pitkerwich and Cody about 1,000 feet.

(2) Land, together with the buildings thereon, now or formerly of Melvina Pitkerwich comprising about 6.3 acres being bounded and described as follows: Northerly by lands now or formerly of Burke, Wentzell, Aruda and Cody about 682 feet; Easterly by land now or formerly of Philip Weiss Trust about 350 feet; Southerly by land now or formerly of James A. O'Grady Jr., Et. Als. 652.60 feet; Westerly by land now or formerly of O'Grady and land of Burke about 466 feet

(3) Land, now or formerly, of James A. O'Grady Jr. Et. Als. comprising about 9.8 acres being bounded and described as follows: Northerly by land now or formerly of O'Grady and land of Burke about 726 feet; Easterly by land now or formerly of Melvina Pitkerwich 97.80 feet; Northerly by land now or formerly of Melvina Pitkerwich 652.60 feet; Easterly by land now or formerly of Philip Weiss Trust 221.75 feet; Southeasterly by land now or formerly of John R. & Nora M. Carroll 344.18 feet; Southerly by land now or formerly of George P. & Mary N. Downes 348.86 feet; Westerly by land now or formerly of Clark A. Richardson 317.76 feet; Southerly by land now or formerly of Clark A. Richardson 804.38 feet; Westerly by land now or formerly of Rouillard and land of Masotta 242.66 feet.

(4) Land, now or formerly, of Clark A. Richardson comprising about 8.5 acres being bounded and described as follows: Northerly by land now or formerly of James A. O'Grady, Jr. Et. Al. 804.38 feet; Easterly by land now or formerly of James A. O'Grady, Jr Et. Als. 317.76 feet Southerly by land now or form-

erly of George P. & Mary N. Downes about 91 feet; Easterly by land now or formerly of said Downes about 155 feet; Southerly by land now or formerly of Avellino and land now or formerly by Spadafora about 715 feet; Westerly by land now or formerly of Mitchell and land now or formerly of Palermo about 480 feet.

(5) Land, now or formerly, of George P. Downes and Mary N. Downes comprising about 2.0 acres being bounded and described as follows: Northerly by land now or formerly of Richardson and land now or formerly of O'Grady about 440 feet; Easterly by land now or formerly of O'Grady about 125 feet; Southeasterly and southwesterly by land now or formerly of Laura Realty Trust about 370 feet; Southwesterly by land now or formerly of Avellino about 172 feet; Westerly by land now or formerly of Richardson about 155 feet.

(6) Land, now or formerly, of James A. O'Grady, Jr. Et. Als. comprising about 0.4 acres being bounded and described as follows: Northerly by land now or formerly of Carroll about 320 feet; Southeasterly by land now or formerly of Laura Realty Trust about 295 feet; Southwesterly by land now or formerly of Downes about 125 feet.

(7) Land, now or formerly, of John R. Carroll and Nora M. Carroll comprising about 0.8 acres being bounded and described as follows: Northwesterly by land now or formerly of O'Grady about 344 feet; Easterly by land now or formerly of Weiss Trust about 230 feet; Southerly by land now or formerly of O'Grady about 320 feet.

(8) Land, together with the buildings thereon, now or formerly of Ellen Cody comprising about 1 acre being bounded and described as follows: Northerly by land now or formerly of the Inhabitants of the Town of Stoneham about 158.5 feet; Easterly by land now or formerly of Marks and land now or formerly of Pitkerwich about 209 feet; Westerly by lands now or formerly of Weiss Trust about 255 feet; Southerly by land now or formerly of Aruda, Finnegan and Newhook about 243 feet.

The above parcels being an area of land bounded and described as follows: Easterly by land of Marks about 225 feet; Northerly by lands of Marks, Paicos, Weiss Trust and Coffin about 535 feet; Easterly and Southeasterly by lands of Campbell, Weiss Trust, Minghella, Durgin, Nelles, Town of Stoneham and Peacock about 1,119 feet; Southwesterly by land of Laura Realty Trust about 169 feet; Southeasterly by land of Laura Realty Trust about 572 feet; Southerly by lands of Laura

Realty Trust, Avellino and Spadafora about 980 feet; Westerly by lands of Mitchell, Palermo, Rouillard and Masotta about 723 feet; Northerly by lands of O'Grady and Burke about 726 feet; Westerly by land of Burke about 368 feet; Northerly by lands of Burke, Wentzell and Aruda about 473 feet; Westerly by lands of Aruda, Finnegan and Newhook about 243 feet; Northerly by land of Town of Stoneham 158.5 feet; comprising about 35.5 acres as shown on a plan by George E. Hayes, Reg. Surveyor, dated February 3, 1964.

Stoneham School Survey Committee

ARTICLE 48. To see if the Town will vote to construct a junior high school building to accommodate not more than twelve hundred (1200) students consisting of classrooms with such other necessary facilities as may be required for school housing and educational needs, said building to be located on land or lands acquired under Article 47 of this warrant, raise and appropriate a sum of money for the purpose of engaging an architect to prepare final architectural drawings, plans and specifications for obtaining fixed price bids for the construction of said Stoneham Junior High School, determine in what manner the said appropriation shall be raised, by transfer from available funds, by transfer from the Stabilization Fund, or by borrowing, by the sale of bonds, notes or otherwise, pass any vote or votes which the Town deems necessary for the purpose required in this article, or do anything in relation thereto.

Stoneham School Survey Committee

ARTICLE 49. To see if the Town will vote to authorize the appointment, by the Moderator, of a committee of seven (7), including in said committee a member from the Stoneham School Committee and a member from the Stoneham School Survey Committee, to be known as the Stoneham Junior High School Building Committee, said committee to be granted all the powers and duties necessary to carry out all votes under the warrant of this meeting for acquiring land for future school building purposes, and including the necessary architectural plans and specifications and any and all votes passed under Article 48 of this warrant, and to enter into all lawful contracts and agreements in behalf of the Town to accomplish said votes, or do anything in relation thereto.

Stoneham School Survey Committee

ARTICLE 50. To see if the Town will vote to transfer to the custody of the Stoneham School Committee, or the Stoneham Junior High School Building Committee, land, now or formerly of the Inhabitants of the Town of Stoneham comprising about 1 acre being bounded and described as follows: Northerly by Franklin Street about 131 feet; Easterly by a passageway 10'2" wide (Franklin Place) about 230 feet; Southerly by lands now or formerly of Cody and Newhook about 279 feet; Westerly by Emerald Court about 91 feet; Northerly by lands now or formerly of Shaw and Halpin about 145 feet; Westerly by land now or formerly of Halpin about 169 feet; to be included with land or lands acquired under Article 47 of this warrant for future school building purposes, or do anything in relation thereto.

Stoneham School Survey Committee

ARTICLE 51. To see what action the Town will take to provide for the care, custody, operation, maintenance, sale, demolition or other disposition of any buildings located on any lands acquired for school purposes in the preceding articles of this warrant. Pass any vote or votes or do anything in relation thereto and raise and appropriate such sum or sums of money as may be necessary to carry out said votes.

Stoneham School Survey Committee

ARTICLE 52. To see if the Town will vote to raise and appropriate a sum of money to purchase and install a generator in the Town Hall to provide electric current in case of power failure, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Selectmen

ARTICLE 53. To see if the Town will vote to instruct the Board of Assessors to bring local assessments up to 100 per cent of market value in accordance with the decision of Bettigole vs. Assessors of Springfield and directives from the Commissioner of Corporations and Taxation, or do anything in relation thereto.

Board of Assessors

ARTICLE 54. To see if the Town will vote to raise and appropriate a sum of money from taxation or by transfer from available funds to pay for a revaluation of the Town by an out-

side, independent, qualified agency, and to authorize the Board of Assessors of the Town of Stoneham to make a contract or contracts to carry out this appraisal, or do anything in relation thereto.

Board of Assessors

ARTICLE 55. To see if the Town will vote to raise and appropriate a sum of money to revise and update the Assessing Department Block Plan, authorize the Board of Assessors to enter into an agreement with Dana F. Perkins and Sons, Inc., of Reading, Mass., to do such work as is required, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Assessors

ARTICLE 56. To see if the Town will vote to raise and appropriate a sum of money to purchase and install metal-plate tax-billing equipment for use of the Board of Assessors, determine in what manner the said appropriation shall be raised, from taxation, or by transfer from available funds, or do anything in relation thereto.

Board of Assessors

ARTICLE 57. To see if the Town will vote to accept provisions of Chapter 478, Acts of 1963, entitled "An Act increasing the amounts of pensions and retirement allowances payable to certain former public employees", raise and appropriate money therefor, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Selectmen

ARTICLE 58. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Retail Business District as heretofore defined and set forth, so as to include in the Retail Business District the following described area, to wit: "Beginning as the southeasterly corner of the premises now owned by Walker's Realty, Inc. and zoned as "Retail business" district, running southerly one hundred and eighty-five (185) feet; thence turning and running easterly thirty-three and 80/100 (33.80) feet; thence turning and again running southerly one hundred and eighty-five and 70/100 (185.70) feet to West Wyoming Avenue; thence turning and running westerly ninety-seven and 33/100 (97.33) feet to a

point; thence by a curve in a general westerly and northerly direction by a line curving to the right with a radius of 30° and running northerly along Lynn Fells Parkway, three hundred and fifty (350) feet to a point at the southwest corner of the said area now zoned as "Retail Business Area"; thence turning and running along the southerly line of said area one hundred and fifty (150) feet to the point of beginning.

Walker Realty, Inc.

ARTICLE 59. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the General Business District as heretofore defined and set forth, so as to include in the General Business District the following described area adjacent thereto, and bounded as follows: Beginning at a point on Richardson's Lane, said point being 181.18 feet northwesterly along the southwesterly line of Richardson's Lane from the westerly line of Main Street, said point being the westerly extremity of the existing General Business District, thence the line runs southwesterly in a straight line by land of Cerretani 343.78 feet to a pipe, thence continuing in the same direction 8.89 feet to the center of the brook; thence nearly westerly along the center of said brook 60.97 feet to another pipe in the center of said brook; thence northwesterly 55.48 feet to another pipe in the center of another brook; thence northeasterly along the center of the last named brook 334.52 feet to said Richardson's Lane and thence southeasterly along said Richardson's Lane 96 feet to the point of beginning.

William P. Cerretani

ARTICLE 60. To see if the Town will amend the Building Code for the Town of Stoneham by deleting Section 1 and Section 2 of Article XXIII and by inserting a new Section 1 to read:

All tenement or apartment houses shall be of first class construction throughout except that partitions within apartments may be of wood stud construction with one hour fire rating.

Planning Board

ARTICLE 61. To see if the Town will vote to acquire by purchase or by taking by right of eminent domain under provisions of Chapter 79 of the General Laws, for sidewalk purposes, the following described parcel of land: "Beginning at a stone bound on the westerly sideline of Prospect Street, said

stone bound being located 329.90 feet from the sideline intersection at Mount Vernon Street, thence the line runs North 72°-30'-45" West, 162.87 feet to a stone bound; thence the line turns and runs North 22°-18'-36" East, 10.04 feet to a point located at the easterly end of Washington Court, so-called, a private way; thence the line turns and runs South 72°-30'-45" East, 162.12 feet to a point in the said westerly sideline of Prospect Street; thence the line turns and runs along the said westerly sideline of Prospect Street South 18°-00'-00" West, 10.00 feet to the point of beginning", the above described parcel being a portion of a lot owned now or formerly by Paul H. and Virginia L. Nickerson, L.C.D. 388946, Cert. 110357 (Bk. 682-pg. 7), and to raise and appropriate a sum of money therefor for said purpose, and for construction of pedestrian walks, fences and steps, and other expense incidental thereto, raise the said appropriation from taxation or by transfer from available funds, or do anything in relation thereto.

Stoneham Housing Authority

And you are directed to have one thousand two hundred (1200) copies of the warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given unto our hands this eleventh day of February in the year of our Lord one thousand nine hundred and sixty-four.

FRED A. SCHNEIDER
FURIO BRACCIOTTI
EDMUND J. MOREIRA
GEORGE L. SULLIVAN
DONALD J. MORRISON

Selectmen of Stoneham

Pursuant to the within warrant I have warned and notified the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting

attested copies of the said warrant in at least ten (10) public places within the Town on Friday, February 27, 1964 and by publishing duly attested copies of the said warrant in The Stoneham Press on February 20, 1964 and The Stoneham Independent on February 27, 1964.

ROBERT E. MOREIRA

Constable of Stoneham

Agreeable to the warrant signed by the Selectmen on February 11, 1964, and in accordance with the By-laws of the Town of Stoneham, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, March 2, 1964 at 6 o'clock in the forenoon.

The meeting was called to order, the warrant read and the polls were declared open.

Election officers, appointed by the Selectmen in accordance with law, were sworn by the Town Clerk.

At 8 o'clock in the evening the polls were declared closed at which time ballot box No. 1 registeretd 1,791 and ballot box No. 2 registered 1,748 as ascertained by the Warden and Clerk. The check lists at the entrance showed the names of 3,539 voters as having received ballots and the check lists at the ballot boxes showed the names of 3,539 voters as having cast ballots.

Question No. 1

"Shall the Town of Stoneham accept the provisions of an act passed by the General Court in the year nineteen hundred and sixty-two, as amended by an act passed by the General Court in the year nineteen hundred and sixty-three, providing for the establishment of a regional school district by the cities of Chelsea, Malden, Revere and Woburn, and the Towns of North Reading, Reading, Saugus, Stoneham, Wakefield, Winchester and Winthrop and "the construction, maintenance and

operation of a regional vocational school by the said district in accordance with the provisions of a proposed agreement filed with the city councils of said cities and the Selectmen of said towns?" If a majority of the voters present and voting in at least two of the said cities and a majority of the voters present and voting in at least two of said towns shall vote in the affirmative, this act shall become fully effective, and the proposed regional vocational school district comprising the cities and towns which accepted this act as herein provided shall be deemed to be established forthwith in accordance with the terms of the agreement so adopted.

Yes	2108
No	839
Blanks	592

Question No. 1, having received the highest number of all votes cast in the affirmative, was declared passed.

Question No. 2

"Shall the town extend contributory group hospital, surgical, medical insurance to elderly persons retired from the service of the town and to their dependents with fifty per cent of the premium cost and a portion of the administrative expense to be paid by the Town?"

Yes	1757
No	1215
Blanks	567

Question No. 2, having received the highest number of all votes cast in the affirmative, was declared passed.

All the requirements of law having been complied with, the meeting was declared adjourned to meet in Town Hall on Monday, March 9, 1964, at 7:30 o'clock in the evening, in accordance with provisions of Article 1, Section 2 of the By-laws of the Town of Stoneham.

All the foregoing truly entered.

WINTHROP A. McCARTHY, Town Clerk

Adjourned Annual Town Meeting, March 9, 1964

Agreeable to the warrant signed by the Selectmen on February 11, 1964, and in accordance with the vote of adjournment at the annual Town Meeting held on March 2, 1964, the inhabitants of the Town of Stoneham qualified to vote in elections

and town affairs met in Town Hall on Monday, March 9, 1964, at 7:30 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall and the check lists showed that seven hundred sixty-one (761) attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Robert D. Callahan, Esq., moved that the following resolution be adopted, and the said motion was seconded: Be it resolved that the voters of Stoneham, assembled in Town Meeting on Monday, March 9, 1964. hereby direct. under the provisions of General Laws, Chapter 71, Section 68, that certain public school buildings in Stoneham be renamed as follows: (1.) The South School to be re-named the Abraham Lincoln School. (2.) The Colonial Park School to be re-named the William McKinley School. (3.) The Robin Hood School to be re-named the James A. Garfield School. (4.) The North School to be re-named the John F. Kennedy School. (5.) The East School to be re-named the George J. Hall School, and Be It Further Resolved that a copy of this resolution be made a part of the official record of this meeting. Adoption of the resolution was not carried. Yes, 244; No, 316.

Article 2. VOTED that the Selectmen be authorized to appoint all other town officers whose appointment is not otherwise provided for by law.

Article 3. VOTED that the reports of town officers and committees as printed in the annual Town Report for the year 1963 be accepted.

VOTED to accept as a report of progress a report of the High School Building Addition Committee read by Mr. Charles E. Crosby, Chairman.

VOTED to accept as a report of progress a report of the Stoneham School Survey Committee filed with the Moderator.

Article 4. VOTED that the town fix the salaries of its several elected officers for the year 1964 as follows:

Moderator	\$ 50.00
Selectmen, each	110.00
Town Treasurer and Tax Collector	6,460.00
Town Clerk	3,000.00
Assessor, Chairman	1,525.00

Assessor, Secretary	1,400.00
Assessor, Member	1,300.00
Board of Health Members, each	110.00
Board of Public Welfare Members, each	110.00

It was moved and seconded that the salary of the Town Treasurer and Tax Collector be amended by striking out the amount \$6,460.00 and inserting in place thereof the amount \$7,460.00. This motion was not carried.

Article 5. VOTED, as amended, that the Town amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan" by striking out in its entirety, under Section 8, paragraph (a) and inserting in place thereof the following paragraph (a):

(a) When an employee is promoted to a higher rated job he shall enter at the minimum of the job rate range or the next full increment above his present salary or hourly rate, whichever is higher.

Article 6. It was moved and seconded that the Town amend Article XI of the by-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan" by adding under Section 13, subsection (e) the following:

(7) Milk Inspector. General description of duties. Inspect establishments, transportation and sale of milk and milk products in accordance with local and state regulations and standards. Inspect every three months all such local establishments. Collect, or provide for the collection of samples of milk and milk products as often as deemed necessary, but at least quarterly for bacteriological and chemical analysis to ensure compliance with standards. Promote and enforce all pertinent local and state requirements. Condemn, destroy or otherwise dispose of milk and milk products unfit for human consumption. Report to Board and proper State authorities regarding the issuance of renewal or revocation of any license of permits. This motion was not carried.

Article 7. VOTED that the Town amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by striking out in its entirety, under Section 13, subsection (g) paragraph (4a) Circulation and Reference Librarian and inserting in place thereof the following Section 13, subsection (g) paragraphs (4a) and (4b):

(g) Public Library

(4a) Reference Librarian, General statement of duties: Reference work includes the direct personal aid within the Library to persons in search of information for whatever purpose and also various library activities especially aimed at making information as easily available as possible. The Reference Librarian must be responsible for carrying out reference policies and service including book selection; must direct client to source of information and indicate procedures for securing the answer to his question, as well as locate the information in some instances; must compile bibliographies for the library, and assist individuals, and perform such duties as may be assigned by the Librarian.

(4b) Circulation Supervisor. General statement of duties: In charge of circulation procedures and execution of same. This includes a well planned routine of loaning library materials, recovering overdue items, following through for lost books etc., registration of borrowers, reserves, fines, circulation statistics and interlibrary loans. Article 9. VOTED to amend the motion under this article by striking out the last sentence under Section 1 as follows: The Gas Inspector may, so far as is necessary for the performance of his duties, enter any building within the town at a reasonable hour.

VOTED to amend the By-laws of the Town of Stoneham by adding a new article, to be known as Article IX-A, entitled "Inspection of Gas" and to read as follows:

Section 1. The Board of Selectmen shall appoint annually in April an inspector of gas piping and gas appliances in buildings, to be known as a Gas Inspector, who shall hold office for a term expiring on the thirtieth day of April in the following calendar year and until his successor is appointed and qualified. His compensation shall be established by the Personnel Board. He shall have had at least ten years of practical experience in gas fitting. The duties of the Gas Inspector shall be the enforcement of the rules and regulations adopted by the Board under Section 12H of Chapter 25 of the Massachusetts General Laws, and any acts in amendment thereof and in addition thereto.

Section 2. The Board of Selectmen may at any time appoint. for such terms as the Board may determine, one or

more assistant Gas Inspectors to act in the absence or disability of the Gas Inspector and, while so acting, each of them shall have and may exercise all of the powers and duties of the Gas Inspector. Assistant Gas Inspectors shall have the same qualifications hereinabove set forth for the Gas Inspector.

Section 3. The Gas Inspector shall not be interested in any building contract in the Town or have any interest in the furnishing of materials for any building therein; provided however, that he may, with the written approval of the Board of Selectmen, have such interest if he wholly refrains from acting as the Gas Inspector in the particular case. In each case the Board of Selectmen shall appoint an Assistant Gas Inspector or shall appoint a disinterested substitute Gas Inspector to act therein, with all the powers and duties of the Gas Inspector; and the compensation paid to such assistant or substitute in such case shall be deducted from the salary of the Gas Inspector.

Article 10. It was moved and seconded that under General Government, the item Legal Department, Town Counsel Salary, be amended by striking out the amount \$3,500.00, and inserting in place thereof the amount \$5,500.00, and that Total General Government be amended by striking out the amount \$135,825.25 and inserting in place thereof the amount \$137,825.25. This motion was not carried.

It was moved and seconded that under General Government, the item Planning Board Operating Expense be amended by striking out the amount \$3,600.00 and inserting in place thereof the amount \$600.00, and that Total General Government be amended by striking out the amount \$135,825.25 and inserting in place thereof the amount \$132,825.25. This motion was carried.

VOTED that the sum of \$132,825.25 be appropriated for General Government, said sum to be expended as itemized in the recommendations of the Finance and Advisory Board, as amended, as follows:

VOTED that the Town authorize the construction of a sanitary sewer main in and through Forest Street from Robin Hood Road westerly a distance of 2510 feet, more or less, to Elizabeth Road, under the law relating to the assessment of betterments, and any expense for said purpose to come from the appropriation made for sanitary sewer construction under Article 26 of this warrant, and authorize the Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.

Article 44. VOTED that the Town authorize the construction of a sanitary sewer main in High Street and Lawndale Road, said construction to begin from the existing sanitary sewer main now located in High Street, approximately 115 feet north of Marshall Road, then to proceed northerly in High Street a distance of 1613 feet, more or less, to Lawndale Road, then easterly and southerly in Lawndale Road a distance of 385 feet, more or less, under the law relating to the assessment of betterments, and any expense for said purpose to come from the appropriation made for sanitary sewer construction under Article 26 of this warrant, and authorize the Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.

Article 45. VOTED that the Town authorize the piping of the drainage brook off Avalon Road, from the end of the existing pipe on the northerly side of property now or formerly of Edward F. Geary a distance of 300 feet, more or less, northerly on land of the Town of Stoneham and that funds for this purpose to come from the appropriation voted under Article 32 of this warrant.

Article 46. VOTED that the Town accept as public town ways the following ways laid out by the Planning Board: (1) Morgan Avenue, from MacArthur Road to present dead-end; (2) Wildwood Lane, from Curve Road to Evergreen Road; (3) Evergreen Road, from northerly dead-end to easterly dead-end; (4) Pine Ridge Road, from Evergreen Road to Evergreen Road; (5) Mayflower Drive, from Morgan Avenue to present dead-end; (6) Theresa Road, from Melba Lane to Melba Lane; (7) Melba Lane, from Green Street to present dead-end; (8) Bow Street Court from end of previous acceptance to Brookbridge Road.

Article 47. VOTED that no action be taken on this article.

Article 48. VOTED that no action be taken on this article.

Article 49. VOTED that no action be taken on this article.

Article 50. VOTED that no action be taken on this article.

Article 51. VOTED that no action be taken on this article.

Article 52. It was moved and seconded that the Town raise and appropriate the sum of \$3,900.00 from the revenue of the current year to purchase and install a generator in the Town Hall to provide electric current in case of power failure and the Board of Selectmen is hereby authorized to make said purchase and installation. This motion was NOT carried.

Article 53. VOTED that the subject matter of this article be indefinitely postponed.

Article 54. VOTED that the subject matter of this article be indefinitely postponed.

VOTED to adjourn to meet in Town Hall on Monday evening, March 23, 1964 at 7:30 P.M.

Adjourned Annual Town Meeting, March 23, 1964

Agreeable to the warrant signed by the Selectmen on February 11, 1964, and in accordance with the vote of adjournment at the annual Town Meeting held on March 16, 1964, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, March 23, 1964 at 7:30 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall and the check lists showed that seven hundred and eight (708) attended the meeting.

The Moderator called the meeting to order and the warrant read.

Article 55. VOTED that the Town raise and appropriate the sum of \$800.00 to revise and update the Assessing Department Block Plan, raise the said appropriation by transfer from the Excess and Deficiency Account, authorize the Board of Assessors to enter into an agreement with Dana F. Perkins and Sons, Inc., of Reading, Mass., to do such work as is required, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 57. VOTED that the Town accept provisions of Chapter 478, Acts of 1963, entitled "An Act increasing the amounts of pensions and retirement allowances payable to certain former public employees", that the sum of \$1,181.48 be raised and appropriated therefor, that the said appropriation be raised by transfer from the Excess and Deficiency Account, and the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 58. A motion to amend the Zoning By-law as set forth in this article, duly seconded, was NOT carried.

Article 59. VOTED that the Town amend the Zoning By-law by adding to the present limits of the General Business District as heretofore defined and set forth, so as to include in the General Business District the following described area, adjacent thereto, and bounded as follows: Beginning at a point on Richardson's Lane, said point being 181.18 feet northwesterly

along the southwesterly line of Richardson's Lane from the westerly line of Main Street, said point being the westerly extremity of the existing General Business District, thence the line runs southwesterly in a straight line by land of Cerretani 343.78 feet to a pipe, thence continuing in the same direction 8.89 feet to the center of the brook; thence nearly westerly along the center of said brook 60.97 feet to another pipe in the center of said brook; thence northwesterly 55.48 feet to another pipe in the center of another brook; thence northeasterly along the center of the last named brook 334.52 feet to said Richardson's Lane and thence southeasterly along said Richardson's Lane 96 feet to the point of beginning. UNANIMOUS.

Article 60. VOTED to grant the petitioner leave to withdraw this article.

Article 61. VOTED that the Town acquire by purchase and/or by taking by right of eminent domain under provisions of Chapter 79 of the General Laws for sidewalk purposes, the following described parcel of land: Beginning at a stone bound on the westerly sideline of Prospect Street, said stone bound being located 329.90 feet from the sideline intersection at Mount Vernon Street; thence the line runs North 72°-30'-45" West, 162.87 feet to a stone bound; thence the line turns and runs North 22°-18'-36" East, 10.04 feet to a point located in the easterly end of Washington Court, so-called, a private way; thence the line turns and runs South 72°-30'-45" East, 162.12 feet to a point in the said westerly sideline of Prospect Street; thence the line turns and runs along the said westerly sideline of Prospect Street South 18°-00'-00" West, 10.00 feet to the point of beginning; the above described parcel being a portion of a lot owned by now or formerly Paul H. and Virginia L. Nickerson, L.C.D. 388946, Cert. 110357, Book 682, Page 7, raise and appropriate the sum of \$2,265.00 therefore from the revenue of the current year, and to provide for the construction of pedestrian walks, fence and steps, and other expenses incidental thereto, and authorize the Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.

Voted to adjourn.

All the foregoing truly entered.

WINTHROP A. McCARTHY, Town Clerk

WARRANT FOR SPECIAL TOWN MEETING

MARCH 16, 1964

To either of the Constables of the Town of Stoneham in the County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on Monday, March 16, 1964 at 8:30 o'clock in the evening to act on the following article of this warrant.

ARTICLE 1. To see if the Town will vote to revise the Zoning By-law of the Town of Stoneham in accordance with plan and map prepared by Candeub, Fleissig and Associates, Planning Consultants, dated February 1964. (Copy of proposed revision on file in office of the Town Clerk).

And you are directed to have one thousand (1000) copies of the said warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given unto our hands this eighteenth day of February in the year of our Lord one thousand nine hundred and sixty-four.

FRED A. SCHNEIDER
FURIO BRACCIOTTI
DONALD J. MORRISON
EDMUND J. MOREIRA
GEORGE L. SULLIVAN

Selectmen of Stoneham

Pursuant to the within warrant I have warned and notified the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting

copies in at least ten (10) public places in the Town on Saturday, March 7, 1964 and by publishing a duly attested copy of the said warrant in the Stoneham Press on March 5, 1964.

ROBERT E. MOREIRA

Constable of Stoneham

Special Town Meeting, March 16, 1964

Agreeable to the warrant signed by the Selectmen on February 18, 1964, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, March 16, 1964, at 8:30 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall and the check lists showed that nine hundred and forty-four (944) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 1. VOTED that the subject matter of Article 1 be laid on the table until the next annual Town Meeting; that the Moderator appoint a committee of seven (7) citizens to make a study and analysis of the proposed Zoning By-law revisions called for in this article; said committee to hold as many public hearings as are necessary to properly inform the citizens as to the extent of the proposed revisions and to submit to the Town, at the next annual Town Meeting, a complete report, with their recommendations, as to what changes, if any, should be made in our present Zoning By-law; it shall be the duty of the committee to keep in mind the welfare of the Town as a whole at all times and that the rights of its citizens, businessmen and taxpayers shall not in any way be jeopardized by any proposed revisions.

VOTED to adjourn.

All the foregoing truly entered.

WINTHROP A. McCARTHY, Town Clerk

In accordance with provisions of the foregoing vote the Moderator appointed the committee: Harold S. Adams, Ernest W. Jefferson, William H. Jones, Norman Davidson, Simon Zaltman, Robert F. O'Neil and Anthony R. Ciampa.

WARRANT FOR SPECIAL TOWN MEETING

MARCH 23, 1964

To either of the Constables of the Town of Stoneham in
the County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on Monday, March 23, 1964 at eight o'clock in the evening to act on the following articles of this warrant:

ARTICLE 1. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by gift, or by taking by right of eminent domain under Chapter 79 of the General Laws, for school purposes, the following described parcels of land in Stoneham as appears on plan of George E. Hayes, Reg. Surveyor, dated February 3, 1964, to be recorded.

Parcel 1. Land, now or formerly of Philip Weiss Trust comprising about 6.75 acres being bounded and described as follows: northerly by lands now or formerly of Marks, Paicos, Weiss Trust and Coffin about 535 feet; Easterly and Southeasterly by land now or formerly of Campbell, Weiss Trust, Minghella, Durgin, Nelles, Town of Stoneham and Peacock about 1,119 feet; Southwesterly and Westerly by lands now or formerly of Laura Realty Trust, Carroll, O'Grady, Pitkerwich and Cody about 1,000 feet.

Parcel 2. Land, together with the buildings thereon, now or formerly of Melvina Pitkerwich comprising about 6.3 acres being bounded and described as follows: Northerly by lands now or formerly of Burke, Wentzell, Aruda and Cody about 682 feet; Easterly by land now or formerly of Philip Weiss Trust about 350 feet; Southerly by land now or formerly of James A. O'Grady, Jr., Et. Als. 652.60 feet; Westerly by land now or formerly of O'Grady and land of Burke about 466 feet.

Parcel 3. Land, now or formerly of James A. O'Grady Jr. Et. Als. comprising about 9.8 acres being bounded and described as follows: Northerly by land now or formerly of O'Grady and land of Burke about 726 feet; Easterly by land now or formerly of Melvina Pitkerwich 97.80 feet; Northerly by land now or formerly of Melvina Pitkerwich 652.60 feet; Easterly by

land now or formerly of Philip Weiss Trust 221.75 feet; Southeasterly by land now or formerly of John R. & Nora M. Carroll 344.18 feet; Southerly by land now or formerly of George P. & Mary N. Downes 348.86 feet; Westerly by land now or formerly of Clark A. Richardson 317.76 feet; Southerly by land now or formerly of Clark A. Richardson 804.38 feet; Westerly by land now or formerly of Rouillard and land of Masotta 242.66 feet.

Parcel 4. Land, now or formerly of Clark A. Richardson comprising about 8.5 acres being bounded and described as follows: Northerly by land now or formerly of James A. O'Grady, Jr. Et. Al. 804.38 feet; Easterly by land now or formerly of James A. O'Grady, Jr. Et. Als. 317.76 feet; Southerly by land now or formerly of George P. and Mary N. Downes about 91 feet; Easterly by land now or formerly of said Downes about 155 feet; Southerly by land now or formerly of Avellino and land now or formerly of Spadafora about 715 feet; Westerly by land now or formerly of Mitchell and land now or formerly of Palermo about 480 feet.

Parcel 5. Land, now or formerly, of George P. Downes and Mary N. Downes comprising about 2.0 acres being bounded and described as follows: Northerly by land now or formerly of Richardson and land now or formerly of O'Grady about 440 feet; Easterly by land now or formerly of O'Grady about 125 feet; Southeasterly and southwesterly by land now or formerly of Laura Realty Trust about 370 feet; Southwesterly by land now or formerly of Avellino about 172 feet; Westerly by land now or formerly of Richardson about 155 feet.

Parcel 6. Land, now or formerly, of James A. O'Grady, Jr. Et. Als. comprising about 0.4 acres being bounded and described as follows: Northerly by land now or formerly of Carroll about 320 feet; Southeasterly by land now or formerly of Laura Realty Trust about 295 feet; Southwesterly by land now or formerly of Downes about 125 feet.

Parcel 7. Land, now or formerly, of John R. Carroll and Nora M. Carroll comprising about 0.8 acres being bounded and described as follows: Northwesterly by land now or formerly of O'Grady about 344 feet; Easterly by land now or formerly of Weiss Trust about 230 feet; Southerly by land now or formerly of O'Grady about 320 feet.

Parcel 8. Land, together with the buildings thereon, now or formerly of Ellen Cody comprising about 1 acre being bounded and described as follows: Northerly by land now or formerly of the Inhabitants of the Town of Stoneham about 158½

feet; Easterly by land now or formerly of Marks and land now or formerly of Pitkerwich about 209 feet; Westerly by lands now or formerly of Weiss Trust about 255 feet; Southerly by land now or formerly of Aruda, Finnegan and Newhook about 243 feet.

The above parcels being an area of land bounded and described as follows: Easterly by land of Marks about 225 feet; Northerly by lands of Marks, Paicos, Weiss Trust and Coffin about 535 feet; Easterly and Southeasterly by lands of Campbell, Weiss Trust, Minghella, Durgin, Nelles, Town of Stoneham and Peacock about 1,119 feet; Southwesterly by land of Laura Realty Trust about 169 feet; Southeasterly by land of Laura Realty Trust about 572 feet; Southerly by lands of Laura Realty Trust, Avellino and Spadafora about 980 feet; Westerly by lands of Mitchell, Palermo, Rouillard and Masotta about 723 feet; Northerly by lands of O'Grady and Burke about 726 feet; Westerly by land of Burke about 368 feet; Northerly by lands of Burke, Wentzell and Aruda about 473 feet; Westerly by lands of Aruda, Finnegan and Newhook about 243 feet; Northerly by land of Town of Stoneham 158.5 feet; comprising about 35.5 acres as shown on a plan by George E. Hayes, Reg. Surveyor, dated February 3, 1964. Determine in what manner the said appropriation shall be raised, by transfer from available funds, by transfer from the Stabilization Fund, or by borrowing, by the sale of bonds, notes or otherwise, pass any vote or votes which the Town deems necessary for the purpose required in this article, or do anything in relation thereto.

Stoneham School Survey Comittee

ARTICLE 2. To see if the Town will vote to construct a junior high school building to accommodate not more than twelve hundred (1200) students consisting of classrooms with such other necessary facilities as may be required for school housing and educational needs, said building to be located on land or lands acquired under Article 1 of this warrant, raise and appropriate a sum of money for the purpose of engaging an architect to prepare final architectural drawings, plans and specifications for obtaining fixed price bids for the construction of said Stoneham Junior High School, determine in what manner the said appropriation shall be raised, by transfer from available funds, by transfer from the Stabilization Fund, or by borrowing, by the sale of bonds, notes or otherwise, pass any vote or votes which the Town deems necessary for the purpose required in this article, or do anything in relation thereto.

Stoneham School Survey Comittee

ARTICLE 3. To see if the Town will vote to authorize the appointment, by the Moderator, of a committee of seven (7) including in said committee, a member from the Stoneham School Survey Committee, and a member from the Stoneham School Committee, to be known as the Stoneham Junior High School Building Committee, said committee to be granted all the powers and duties necessary to carry out all votes under the warrant of this meeting for acquiring land for future school building purposes, and including the necessary architectural plans and specifications and any and all votes passed under Article 2 of this warrant, and to enter into all lawful contracts and agreements in behalf of the Town to accomplish said vote, or do anything in relation thereto.

Stoneham School Survey Committee

ARTICLE 4. To see if the Town will vote to transfer to the custody of the Stoneham School Committee, or the Stoneham Junior High School Building Committee, land, now or formerly of the Inhabitants of the Town of Stoneham comprising about 1 acre being bounded and described as follows: Northerly by Franklin Street about 131 feet; Easterly by a passageway 10'2" wide (Franklin Place) about 230 feet; Southerly by lands now or formerly of Cody and Newhook about 279 feet; Westerly by Emerald Court about 91 feet; Northerly by lands now or formerly of Shaw and Halpin about 145 feet; Westerly by land now or formerly of Halpin about 169 feet; to be included with land or lands acquired under Article 1 of this warrant for future school building purposes, or do anything in relation thereto.

Stoneham School Survey Committee

ARTICLE 5. To see what action the Town will take to provide for the care, custody, operation, maintenance, sale, demolition or other disposition of any buildings located on any lands acquired for school purposes in the preceding articles of this warrant. Pass any vote or votes or do anything in relation thereto and raise and appropriate such sum or sums of money as may be necessary to carry out said votes.

Stoneham School Survey Committee

And you are directed to have one thousand two hundred (1200) copies of the warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said

meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given unto our hands this tenth day of March in the year of our Lord one thousand nine hundred and sixty-four.

Fred A. Schneider
Furio Bracciotti
Edmund J. Moreira
Donald J. Morrison
Joseph W. Fallon
Selectmen of Stoneham

Pursuant to the within warrant I have warned and notified the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting duly attested copies of the said warrant in at least ten (10) public places in the Town on Friday, March 13, 1964, and by publishing duly attested copies of the said warrant in the Stoneham Press and the Stoneham Independent on Thursday, March 12, 1964 and March 19, 1964, respectively.

ROBERT E. MOREIRA
Constable of Stoneham

Special Town Meeting, March 23, 1964

Agreeable to the warrant signed by the Selectmen on March 10, 1964, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, March 23, 1964 at 8 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall and the check lists showed that seven hundred and eight (708) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 1. VOTED that the Town raise and appropriate the sum of \$100,000.00 for the purpose of acquiring by purchase, or by gift, or by taking by right of eminent domain under provisions of Chapter 79 of the General Laws, for school purposes, the following described parcels of land in Stoneham as appears on plan of George E. Hayes, Registered Surveyor, dated February 3, 1964, to be recorded:

Parcel 1. Land, now or formerly of Philip Weiss Trust comprising about 6.75 acres being bounded and described as follows: northerly by lands now or formerly of Marks, Paicos, Weiss Trust and Coffin about 535 feet; Easterly and Southeasterly by land now or formerly of Campbell, Weiss Trust, Minghella, Durgin, Nelles, Town of Stoneham and Peacock about 1,119 feet; Southwesterly and Westerly by lands now or formerly of Laura Realty Trust, Carroll, O'Grady, Pitkerwich and Cody about 1,000 feet.

Parcel 2. Land, together with the buildings thereon, now or formerly of Melvina Pitkerwich comprising about 6.3 acres being bounded and described as follows: Northerly by lands now or formerly of Burke, Wentzell, Aruda and Cody about 682 feet; Easterly by land now or formerly of Philip Weiss Trust about 350 feet; Southerly by land now or formerly of James A. O'Grady Jr. Et. Als. 652.60 feet; Westerly by land now or formerly of O'Grady and land of Burke about 466 feet.

Parcel 3. Land, now or formerly of James A. O'Grady Jr. Et Als. comprising about 9.8 acres being bounded and described as follows: Northerly by land now or formerly of O'Grady and land of Burke about 726 feet; Easterly by land now or formerly of Melvina Pitkerwich 97.80 feet; Northerly by land now or formerly of Melvina Pitkerwich 652.60 feet; Easterly by land now or formerly of Philip Weiss Trust 221.75 feet; Southeasterly by land now or formerly of John R. & Nora M. Carroll 344.18 feet; Southerly by land now or formerly of George P. & Mary N. Downes 348.86 feet; Westerly by land now or formerly of Clark A. Richardson 317.76 feet; Southerly by land now or formerly of Clark A. Richardson 804.38 feet; Westerly by land now or formerly of Rouillard and land of Masotta 242.66 feet.

Parcel 4. Land, now or formerly of Clark A. Richardson comprising about 8.5 acres being bounded and described as follows: Northerly by land now or formerly of James A. O'Grady, Jr. Et. Al. 804.38 feet; Easterly by land now or formerly of James A. O'Grady, Jr. Et. Als. 317.76 feet; Southerly by land now or formerly of George P. & Mary N. Downes about 91 feet;

Easterly by land now or formerly of said Downes about 155 feet; Southerly by land now or formerly of Avellino and land now or formerly of Spadafora about 715 feet; Westerly by land now or formerly of Mitchell and land now or formerly of Palermo about 480 feet.

Parcel 5. Land, now or formerly of George P. Downes and Mary N. Downes comprising about 2.0 acres being bounded and described as follows: Northerly by land now or formerly of Richardson and land now or formerly of O'Grady about 440 feet; Easterly by land now or formerly of O'Grady about 125 feet; Southeasterly and Southwesterly by land now or formerly of Laura Realty Trust about 330 feet; Southwesterly by land now or formerly of Avellino about 172 feet; Westerly by land now or formerly of Richardson about 155 feet.

Parcel 6. Land, now or formerly of James A. O'Grady, Jr., Et. Als. comprising about 0.4 acres being bounded and described as follows: Northerly by land now or formerly of Carroll about 320 feet; Southeasterly by land now or formerly of Laura Realty Trust about 295 feet; Southwesterly by land now or formerly of Downes about 125 feet.

Parcel 7. Land, now or formerly of John R. Carroll and Nora M. Carroll comprising about 0.8 acres being bounded and described as follows: Northwesterly by land now or formerly of O'Grady about 344 feet; Easterly by land now or formerly of Weiss Trust about 230 feet; Southerly by land now or formerly of O'Grady about 320 feet.

Parcel 8. Land, together with the buildings thereon, now or formerly of Ellen Cody comprising about 1 acre being bounded and described as follows: Northerly by land now or formerly of The Inhabitants of the Town of Stoneham about 158½ feet; Easterly by land now or formerly of Marks and land now or formerly of Weiss Trust about 255 feet; Southerly by land now or formerly of Pitkerwich about 209 feet; Westerly by lands now or formerly of Aruda, Finnegan and Newhook about 243 feet.

The above parcels being an area of land bounded and described as follows: Easterly by land of Marks about 225 feet; Northerly by lands of Marks, Paicos, Weiss Trust and Coffin about 535 feet; Easterly and Southeasterly by lands of Campbell, Weiss Trust, Minghella, Durgin, Nelles, Town of Stoneham and Peacock about 1119 feet; Southwesterly by land of Laura Realty Trust about 169 feet; Southeasterly by land of Laura

Realty Trust about 572 feet; Southerly by lands of Laura Realty Trust, Avellino and Spadafora about 980 feet; Westerly by lands of Mitchell, Palermo, Rouillard and Masotta about 723 feet; Northerly by lands of O'Grady and Burke about 726 feet; Westerly by land of Burke about 368 feet; Northerly by lands of Burke, Wentzell and Aruda about 473 feet; Westerly by lands of Aruda, Finnegan and Newhook about 243 feet; Northerly by land of Town of Stoneham 158.5 feet; comprising about 35.5 acres as shown on a plan by George E. Hayes, Reg. Surveyor, dated February 3, 1964; that the said appropriation be raised as follows: From the revenue of the current year the sum of \$10,000.00, and that the Town Treasurer, with the approval of the Selectmen, be authorized to issue and sell, from time to time, as occasion requires, town notes, bonds or other evidences of indebtedness to an amount not exceeding \$90,000.00, said notes or bonds to be payable in accordance with provisions of Chapter 44 of the General Laws, and that the Town Accountant be and hereby is authorized to record the above transfers on the books of the Town. Yes, 389; No, 134.

Article 2. VOTED that the Town construct a Junior High School Building to accommodate not more than twelve hundred (1200) students consisting of classrooms with such other facilities as may be required for school housing and educational needs, said building to be located on land or lands acquired under Article 1 of this warrant, that the sum of \$150,000.00 be raised and appropriated from the tax levy of the current year, said sum to be expended for the purpose of engaging an architect to prepare final architectural drawings, plans and specifications for obtaining fixed priced bids for the construction of the said Stoneham Junior High School, said appropriation to be expended in conjunction with any sum or sums to be appropriated at a future town meeting for the final construction of the said Stoneham Junior High School. Yes, 314; No, 157.

Article 3. VOTED that the Town authorize the appointment, by the moderator, of a committee of seven (7) citizens, including in said committee a member of the Stoneham School Survey Committee, and a member of the Stoneham School Committee, to be known as the Stoneham Junior High School Building Committee, and that the said committee be granted all the powers and duties necessary to carry out all votes adopted under the warrant of this meeting for acquiring land for

future school building purposes, and including the necessary architectural plans and specifications and any and all votes passed under Article 2 of this warrant, and to enter into all lawful contracts and agreements in behalf of the Town to accomplish said vote or votes.

Article 4. VOTED that the Town transfer to the custody of the Stoneham Junior High School Building Committee, land, now or formerly of the Inhabitants of the Town of Stoneham comprising about 1 acre being bounded and described as follows: Northerly by Franklin Street about 131 feet; Easterly by a passageway 10'12" wide (Franklin Place) about 230 feet; Southerly by lands now or formerly of Cody and Newhook about 279 feet; Westerly by Emerald Court about 91 feet; Northerly by lands now or formerly of Shaw and Halpin about 145 feet; Westerly by land now or formerly of Halpin about 169 feet; to be included with land or lands acquired under Article 1 of this warrant for future school building purposes.

Article 5. VOTED that the town raise and appropriate from the revenue of the current year the sum of \$500.00 for the care, custody, operation, maintenance, sale or demolition of any building or buildings located on any land or lands acquired for school purposes in the preceding articles of this warrant and that the Stoneham Junior High School Building Committee be and hereby is authorized to sell or otherwise dispose of any building or buildings on any land or lands acquired for school purposes in the preceding articles of this warrant in such manner as may be most advantageous to the Town.

VOTED to adjourn.

All the foregoing truly entered.

WINTHROP A. McCARTHY, Town Clerk

WARRANT FOR PRESIDENTIAL PRIMARY APRIL 28, 1964

To either of the Constables of the Town of Stoneham,
County of Middlesex, Commonwealth of Massachusetts,

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of the said Town who

are qualified to vote in Primaries to meet in Town Hall, Tuesday, April 28, 1964 at 12 o'clock noon, for the following purposes: To bring in their votes to the Primary Officers for the election of candidates of political parties for the following offices:

58 Delegates at large to the national convention of the Democratic party.

43 Alternate Delegates at large to the national convention of the Democratic party.

10 Delegates at large to the national convention of the Republican party.

10 Alternate Delegates at large to the national convention of the Republican party.

2 District Delegates to the national convention of the Democratic party from the 5th Congressional District.

2 Alternate District Delegates to the national convention of the Democratic party from the 5th Congressional District.

2 District Delegates to the national convention of the Republican party from the 5th Congressional District.

2 Alternate District Delegates to the national convention of the Republican party from the 5th Congressional District.

2 District members of the State Committee (one man and one woman) for each political party for the 7th Middlesex Senatorial District.

35 Members of the Democratic Town Committee.

35 Members of the Republican Town Committee.

Presidential Preference.

The polls will be open from 12 noon to 8 P.M.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given unto our hands this fourteenth day of April, A.D., 1964.

FRED A. SCHNEIDER

FURIO BRACCIOTTI

JOSEPH W. FALLON

EDMUND J. MOREIRA

Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within warrant by posting duly attested copies of the above warrant in ten (10) public places within the town on Thursday, April 16, 1964, and by publishing duly attested copies of the above warrant in the Stoneham Independent and the Stoneham Press on Thursday, April 23, 1964.

ROBERT E. MOREIRA

Constable of Stoneham

Presidential Primary, April 28, 1964

Agreeable to the warrant signed by the Selectmen on April 14, 1964, the inhabitants of the Town of Stoneham qualified in elections and town affairs met in Town Hall on Tuesday, April 28, 1964 at 12 o'clock noon.

Elections officers appointed by the Selectmen in accordance with provisions of law, were sworn by the Town Clerk, and assigned to duty at the polling place.

At 8 o'clock in the evening the polls were declared closed at which time ballot box No. 1 registered 411 and ballot box No. 2 registered 453. The check lists at the entrance had the names of 864 voters having received ballots, of which 382 were Republican and 482 were Democratic. The number of ballots taken from the ballot boxes, as counted by the Warden and the Clerk, was 864, of which 382 were Republican and 482 were Democratic.

All the ballots having been sorted and counted, the tally sheets signed by the counters, the blocks of ballots sealed, the total tally sheet proved and signed in accordance with law, declaration of the same was made as follows:

Whole number of Republican ballots cast 382

WINTHROP A. McCARTHY, Town Clerk

WARRANT FOR SPECIAL TOWN MEETING MAY 25, 1964

To either of the Constables of the Town of Stoneham in the
County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on Monday, May 25, 1964 at 8 o'clock in the evening to act on the following articles of this warrant:

ARTICLE 1. To see if the Town will vote to rescind and revoke all or any action taken under Articles 1, 2, 3 and 4 of the warrant for the special Town Meeting held on March 23, 1964, or do anything in relation thereto.

Robert D. Callahan and 220 others

ARTICLE 2. To see if the Town will vote to appoint a committee of three (3) citizens to make a survey of the Town's present and future elementary school housing needs, authorize said committee to employ experts in the field of education, the field of school construction and the field of school financing, said committee to report at a special Town Meeting to be called at the earliest possible date, raise and appropriate any sum or sums for necessary expenses of the committee by taxation or by transfer from available funds, pass any vote or votes which the Town deems necessary for the purpose of this article, or do anything in relation thereto.

Robert D. Callahan and 220 others

ARTICLE 3. To see if the Town will vote to rescind all or any part of the action taken by the Town at the special Town Meeting held on March 23, 1964, or do anything in relation thereto.

Stoneham School Survey Committee

ARTICLE 4. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, or by gift, or by taking by right of eminent domain under Chapter 79 of the General Laws, for school purposes, the following described parcels of land in Stoneham as appears on plan of George E. Hayes, Reg. Surveyor, dated February 3, 1964, to be recorded:

Parcel 1. Land, now or formerly of Philip Weiss Trust comprising about 6.75 acres being bounded and described as follows: northerly by lands now or formerly of Marks, Paicos, Weiss Trust and Coffin about 535 feet; Easterly and South-easterly by land now or formerly of Campbell, Weiss Trust, Minghella, Durgin, Nelles, Town of Stoneham and Peacock about 1,119 feet; Southwesterly and Westerly by lands now or formerly of Laura Realty Trust, Carroll, O'Grady, Pitkerwich and Cody about 1,000 feet.

Parcel 2. Land, together with the buildings thereon, now or formerly of Melvina Pitkerwich comprising about 6.3 acres being bounded and described as follows: Northerly by lands now or formerly of Burke, Wentzell, Aruda and Cody about 682 feet; Easterly by land now or formerly of Philip Weiss Trust about 350 feet; Southerly by land now or formerly of James A. O'Grady, Jr., Et. Als. 652.60 feet; Westerly by land now or formerly of O'Grady and land of Burke about 466 feet.

Parcel 3. Land, now or formerly of James A. O'Grady, Jr., Et. Als. comprising about 9.8 acres being bounded and described as follows: Northerly by land now or formerly of O'Grady and land of Burke about 726 feet; Easterly by land now or formerly of Melvina Pitkerwich 97.80 feet; Northerly by land now or formerly of Melvina Pitkerwich 652.60 feet; Easterly by land now or formerly of Philip Weiss Trust 221.75 feet; Southeasterly by land now or formerly of John R. & Nora M. Carroll 344.18 feet; Southerly by land now or formerly of George P. & Mary N. Downes 348.86 feet; Westerly by land now or formerly of Clark A. Richardson 317.76 feet; Southerly by land now or formerly of Clark A. Richardson 804.38 feet; Westerly by land now or formerly of Rouillard and land of Masotta 242.66 feet.

Parcel 4. Land, now or formerly of Clark A. Richardson comprising about 8.5 acres being bounded and described as follows: Northerly by land now or formerly of James A. O'Grady, Jr. Et. Al. 804.38 feet; Easterly by land now or formerly of James A. O'Grady, Jr. Et. Als. 317.76 feet; Southerly by land now or formerly of George P. & Mary N. Downes about 91 feet; Easterly by land now or formerly of said Downes about 155 feet; Southerly by land now or formerly of Avellino and land now or formerly of Spadafora about 715 feet; Westerly by land now or formerly of Mitchell and land now or formerly of Palermo about 480 feet.

Parcel 5. Land, now or formerly, of George P. Downes and Mary N. Downes comprising about 2.0 acres being bounded and described as follows: Northerly by land now or formerly of Richardson and land now or formerly of O'Grady about 440 feet; Easterly by land now or formerly of O'Grady about 125 feet; Southeasterly and Southwesterly by land now or formerly of Laura Realt Trust about 370 feet; Southwesterly by land now or formerly of Avellino about 172 feet; Westerly by land now or formerly of Richardson about 155 feet.

Parcel 6. Land, now or formerly of James A. O'Grady, Jr. Et. Als. comprising about 0.4 acres being bounded and described as follows: Northerly by land now or formerly of Carroll about 320 feet; Southeasterly by land now or formerly of Laura Realty Trust about 295 feet; Southwesterly by land now or formerly of Downes about 125 feet.

Parcel 7. Land, now or formerly, of John R. Carroll and Nora M. Carroll comprising about 0.8 acres being bounded and described as follows: Northwesterly by land now or formerly

of O'Grady about 344 feet; Easterly by land now or formerly of Weiss Trust about 230 feet; Southerly by land now or formerly of O'Grady about 320 feet.

Parcel 8. Land, together with the buildings thereon, now or formerly of Ellen Cody comprising about 1 acre being bounded and described as follows: Northerly by land now or formerly of the Inhabitants of the Town of Stoneham about 158½ feet; Easterly by land now or formerly of Marks and land now or formerly of Weiss Trust about 255 feet; Southerly by land now or formerly of Pitkerwich about 209 feet; Westerly by land now or formerly of Aruda, Finnegan and Newhook about 243 feet.

The above parcels being an area of land bounded and described as follows: Easterly by land of Marks about 225 feet; Northerly by lands of Marks, Paicos, Weiss Trust and Coffin about 535 feet; Easterly and Southeasterly by lands of Campbell, Weiss Trust, Minghella, Durgin, Nelles, Town of Stoneham and Peacock about 1,119 feet; Southwesterly by land of Laura Realty Trust about 169 feet; Southeasterly by land of Laura Realty Trust about 572 feet; Southerly by lands of Laura Realty Trust, Avellino and Spadafora about 980 feet; Westerly by lands of Mitchell, Palermo, Rouillard and Masotta about 723 feet; Northerly by lands of O'Grady and Burke about 726 feet; Westerly by land of Burke about 368 feet; Northerly by lands of Burke, Wentzell and Aruda about 473 feet; Westerly by lands of Aruda, Finnegan and Newhook about 243 feet; Northerly by land of the Town of Stoneham 158.5 feet; comprising about 35.5 acres as shown on a plan by George E. Hayes, Reg. Surveyor, dated February 3, 1964. Determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing, or by any combination of these methods, pass any vote or votes which the Town deems necessary for the purpose required in this article, or do anything in relation thereto.

Stoneham School Survey Committee

ARTICLE 5. To see if the Town will vote to raise and appropriate a sum of money for the construction and originally equipping and furnishing of a new Junior High School and to determine whether said appropriation shall be provided from taxation, from transfer from available funds, by borrowing or by any combination of these methods, or do anything in relation thereto.

Stoneham School Survey Committee

ARTICLE 6. To see if the Town will vote to construct a Junior High School building to accommodate not more than twelve hundred (1200) students consisting of classrooms with such other necessary facilities as may be required for school housing and educational needs, said building to be located on land or lands acquired under Article 4 of this warrant, raise and appropriate a sum of money for the purpose of engaging an architect to prepare final architectural drawings, plans and specifications for obtaining fixed price bids for the construction of said Stoneham Junior High School, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing, or by any combination of these methods, pass any vote or votes which the Town deems necessary for the purpose required in this article, or do anything in relation thereto.

Stoneham School Survey Committee

ARTICLE 7. To see if the Town will vote to authorize the appointment, by the Moderator, of a committee of seven (7), including in said committee a member of the Stoneham School Survey Committee, and a member of the Stoneham School Committee, to be known as the Stoneham Junior High School Building Committee, said committee to be granted all the powers and duties necessary to carry out all votes under the warrant of this meeting pertaining to school buildings and school land, and to enter into all lawful contracts and agreements in behalf of the Town to accomplish said vote, or do anything in relation thereto.

Stoneham School Survey Committee

ARTICLE 8. To see if the Town will vote to transfer to the custody of the Stoneham School Committee, or the Stoneham Junior High School Building Committee, land, now or formerly, of the Inhabitants of the Town of Stoneham comprising about 1 acre being bounded and described as follows: Northerly by Franklin Street about 131 feet; Easterly by a passageway 10' - 2" wide (Franklin Place) about 230 feet; Southerly by lands now or formerly of Cody and Newhook about 279 feet; Westerly by Emerald Court about 91 feet; Northerly by lands now or formerly of Shaw and Halpin about 145 feet; Westerly by land now or formerly of Halpin about 169 feet; to be included with land or lands acquired under Article 4 of this warrant for future school building purposes, or do anything in relation thereto.

Stoneham School Survey Committee

ARTICLE 9. To see what action the Town will take to provide for the care, custody, operation, maintenance, sale, demolition or other disposition of any buildings located on any land acquired for school purposes in the preceding articles of this warrant. Pass any vote or votes or do anything in relation thereto and raise and appropriate from the tax levy of the current year such sum or sums of money as may be necessary to carry out said votes.

Stoneham School Survey Committee

ARTICLE 10. To see if the Town will vote to rescind the unissued balance of a loan authorized under Article 1 of the warrant for a special Town Meeting held on November 26, 1962, in the amount of \$100,000.00 for constructing and equipping an addition to the Stoneham High School Building.

Stoneham High School Building Addition Committee

ARTICLE 11. To see if the Town will vote to rescind the vote of the special Town Meeting of November 18, 1959, known as Article 2, which reads as follows: "Voted that the Town of Stoneham does determine that there exists in the Town of Stoneham the need for an Urban Renewal Program or Programs, in accordance with provisions of Section 26XX of Chapter 121 of the General Laws" for the reason that upon investigation and reconsideration the need for the Redevelopment Authority in the Town of Stoneham is not present, and that action by the Stoneham Redevelopment Authority in accordance with General Laws, Chapter 121, Section 26XX will serve no useful purpose, and further that the Stoneham Redevelopment Authority, organized under the provisions of General Laws, Chapter 121 be and are hereby instructed to take such action consistent with the law to effectuate the dissolution of the said Authority.

Edward J. O'Connell and 126 others

ARTICLE 12. To see if the Town will vote to accept as a public town way Gorham Avenue, so-called, from Main Street easterly to Fairview Road, as laid out by the Board of Survey on May 12, 1936, raise and appropriate a sum of money to pave the above described way under the law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, and authorize the Selectmen or the Board of

Public Works to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.

Residents of Street

And you are directed to have one thousand two hundred (1200) copies of this warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given unto our hands this fifth day of May in the year of our Lord one thousand nine hundred and sixty-four.

FRED A. SCHNEIDER
FURIO BRACCIOTTI

JOSEPH W. FALLON

Selectmen of Stoneham

Pursuant to the within warrant I have warned and notified the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies of the said warrant in at least ten (10) public places in the Town on Friday, May 15, 1964 and by publishing duly attested copies of the said warrant in the Stoneham Press and the Stoneham Independent on May 14, 1964.

ROBERT E. MOREIRA
Constable of Stoneham

Special Town Meeting, May 25, 1964

Agreeable to the warrant signed by the Selectmen on May 5, 1964, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, May 25, 1964 at 8 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall and the check lists showed that one thousand four hundred and seventy-six (1476) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 1. It was moved and seconded to rescind and revoke all or any action taken under Articles 1, 2, 3 and 4 of the warrant for the special Town Meeting held on March 23, 1964. Yes, 790; No, 489. This motion was NOT carried, having failed to receive the necessary two-thirds vote.

VOTED that Article 3 be taken up at this time.

Article 3. VOTED that the Town rescind all or any part of the action taken by the Town at the special Town meeting held on March 23, 1964. UNANIMOUS.

Article 2. It was moved and seconded that a committee of three (3) citizens be appointed by the Moderator to make a survey of the Town's present and future elementary school housing needs; that the said committee be authorized to employ experts in the field of education, the field of school construction and the field of school financing for advice and assistance in said survey; that the said committee be directed to make a report of its findings to a special Town Meeting to be held no later than the third Monday in September, 1964; and that the sum of \$5,000.00 be raised and appropriated from the tax levy from the current year for the payment of professional services and expenses incurred by said committee in conducting said survey. Yes, 491; No, 617. This motion was NOT carried.

Article 4. It was moved and seconded that the Town raise and appropriate the sum of \$100,000.00 for the purpose of acquiring by purchase, or by gift, or by taking by right of eminent domain under provisions of Chapter 79 of the General Laws, for school purposes, the following described parcels of land in Stoneham as appears on plan of George E. Hayes, Registered Surveyor, dated February 3, 1964, to be recorded (Eight (8) parcels as described in warrant), and that to meet this appropriation the sum of \$10,000.00 shall be included in the 1964 tax levy, and the Town Treasurer, with the approval of the Selectmen, is authorized to issue \$90,000.00 of bonds or notes of the Town under Chapter 44 of the General Laws, as amended,

or Chapter 645 of the Acts of 1948, as amended, or in any combination under both such authorities. Yes, 526; No, 455. This motion was NOT carried, having failed to receive the necessary two-thirds vote.

It was moved and seconded to reconsider the vote taken under Article 4. Yes, 482; No, 521. This motion was NOT carried, having failed to receive the necessary two-thirds vote.

VOTED to adjourn to meet in Town Hall on Monday, June 1, 1964 at 8 o'clock in the evening. Yes, 403; No, 383.

Adjourned Special Town Meeting, June 1, 1964

Agreeable to the warrant signed by the Selectmen on May 5, 1964, and in accordance with the vote of adjournment at the special Town Meeting held on May 25, 1964, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, June 1, 1964 at 8 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall and the check lists showed that nine hundred and fifty (950) voters attended the meeting.

The meeting was called to order by the Selectmen and the warrant read.

Article 5. VOTED that the subject matter of this article be indefinitely postponed.

Article 6. VOTED that the subject matter of this article be indefinitely postponed.

Article 7. VOTED that the subject matter of this article be indefinitely postponed.

Article 8. VOTED that the subject matter of this article be indefinitely postponed.

Article 9. VOTED that the subject matter of this article be indefinitely postponed.

Article 10. VOTED that the Town rescind the unissued balance of a loan authorized under Article 1 of the warrant for a special Town Meeting held on November 26, 1962 in the

amount of \$100,000.00 for constructing and equipping an addition to the Stoneham High School Building, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town. UNANIMOUS.

Article 11. It was moved and seconded that the subject matter of this article be indefinitely postponed. This motion was NOT carried. Yes, 331; No, 532.

It was moved and seconded that the Town rescind the vote of the special Town Meeting of November 18, 1959, known as Article 2, which reads as follows: "Voted that the Town of Stoneham does determine that there exists in the Town of Stoneham the need for an Urban Renewal Program or Programs, in accordance with provisions of Section 26XX of Chapter 121 of the General Laws" for the reason that upon investigation and reconsideration the need for the Redevelopment Authority in the Town of Stoneham is not present, and that action by the Stoneham Redevelopment Authority in accordance with General Laws, Chapter 121, Section 26XX will serve no useful purpose, and further that the Stoneham Redevelopment Authority, organized under the provisions of General Laws, Chapter 121, be and are hereby instructed to take such action consistent with the law to effectuate the dissolution of the said Authority. Yes, 544; No, 310. This motion was NOT carried, having failed to receive the necessary two-thirds vote.

Article 12. VOTED that the Town accept as a public town way Gorham Avenue from Main Street easterly to Fairview Road, as laid out by the Board of Survey on May 12, 1936, raise and appropriate the sum of \$3,900.00 from the revenue of the current year to pave the above described way under the law relating to the assessment of betterments, and authorize the Selectmen or the Board of Public Works to obtain easements for the purpose of enabling the Town to enter upon private land where necessary.

VOTED to adjourn.

All the foregoing truly entered.

WINTHROP A. McCARTHY, Town Clerk

WARRANT FOR STATE PRIMARY

To either of the Constables of the Town of Stoneham,
County of Middlesex, Commonwealth of Massachusetts,
GREETING:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said Town who are qualified to vote in Primaries to meet in Town Hall on Thursday, September 10, 1964 at 12 o'clock noon, for the following purposes: To bring in their votes to the Primary Officers for the nomination of candidates of political parties for the following offices: Senator in Congress for this Commonwealth, Governor for this Commonwealth, Lieutenant Governor for this Commonwealth, Attorney General for this Commonwealth, Secretary for this Commonwealth, Treasurer and Receiver-General for this Commonwealth, Auditor for this Commonwealth, Representative in Congress for the 5th Congressional District, Councillor for the 6th Councillor District, Senator for the 7th Middlesex Senatorial District, Two (2) Representatives in the General Court for the 22nd Middlesex Representative District, Clerk of Courts for Middlesex County, Register of Deeds for Middlesex Southern District and two (2) County Commissioners for Middlesex County.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given unto our hands this twenty-fifth day of August, A.D., 1964.

FURIO BRACCIOTTI
DONALD J. MORRISON
JOSEPH W. FALLON
EDMUND J. MOREIRA

Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the said Primaries by posting duly attested copies of the said warrant in at least ten (10) public places on August 28, 1964, and by publishing duly attested copies of the said warrant in the Stoneham Independent and the Stoneham Press on September 3, 1964.

ROBERT E. MOREIRA
Constable of Stoneham

State Primary, September 10, 1964

Agreeable to the warrant signed by the Selectmen on August 25, 1964, the inhabitants of the Town of Stoneham qualified to vote in Primaries met in Town Hall on Thursday, September 10, 1964 at 12 o'clock noon.

Elections officers appointed by the Selectmen in accordance with provisions of law were sworn by the Town Clerk and assigned to duty at the polling place.

At 8 o'clock in the evening the polls were declared closed at which time ballot box No. 1 registered 1248 and ballot box No. 2 registered 1188. The check lists at the entrance had the names of 2436 voters having received ballots, of which 604 were Republican and 1832 were Democratic. The number of ballots taken from the ballot boxes, and counted by the Warden and Clerk, was 2436 of which 604 were Republican and 1832 Democratic.

All the ballots having been sorted and counted, the tally sheets signed by the counters, the blocks of ballots sealed, the total tally sheet proved and signed in accordance with law, declaration of the same was made as follows:

WINTHROP A. MCCARTHY, Town Clerk

WARRANT FOR SPECIAL TOWN MEETING OCTOBER 7, 1964

To either of the Constables of the Town of Stoneham in the
County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on Wednesday, October 7, 1964 at 8 o'clock in the evening to act on the following articles of this warrant:

ARTICLE 1. To see if the town will vote to appropriate a sum of money for acquiring land and for constructing, originally equipping and furnishing a new junior high school and determine whether such appropriation shall be raised by transfer from available funds, by borrowing, or by any combination of those methods; or take any other action in relation to the project.

Stoneham School Survey Committee

ARTICLE 2. To see if the town will vote to appropriate a sum of money or to allocate a portion of any appropriation that may be made under Article 1 above in order to acquire by purchase or by taking by eminent domain for school purposes the following described parcels of land in Stoneham as shown on the plan of George E. Hayes, Reg. Surveyor, dated February 3, 1964:

Parcel 1. Land, now or formerly of Philip Weiss Trust comprising about 6.75 acres being bounded and described as follows: northerly by lands now or formerly of Marks, Paicos, Weiss Trust and Coffin about 535 feet; Easterly and Southeasterly by land now or formerly of Campbell, Weiss Trust, Minghella, Durgin, Nelles, Town of Stoneham and Peacock

about 1,119 feet; Southwesterly and Westerly by lands now or formerly of Laura Realty Trust, Carroll, O'Grady, Pitkerwich and Cody about 1,000 feet.

Parcel 2. Land, together with the buildings thereon, now or formerly of Melvina Pitkerwich comprising about 6.3 acres being bounded and described as follows: Northerly by lands now or formerly of Burke, Wentzell, Aruda and Cody about 682 feet; Easterly by land now or formerly of Philip Weiss Trust about 350 feet; Southerly by land now or formerly of James A. O'Grady, Jr., Et Als. 652.60 feet; Westerly by land now or formerly of O'Grady and land of Burke about 466 feet.

Parcel 3. Land, now or formerly of James A. O'Grady, Jr. Et Als. comprising about 9.8 acres being bounded and described as follows: Northerly by land now or formerly of O'Grady and land of Burke about 726 feet; Easterly by land now or formerly of Melvina Pitkerwich 97.80 feet; Northerly by land now or formerly of Melvina Pitkerwich 652.60 feet; Easterly by land now or formerly of Philip Weiss Trust 221.75 feet; Southeasterly by land now or formerly of John R. & Nora M. Carroll 344.18 feet; Southerly by land now or formerly of George P. & Mary N. Downes 348.86 feet; Westerly by land now or formerly of Clark A. Richardson 317.76 feet; Southerly by land now or formerly of Clark A. Richardson 804.38 feet; Westerly by land now or formerly of Rouillard and land of Masotta 242.66 feet.

Parcel 4. Land, now or formerly of Clark A. Richardson comprising about 8.5 acres being bounded and described as follows: Northerly by land now or formerly of James A. O'Grady, Jr. Et Al. 804.38 feet; Easterly by land now or formerly of James A. O'Grady, Jr. Et Als. 317.76 feet; Southerly by land now or formerly of George P. & Mary N. Downes about 91 feet; Easterly by land now or formerly of said Downes about 155 feet; Southerly by land now or formerly of Avellino and land now or formerly of Spadafora about 715 feet; Westerly by land now or formerly of Mitchell and land now or formerly of Palermo about 480 feet.

Parcel 5. Land, now or formerly of George P. Downes and Mary N. Downes comprising about 2.0 acres being bounded and described as follows: Northerly by land now or formerly of Richardson and land now or formerly of O'Grady about 440 feet; Easterly by land now or formerly of O'Grady about 125 feet; Southeasterly and Southwesterly by land now or formerly of Laura Realty Trust about 370 feet; Southwesterly by land

now or formerly of Avellino about 172 feet; Westerly by land now or formerly of Richardson about 155 feet.

Parcel 6. Land, now or formerly of James A. O'Grady, Jr. Et Als. comprising about 0.4 acres being bounded and described as follows: Northerly by land now or formerly of Carroll about 320 feet; Southeasterly by land now or formerly of Laura Realty Trust about 295 feet; Southwesterly by land now or formerly of Downes about 125 feet.

Parcel 7. Land, now or formerly of John R. Carroll and Nora M. Carroll comprising about 0.8 acres being bounded and described as follows: Northwesterly by land now or formerly of O'Grady about 344 feet; Easterly by land now or formerly of Weiss Trust about 230 feet; Southerly by land now or formerly of O'Grady about 320 feet.

Parcel 8. Land, together with the buildings thereon, now or formerly of Ellen Cody comprising about 1 acre being bounded and described as follows: Northerly by land now or formerly of the Inhabitants of the Town of Stoneham about 158½ feet; Easterly by land now or formerly of Marks and land now or formerly of Weiss Trust about 255 feet; Southerly by land now or formerly of Pitkerwich about 209 feet; Westerly by land now or formerly of Aruda, Finnegan and Newhook about 243 feet.

The above parcels being an area of land bounded and described as follows: Easterly by land of Marks about 225 feet; Northerly by lands of Marks, Paicos, Weiss Trust and Coffin about 535 feet; Easterly and Southeasterly by lands of Campbell, Weiss Trust, Minghella, Durgin, Nelles, Town of Stoneham and Peacock about 1,119 feet; Southwesterly by land of Laura Realty Trust about 169 feet; Southeasterly by land of Laura Realty Trust about 572 feet; Southerly by lands of Laura Realty Trust, Avellino and Spadafora about 980 feet; Westerly by lands of Mitchell, Palermo, Rouillard and Masotta about 723 feet; Northerly by lands of O'Grady and Burke about 726 feet; Westerly by land of Burke about 368 feet; Northerly by lands of Burke, Wentzell and Aruda about 473 feet; Westerly by lands of Aruda, Finnegan and Newhook about 243 feet; Northerly by land of the Town of Stoneham 158.5 feet; comprising about 35.5 acres as shown on a plan of George E. Hayes, Reg. Surveyor, dated February 3, 1964 and determine whether any appropriation for this purpose shall be raised by transfer from available funds, by borrowing, or by any combination of

those methods; or take any other action in relation to the acquisition of such land.

Stoneham School Survey Committee

ARTICLE 3. To see if the town will vote to transfer the care, custody, management and control of the following described parcel of land to the Stoneham School Committee for school purposes or take any other action in relation to the transfer of such land. Land now or formerly of the Inhabitants of the Town of Stoneham comprising about 1 acre being bounded and described as follows: Northerly by Franklin Street about 131 feet; Easterly by a passageway 10'-2" wide (Franklin Place) about 230 feet; Southerly by lands now or formerly of Cody and Newhook about 279 feet; Westerly by Emerald Court about 91 feet; Northerly by lands now or formerly of Shaw and Halpin about 145 feet; Westerly by land now or formerly of Halpin about 169 feet.

Stoneham School Survey Committee

ARTICLE 4. To see if the Town will vote to instruct the Finance and Advisory Board to make a survey of the Town's present and future school housing needs, authorize the Finance and Advisory Board to employ professional consultants for this purpose, raise and appropriate any sum or sums necessary by transfer from available funds, or do anything in relation thereto.

Finance and Advisory Board

ARTICLE 5. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Residence "B" District as heretofore defined and set forth, so as to include in the Residence "B" District the following described area adjacent thereto, to wit: Beginning at a point on the boundary line of land now or formerly of Joseph A. Tremblay and Katherine L. Tremblay and land of Nora T. Mosley which point is 100 feet Southerly from a point on Marble Street at the intersection of land now or formerly of Harry E. Janvrin and Nora T. Mosley; thence the line runs in a westerly direction in a curve along the southerly bound of land of Nora T. Mosley presently zoned as Residence "B" District a distance of 425 feet, more or less to the boundary line between land of Nora T. Mosley and land of the Commonwealth of Massachusetts; thence the line turns and runs along said boundary line southeasterly 655 feet,

more or less, to a point on said boundary line; thence the line turns and runs easterly a distance of 115 feet, more or less, to the southwesterly corner of land now or formerly of Herman V. and Marion E. LaMark; thence the line turns and runs northerly along land now or formerly of Herman V. and Marion E. LaMark, Carl N. and Margaret C. Smith, Summer O. and Ingrid Richardson, Leo E. and Caroline H. Paquette, William F. and Winifred T. McDonough, Edward and Catherine F. Tibbetts, Kenneth F. and Alice G. McLellan, John F. and Helen E. Mullen and Joseph A. and Katherine L. Tremblay a distance of 617.19 feet, more or less, to the point of beginning.

Nora T. Mosley

ARTICLE 6. To see if the Town will vote to accept as public town ways the following ways: (1) Hillside Road, from Atwood Avenue westerly, southerly and westerly to end; (2) Glen Road, from Hillside Road northerly to Maple Street.

Residents of Streets

ARTICLE 7. To see if the Town wil vote to raise and appropriate a sum of money to pave any and/or all of the public ways accepted under Article 6 of this warrant, under the laws relating to the assessment of betterments, that the Board of Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, determine in what manner the said appropriation shall be raised, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Residents of Streets

ARTICLE 8. To see if the Town will vote to acquire, by purchase or by taking under provisions of Chapter 79, G.L., and any amendments thereto, by eminent domain, or otherwise, land for sewer easement purposes owned now or formerly by Mary Gilda Marques, bounded and described as follows: Beginning at a point on the westerly lot line of land of now or formerly Mary Gilda Marques, said point being 159.59 feet from the south side of Spring Street; thence the line runs South $87^{\circ} 10' 16''$ East 175.82 feet to a point in the westerly lot line of land now or formerly of Grace E. Dow; thence the line runs along said lot line South $3^{\circ} 24' 55''$ West 15.00 feet to a point; thence the line runs North $87^{\circ} 10' 16''$ West 175.78 feet to a point on the aforementioned westerly sideline of land of

now or formerly Marques; thence the line runs North 1° 31' 25" East 15.00 feet to the point of beginning, the area taken for sewer easement purposes is 2637 square feet more or less, all according to Plan of 15 Foot Sewer Easement off Spring Street, Stoneham, Mass., dated October 4, 1963, by M. J. Markham, C.E., raise and appropriate a sum of money therefor, by transfer from available funds or otherwise, or do anything in relation thereto.

Edward F. Gay, Jr. and Residents of Vinton Court

And you are directed to have one thousand five hundred (1500) copies of this warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given unto our hands this twenty-second day of September in the year of our Lord one thousand nine hundred and sixty-four.

Fred A. Schneider
Furio Bracciotti
Edmund J. Moreira
Donald J. Morrison
Joseph W. Fallon

Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies of the said warrant in at least ten (10) public places in the Town on September 29, 1964 and by publishing duly attested copies of the said warrant in The Stoneham Independent and The Stoneham Press on October 1, 1964.

Robert E. Moreira
Constable of Stoneham

Special Town Meeting, October 7, 1964

Agreeable to the warrant signed by the Selectmen on September 2, 1964, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Wednesday, October 7, 1964 at 8 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall and the check lists showed that one thousand one hundred and ninety-five (1195) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 1. It was moved and seconded that the subject matter of this article be indefinitely postponed. This motion was NOT carried.

VOTED that the Town appropriate the sum of \$2,850,000.00 for acquiring land and for constructing, originally equipping and furnishing a new Junior High School; that to raise this appropriation the Treasurer, with the approval of the Selectmen, is authorized to issue \$2,850,000.00 bonds or notes of the Town under Chapter 645 of the Acts of 1948 as amended; and that the Moderator shall appoint a Stoneham Junior High School Building Committee of seven members, of whom at least one shall be a member of the Stoneham School Survey Committee and of whom at least one other shall be a member of the Stoneham School Committee, which shall have all the powers necessary to carry out the project. Yes, 814; No, 251.

It was moved and seconded that Article 1 be reconsidered. This motion was NOT carried.

Article 2. VOTED that the Town allocate \$100,000.00 of the sum appropriated by the vote under Article 1 of the warrant for this meeting for acquiring by purchase or by taking by right of eminent domain for school purposes the following described parcels of land in Stoneham as shown on the plan of George E. Hayes, Reg. Surveyor, dated February 3, 1964:

Parcel 1. Land, now or formerly of Philip Weiss Trust comprising about 6.75 acres being bounded and described as follows: Northerly by lands now or formerly of Marks, Paicos, Weiss Trust and Coffin about 535 feet; Easterly and Southeasterly by land now or formerly of Campbell, Weiss Trust, Minghella, Durgin, Nelles, Town of Stoneham and Peacock

about 1,119 feet; Southwesterly and Westerly by lands now or formerly of Laura Realty Trust, Carroll, O'Grady, Pitkerwich and Cody about 1,000 feet.

Parcel 2. Land, together with the buildings thereon, now or formerly of Melvina Pitkerwich comprising about 6.3 acres being bounded and described as follows: Northerly by lands now or formerly of Burke, Wentzell, Aruda and Cody about 682 feet; Easterly by land now or formerly of Philip Weiss Trust about 350 feet; Southerly by land now or formerly of James A. O'Grady, Jr., Et. Als. 652.60 feet; Westerly by land now or formerly of O'Grady and land of Burke about 466 feet.

Parcel 3. Land, now or formerly of James A. O'Grady, Jr. Et. Als. comprising about 9.8 acres being bounded and described as follows: Northerly by land now or formerly of O'Grady and land of Burke about 726 feet; Easterly by land now or formerly of Melvina Pitkerwich 97.80 feet; Northerly by land now or formerly of Melvina Pitkerwich 652.60 feet; Easterly by land now or formerly of Philip Weiss Trust 21.75 feet; Southeasterly by land now or formerly of John R. & Nora M. Carroll 344.18 feet; Southerly by land now or formerly of George P. & Mary N. Downes 348.86 feet; Westerly by land now or formerly of Clark A. Richardson 317.76 feet; Southerly by land now or formerly of Clark A. Richardson 804.38 feet; Westerly by land now or formerly of Rouillard and land of Masotta 242.66 feet.

Parcel 4. Land, now or formerly of Clark A. Richardson comprising about 8.5 acres being bounded and described as follows: Northerly by land now or formerly of James A. O'Grady, Jr. Et. Al. 804.38 feet; Easterly by land now or formerly of James A. O'Grady, Jr. Et. Als. 317.76 feet; Southerly by land now or formerly of George P. & Mary N. Downes about 91 feet; Easterly by land now or formerly of said Downes about 155 feet; Southerly by land now or formerly of Avellino and land now or formerly of Spadafora about 715 feet; Westerly by land now or formerly of Mitchell and land now or formerly of Palermo about 480 feet.

Parcel 5. Land, now or formerly, of George P. Downes and Mary N. Downes comprising about 2.0 acres being bounded and described as follows: Northerly by land now or formerly of Richardson and land now or formerly of O'Grady about 440 feet; Easterly by land now or formerly of O'Grady about 125 feet; Southeasterly and Southwesterly by land now or formerly of Laura Realty Trust about 370 feet; Southwesterly by land

now or formerly of Avellino about 172 feet; Westerly by land now or formerly of Richardson about 155 feet.

Parcel 6. Land, now or formerly of James A. O'Grady, Jr. Et. Als. comprising about 0.4 acres being bounded and described as follows; Northerly by land now or formerly of Carroll about 320 feet; Southeasterly by land now or formerly of Laura Realty Trust about 295 feet; Southwesterly by land now or formerly of Downes about 125 feet.

Parcel 7. Land, now or formerly, of John R. Carroll and Nora M. Carroll comprising about 0.8 acres being bounded and described as follows: Northwesterly by land now or formerly of O'Grady about 344 feet; Easterly by land now or formerly of Weiss Trust about 230 feet; Southerly by land now or formerly of O'Grady about 320 feet.

Parcel 8. Land, together with the buildings thereon, now or formerly of Ellen Cody comprising about 1 acre being bounded and described as follows: Northerly by land now or formerly of the Inhabitants of the Town of Stoneham about 152½ feet; Easterly by land now or formerly of Marks and land now or formerly of Weiss Trust about 255 feet; Southerly by land now or formerly of Pitkewich about 209 feet; Westerly by land now or formerly of Aruda, Finnegan and Newhook about 243 feet.

The above parcels being an area of land bounded and described as follows: Easterly by land of Marks about 225 feet; Northerly by lands of Marks, Paicos, Weiss Trust and Coffin about 535 feet; Easterly and Southeasterly by lands of Campbell, Weiss Trust, Minghella, Durgin, Nelles, Town of Stoneham and Peacock about 1,119 feet; Southwesterly by land of Laura Realty Trust about 169 feet; Southeasterly by land of Laura Realty Trust about 572 feet; Southerly by lands of Laura Realty Trust, Avellino and Spadafora about 980 feet; Westerly by lands of Mitchell, Palermo, Rouillard and Masotta about 723 feet; Northerly by lands of O'Grady and Burke about 726 feet; Westerly by land of Burke about 368 feet; Northerly by lands of Burke, Wentzell and Aruda about 473 feet; Westerly by lands of Aruda, Finnegan and Newhook about 244 feet; Northerly by land of the Town of Stoneham 158.5 feet; comprising about 35.5 acres as shown on a plan by George E. Hayes, Reg. Surveyor, dated February 3, 1964, and that the Selectmen be authorized to acquire said land accordingly. Yes, 733; No, 57.

It was moved and seconded that Article 2 be reconsidered. This motion was NOT carried.

Article 3. VOTED that the Town assign the following described parcel of land owned property for school purposes: Land, now or formerly, of the inhabitants of the Town of Stoneham comprising about one (1) acre being bounded and described as follows: Northerly by Franklin Street about 131 feet; Easterly by a passageway 10'-12" wide (Franklin Place) about 230 feet; Southerly by lands now or formerly of Cody and Newhook about 279 feet; Westerly by Emerald Court about 91 feet; Northerly by lands now or formerly of Shaw and Halpin about 145 feet; Westerly by land now or formerly of Halpin about 169 feet.

Article 4. VOTED that the subject matter of this article be indefinitely postponed.

Article 5. VOTED to amend the Zoning By-law by adding to the present limits of the Residence "B" District as heretofore defined and set forth, so as to include in the Residence "B" District the following described area adjacent thereto, to wit: Beginning at a point on the boundary line of land now or formerly of Joseph A. Tremblay and Katherine L. Tremblay and land of Nora T. Mosley which point is 100 feet southerly from a point on Marble Street at the intersection of land now or formerly of Harry E. Janvrin and Nora T. Mosley; thence the line runs in a westerly direction in a curve along the southerly bound of land of Nora T. Mosley presently zoned as Residence "B" District a distance of 425 feet, more or less, to the boundary line between land of Nora T. Mosley and land of the Commonwealth of Massachusetts; thence the line turns and runs along said boundary line southeasterly 655 feet; more or less, to a point on said boundary line; thence the line turns and runs easterly a distance of 115 feet, more or less, to the southwesterly corner of land now or formerly of Herman V. and Marion E. LaMark; thence the line turns and runs Northerly along land now or formerly of Herman V. and Marion E. LaMark, Carl N. and Margaret C. Smith, Sumner O. and Ingrid Richardson, Leo E. and Caroline H. Paquette, William F. and Winifred T. McDonough, Edward and Catherine F. Tibbetts, Kenneth F. and Alice G. McLellan, John F. and Helen E. Mullen and Joseph A. and Katherine L. Tremblay a distance of 671.19 feet, more or less, to the point of beginning. Yes, 235; No, 73.

Article 6. VOTED that the subject matter of this article be indefinitely postponed.

Article 7. VOTED that the subject matter of this article be indefinitely postponed.

Article 8. VOTED that the Town acquire by purchase or by taking under provisions of Chapter 79, G.L., and any amendments thereto, by eminent domain, or otherwise, land for sewer easement purposes owned now or formerly by Mary Gilda Marques, bounded and described as follows: Beginning at a point on the westerly lot line of land of now or formerly Mary Gilda Marques, said point being 159.59 feet from the south side of Spring Street; thence the line runs South 87°-10'-16" East 175.82 feet to a point in the westerly lot line of land now or formerly of Grace E. Dow; thence the line runs along said lot line South 3°-24'-55" West 15.00 feet to a point; thence the line runs North 87°-10'-16" West 175.78 feet to a point on the aforementioned westerly side line of land now or formerly Marques; thence the line runs North 1°-31'-25" East 15.00 feet to the point of beginning, the area taken for sewer easement purposes is 2637 square feet, more or less, all according to Plan of 15-Foot Sewer Easement off Spring Street, Stoneham, Mass., dated October 4, 1963, by M. J. Markham, C.E., raise and appropriate the sum of \$1.00 therefor by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town. UNANIMOUS.

VOTED to adjourn.

All the foregoing truly entered.

WINTHROP A. MCCARTHY, Town Clerk

WARRANT FOR BIENNIAL STATE ELECTION

The Commonwealth of Massachusetts

To either of the Constables of the Town of Stoneham

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said Town who are qualified to vote in elections to meet in Town Hall on Tuesday, the third day of November, 1964 at six o'clock in the forenoon for the following purposes:

To bring in their votes to the Election Officers for the following: Electors of President and Vice President; Senator in Congress; Governor; Lieutenant Governor; Attorney General; Secretary; Treasurer; Auditor; Congressman, 5th District; Councillor, Sixth District; Senator, 7th Middlesex District; two (2) Representatives in the General Court, twenty-second (22nd) Middlesex District; Clerk of Courts, Middlesex County; Register of Deeds, Middlesex Southern District; two (2) County Commissioners for Middlesex County and the following questions:

Question No. 1. Proposed Amendment to the Constitution.

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held March 29, 1961, received 219 votes in the affirmative and 26 in the negative, and in a joint session of the two branches held May 8, 1963, received 244 votes in the affirmative and 14 in the negative? YES, NO Summary — The proposed amendment provides that the terms of office of the Governor, Lieutenant Governor, Secretary of the Commonwealth, Treasurer and Receiver General, Attorney General and Auditor shall be four years. Executive Councillors, Senators and Representatives shall continue to serve for two years. The four-year term for constitutional officers would become effective at the time of the November election in the year 1966.

Question No. 2. Proposed Amendment to the Constitution.

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 18, 1962, received 238 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held May 8, 1963, received 246 votes in the affirmative and 2 in the negative? YES, NO. Summary — In the event that any public office, whether elective or appointive, shall become vacant as a result of enemy attack, the proposed amendment would enable the General Court to provide for prompt and temporary succession to the powers and duties of such offices, and to take steps to insure continuity of government of the Commonwealth and its political subdivisions.

Question No. 3. Proposed Amendment to the Constitution.

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the

General Court in a joint session of the two branches held March 29, 1961, received 251 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held May 8, 1963, received 252 votes in the affirmative and 3 in the negative? YES, NO. Summary — The proposed amendment provides that the credit of the Commonwealth may be given, loaned or pledged only by a two-thirds vote of each branch of the Legislature. In no event shall the credit of the Commonwealth be given or loaned to or for any individual, private association or corporation privately owned or managed.

Question No. 4. Proposed Amendment to the Constitution.

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 18, 1962, received 220 votes in the affirmative and 24 in the negative, and in a joint session of the two branches held May 8, 1963, received 258 votes in the affirmative and 1 in the negative? YES, NO. Summary — the proposal amendment authorized both the Governor and Executive Council to require opinions of the Justices of the Supreme Judicial Court on questions of law. The present requirements that the Governor and Council agree before a question may be submitted would be annulled.

Question No. 5. Law Proposed by Initiative Petition.

Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 109 in the affirmative and 109 in the negative and was disapproved in the Senate by a vote of 16 in the affirmative and 20 in the negative? YES, NO. Summary — The proposed measure provides that henceforth appointments in the executive branch of the government shall not require the advice and consent of the Governor's Council. Exceptions to this provision include appointments to the Youth Service Board, Industrial Accident Board, Commission of the Department of Public Utilities, Parole Board and Appellate Tax Board, which appointments shall continue to require Council action. However, should the Council fail to act upon such appointments within thirty calendar days, then the person involved shall be deemed to have been lawfully appointed. Any appointment in the executive branch by an officer other than the Governor which heretofore required Council approval shall henceforth require approval by the

Governor. Removals from office shall no longer require the advice and consent of the Council, except in the case of the Youth Service Board, which removals must still receive Council approval. As in the case of appointments still requiring Council approval, such recommended removal from the Youth Service Board must be acted upon by the Council within thirty calendar days; otherwise the proposed removal shall become effective as if approval had been given. In the case of any appointment which heretofore required Council approval the Governor may, within fifteen days of the making of the appointment, remove the person appointed without cause. The Council shall no longer be required to approve the fixing of any compensation for services rendered in the executive department. And henceforth there need be no approval by the Council of actions or agreements by executive officers, including but not limited to borrowings and loans, investments, leases, licenses, purchases and conveyances, and contracts, and also including the promulgation of rules and regulations. Notwithstanding the foregoing, the Governor shall at all times remain free to seek the advice and consent of the Council upon any matter.

Question No. 6. Law Submitted Upon Referendum After Passage.

Do you approve of a law summarized below, which was approved in the House of Representatives by a vote of 180 in the affirmative and 40 in the negative and was approved in the Senate by a vote of 28 in the affirmative and 5 in the negative? YES, NO. Summary — Under the Act, effective as of January 1, 1964, each member of the General Court shall receive seventy-eight hundred dollars for each regular annual session, the President of the Senate and Speaker of the House of Representatives shall each receive the same amount as additional compensation, and the floor leaders of each of the major political parties in the Senate and House, the Chairman of the Senate Committee on Ways and Means and the Chairman and Vice-Chairman of that committee of the House, shall each receive thirty-nine hundred dollars as additional compensation to be paid as provided in the Act. After the same date the annual expense allowance is to be six hundred dollars for each member and the travel allowance is to be eight cents per mile with a stated minimum and an alternative, and a member chosen to fill a vacancy or who resigns during a session is to be entitled to per diem compensation at the rate for each regular annual session and to the allowances for travel and other

expenses for the time of his membership. It is also provided that in addition to the compensation for the 1963 annual session the President of the Senate and Speaker of the House shall be paid thirty-nine hundred dollars, the floor leaders of each major political party in the Senate and House, the Chairman of the Senate Committee on Ways and Means and Chairman and Vice-Chairman of that committee of the House, shall be paid twenty-nine hundred and twenty-five dollars and each other member shall be paid nineteen hundred and fifty dollars. Each member shall also be entitled to an additional expense allowance of two hundred dollars for the calendar year 1963 and the travel allowance shall be at the rate of eight cents per mile with a stated minimum and an alternative for the balance of the calendar year 1963.

Question No. 7.

A. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages)? YES, NO.

B. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)? YES, NO.

C. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises? YES, NO.

The polls shall be closed at eight o'clock in the evening.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given unto our hands this thirteenth day of October, A.D., 1964.

Fred A. Schneider
Furio Bracciotti
Donald J. Morrison
Joseph W. Fallon
Edmund J. Moreira
Selectmen of Stoneham

Pursuant to the within warrants I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the said Election by posting duly attested copies of the warrant in at least ten (10) public places

in the Town on October 22, 1964, and by publishing duly attested copies of the said warrant in The Stoneham Independent and The Stoneham Press on October 29, 1964.

Robert E. Moreira
Constable of Stoneham

Biennial State Election, November 3, 1964

Agreeable to the warrant signed by the Selectmen on October 13, 1964, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Tuesday, November 3, 1964, at 6 o'clock in the forenoon.

Election officers, appointed by the Selectmen in accordance with provisions of law, were sworn by the Town Clerk and assigned to duty at the polling places.

At 8 o'clock in the evening the polls were declared closed at which time the check lists at the entrances had the names of 8986 voters having received ballots. The number of ballots taken from the ballot boxes, as counted by the Warden and Clerk, was 8986. Of the number of ballots cast, 8771 were cast in person, three (3) were for electors of President and Vice President only, 138 were absent ballots and 74 were war ballots.

WINTHROP A. McCARTHY, Town Clerk

WARRANT FOR SPECIAL TOWN MEETING

December 8, 1964

To either of the Constables of the Town of Stoneham in the County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on Tuesday, December 8, 1964 at 8 o'clock in the evening to act on the following articles of this warrant:

ARTICLE 1. To see if the Town will authorize the Selectmen to execute, on behalf of the town, a "Cooperation Agreement" between the town and the Stoneham Redevelopment Authority, providing for the cooperation required by the Urban Renewal Administration of the Housing and Home Finance Agency of the United States with respect to the Urban Renewal Project for the Central Square Urban Renewal Area, Project No. Mass. R-73 in the Town of Stoneham; said agreement containing provisions with respect to making local grants in aid, constructing public improvements, conveying town-owned land to the extent required, vacating certain streets, altering and widening certain streets, improving certain streets, crediting the town for the cost of certain of the foregoing, and other forms

of cooperation; copies of a draft of which proposed agreement are on file in the Office of the Selectmen, the Stoneham Redevelopment Authority and the Town Clerk, or will take any other action with respect to.

Stoneham Redevelopment Authority

ARTICLE 2. To see if the town, pursuant to the provisions of Section 26CC of the Housing Authority Law contained in Chapter 121 of the General Laws (Ter. Ed.) as most recently amended, will appropriate a sum of money for the purpose of defraying such part of the development, acquisition and operating costs of the Central Square Urban Redevelopment Project No. Mass. R-73 in the Town of Stoneham, Massachusetts, as will not be met by definitive loans, contributions or grants from the Federal Government, and will authorize the treasurer, with the approval of the Selectmen and the Emergency Finance Board, to borrow the whole or any part of the same.

Stoneham Redevelopment Authority

ARTICLE 3. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan" by adding under Section 13 subsection (e) the following:

(7) Housing Inspector. General description of duties. To carry out the duties required under the Commonwealth of Massachusetts Department of Public Health, "Sanitary Code" Article 1 and Article 2 Minimum Standards for Human Habitation, adopted by the Massachusetts Department of Public Health on September 13, 1960 in accordance with the provisions of Section 5 of Chapter 111 of the General Laws as amended by Chapter 522 of the Acts of 1959, and by Chapter 172 of the Acts of 1960 in accordance with the procedure required by Chapter 30A of the General Laws, and after a public hearing held on May 20, 1960. Filed with the Secretary of State on September 30, 1960, and by amending the existing "Salary Schedule" by adding the following:

	Min.	1	Max.	Incr.
Housing Inspector	\$5,500.	\$5,800.	\$6,100.	\$300.

Stoneham Redevelopment Authority

And you are directed to have one thousand two hundred copies of this warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the

Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given unto our hands this seventeenth day of November in the year of our Lord one thousand nine hundred and sixty-four.

FRED A. SCHNEIDER
FURIO BRACCIOTTI
EDMUND J. MOREIRA
DONALD J. MORRISON
JOSEPH W. FALLON

Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies of the said warrant in at least ten (10) public places in the Town on November 23, 1964, and by causing duly attested copies of the said warrant to be published in The Stoneham Press and The Stoneham Independent on November 25, 1964.

ROBERT E. MOREIRA
Constable of Stoneham

Special Town Meeting, December 8, 1964

Agreeable to the warrant signed by the Selectmen on November 16, 1964, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Tuesday, December 8, 1964 at 8 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall and the check lists showed that one thousand eight hundred and fifty-one voters (1851) attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 1. It was moved and seconded that the subject matter of this article be indefinitely postponed. This motion was NOT carried.

It was moved and seconded that the Town authorize the Selectmen to execute on behalf of the Town, a Cooperation Agreement between the Town and the Stoneham Redevelopment Authority providing for the cooperation required by the Urban Renewal Administration of the Housing and Home Finance Agency of the United States with respect to the Urban Renewal Project for the Central Square Urban Renewal Area, Project No. Mass. R-73 in the Town; said agreement containing provisions with respect to making local grants in aid, conveying town owned land to the extent required, vacating certain streets and other forms of cooperation. Such agreement is to be substantially in the form of the draft of proposed agreement on file at the office of the Town Clerk and Stoneham Redevelopment Authority prior to the meeting, but the Selectmen are authorized to make such corrective and clarifying changes, or other changes required by said Urban Renewal Administration, as they consider necessary or desirable. This motion was NOT carried. Yes, 465; No, 1220.

Article 3. It was moved and seconded that the subject matter of this article be indefinitely postponed. This motion was NOT carried.

It was moved and seconded that \$535,000.00 be appropriated for the purpose of defraying such part of the development, acquisition and operating costs of the Central Square Urban Renewal Project, No. Mass. R-73 in the Town as will not be met by definitive loans, contributions or grants from the Federal Government, and that to meet such appropriation the Treasurer, with the approval of the Selectmen and Emergency Finance Board, be authorized to borrow \$535,000.00 under Section 26CC of Chapter 121 of the General Laws as amended and to issue bonds or notes of the Town therefor. The Moderator declared that this motion was NOT carried.

Article 3. VOTED that the subject matter of this article be indefinitely postponed.

Voted to adjourn at 11:10 P.M.

All the foregoing truly entered.

WINTHROP A. MCCARTHY, Town Clerk

REPORT OF TOWN COUNSEL

Due to the excellent assistance of the Town's several departments, its officials, committees and boards, this office has again operated reasonably successfully with a minimum of expense to the Town in processing, pursuing and defending many claims and violations both in and out of court during 1964.

Rather than waste space with a boring list of the Town's favorable court decisions and recoveries (and the other kind) I would respectfully indulge your interest in what I consider an urgent need of the Town for the benefit of its citizens in having available an up-to-date set of Town By-Laws for convenient reference.

The last time this was done was in January of 1948. Obviously many deletions and amendments have been adopted since that time.

As it is now, when a By-Law must be referred to, one must first look in the present 1948 publication, (Blue Book) and then examine singly every Annual Town Report to date to double check on any subsequent deletions or amendments.

Some relief was received with regard to our Zoning-By-Laws which last were published in 1956, (Green Book). Even that publication should be brought up-to-date in my opinion.

Several years ago a Committee was appointed at one of our Annual Town Meetings to study this situation and bring the By-Laws up-to-date. An appropriation was also made to defray expenses, and I understand that this fund is still substantially intact.

The Committee met on many time consuming occasions and after thoroughly researching the matter, discovered that it was a tremendously fastidious and exacting project. Certain inquiries were made with regard to the possibility of having outside consultants or experts assist the Town. I am informed that there are firms that do this kind of work for Municipalities.

In closing, therefore, may I urge the citizens of the Town to support any Article in the Current Town Warrant which would enable the Town to hire such a firm and bring our By-Laws up-to-date. Whatever funds are left from the prior Committee could be used toward that end.

FRANK M. GEREMONTE

Town Counsel

ANNUAL REPORT
OF THE
PUBLIC SCHOOLS
OF THE
TOWN OF STONEHAM
MASSACHUSETTS
1964

A Democracy operates free public schools and passes compulsory attendance laws, not through a sense of charity, but because it realizes that education is the only means it has of perpetuating itself and promoting its own interests.

ANNUAL REPORT OF THE SCHOOL DEPARTMENT

We believe that this report prepared from material from the various school principals, supervisors and others will help parents of school children and other citizens of the town to be better informed about the school system.

From our vantage point we must report and comment not only on our accomplishments but also on our hopes, aspirations and plans for continued progress of our schools.

One of the main goals of any school system is to develop and train its students to become good citizens imbued with an understanding and respect for a representative form of government. This requires that the students be equally informed of their responsibilities as well as of their privileges and rights in a democracy. In this matter we well recall the words of Jefferson that "If a nation expects to be ignorant and free, it expects what never was and never will be."

There are some definite twentieth century challenges facing us now which will continue to present serious obstacles and problems to our students as they enter adulthood. Solutions to these problems may come slowly and only partially, but our students must be prepared to face up to these problems.

To face up to these problems, we need to develop students who are prepared academically and emotionally to don the mantle of responsibility. In school we attempt to inculcate a sense of responsibility by striving for desirable and realistic levels of academic achievement, proper behavior and general good citizenship.

We must educate our children not only for the local community but for the national and the international community.

ENROLLMENT

The enrollment in the Stoneham Public Schools, based on the official figures of October 1, 1964, was 3821, divided into these categories: Elementary, 1938; Junior High School, 620; High School, 1263. This enrollment represents an increase of 198 pupils or 5.4% during the past year.

STAFF

Our instructional staff includes 167 teachers, 5 principals, 6 supervisors and directors, with an increase of seven to eight

teachers each year to cope with the increasing enrollment of pupils.

Our elementary schools are staffed primarily with women but we do attempt to have one or two good male teachers who can exert wholesome influence on pupils, especially boys.

The Junior High School and High School staffs are composed of a fairly even distribution of men and women teachers. There has been a doubling in the number of teachers with masters' degrees during the past four years. At present there are sixty-four teachers with masters' degrees. This works to the advantage of the school system because when a teacher expends the extra time and money to obtain graduate degrees it is more likely that the teacher will plan to become a career teacher or at least give more years of service and not be attracted by other professions. The Stoneham School Department no longer hires non-degree teachers.

Realizing that a good school system must have good teachers who remain and give dedicated work, we are pleased to report that we have eleven of our teachers who have given twenty-five years or more service in Stoneham. Three have given twenty to twenty-four years of service to the community. Ten have fifteen to nineteen years of experience and approximately fifteen have ten to fifteen years of teaching experience in Stoneham. This experience, plus the experience of those who had prior years experience elsewhere, gives us a desirable stability of staff.

The turnover rate for teachers in Stoneham remains around twenty per cent. Although this is high, it is typical of most of the better schools in Greater Boston. Most of the turnover is among women who leave to marry or raise families.

We continue to recruit our staff from many of the best colleges and universities in the country. Of the forty-three new teachers, thirty-three had previous experience. Of the ten inexperienced teachers, two had masters' degrees. Thirteen of our new teachers had masters' degrees.

Thoroughly cognizant and convinced that mediocrity of teachers tends to develop mediocrity in students, we are determined that mediocre teachers will not be recommended for employment and if by chance mediocrity develops, the teacher will not be retained.

We are pleased to report that the new Subsidized Summer School Tuition Plan to encourage teachers to take more pro-

fessional improvement courses has been successful. Thirteen teachers availed themselves of the opportunity and studied at such colleges and universities as Boston College, Harvard University, Tufts University, University of California at Los Angeles, University of New Hampshire, and Wesleyan College. The plan also encourages summer study rather than night courses, thus improving both the quality of the training and the effectiveness of the teacher during the school year.

INSTRUCTION

Specific achievements are found in the reports of the respective schools. A few are listed here simply as an overview.

In addition to innovations and courses, we cite continued progress on our courses of study which have been in demand by schools and colleges throughout the country.

The language department enrollment continues to increase. The addition of Spanish broadens our language offering from two to three. Language instruction is improved by the new language laboratories at both the Junior High and the High School. These may also be used in certain phases of teaching English where enunciation is being stressed.

The science department has been upgraded in instruction, equipment, and facilities. The addition of advanced chemistry and advanced biology and the new type course in physics (P.S.S.C.) are especially notable. The course in physical science for seniors not interested in college has been enthusiastically received. The new type of biology (BSCS) has been introduced and it has proven to be beneficial to students. The new eleventh grade course in electronics is designed for students with post-graduate trade school plans and/or students who wish to supplement their industrial arts program by receiving a practical insight into the field of electronics.

In the area of social studies, the curriculum is presently being supplemented by courses of study in ancient history, government, and international relations. Students and school activities sponsored by this department have included Student Government Day, news-wise quiz, essay contest participation, United Pilgrimage for Youth Program, Get Out the Vote Program, Time Magazine news quiz, Interact Club, United Nations Day Assembly, and a student newspaper, recently re-activated.

Our English department continues to use a wide selection of materials to meet its dual purpose, i.e., college preparatory and general English for those not continuing their formal education. In the area of English, accomplishments have also been noteworthy. Students continue to do well on the Scholastic Aptitude and Achievement tests as well as the English Co-operative tests given in the spring. Most of our graduates who go on to college have done well in English. One reason for their progress is that greater staff stability has been realized in this department.

Our business education department continues to prepare and place in gainful employment related to their training, all of the business students who wish to terminate their formal schooling upon graduation from high school.

In the area of business education, a new course in clerical record keeping has been introduced. This course will be meaningful and useful to the students in vocational and personal business activities. The course in office practice now meets five times a week instead of three periods as in the past. In this course it is planned to introduce automation office practice. We are pleased to report that our physical needs in instruction are being well served. In addition to the many and varied business machines, it is planned to rent an IBM keypunch machine for immediate use in instruction.

The mathematics department has been keeping pace with modern developments and has been incorporating modern concepts in an integrated program. Modern concepts are treated in depth, according to group needs and abilities. The twelfth grade elective course in review mathematics has been revised to be more realistic for those taking college entrance examinations in midyear. For those with good skills, an intensive half-year review is offered, followed by an elective half-year of trigonometry. Those whose skills need greater strengthening may elect a full year of review mathematics. This department, along with the science department, continues to sponsor the Mathematic and Science Club. Staff members participate with lectures on enrichment material. A school mathematics team has participated this year in the contests of the Greater Boston Mathematics League. Mathematics students continue to achieve well in national examinations. An extensive study now in progress will lead soon to further changes and strengthening of the elementary school mathematics program.

We are happy to report the continued resurgence and improvement of our athletic and extracurricular programs which produce more enthusiasm and a better morale.

The increased number of students participating augurs well for the future of the teams and the carry-over value for the students into adult life.

Avocational subjects such as music and art continue to attract more students who wish to take at least some of these leisure-time subjects which may later help them in enjoying life, and add to their culture.

SPECIAL SERVICES AVAILABLE IN THE SCHOOLS

Residents who do not have children in school or who have been out of touch with schools for many years, or residents who have children in other schools, might be interested in knowing of some of the special services available to Stoneham students and parents.

Courses of study prepared by the staff are available for use by new teachers. These courses of study have been prepared for subjects in the elementary grades. On the junior high and high school levels, courses of study have been prepared in subjects such as Latin, English, Science, French, Social Studies, etc. These are available for inspection and study by interested residents of the town.

Listed below are some of the special services available. Some of these are more adequately discussed in other parts of this report.

- (1) Courses of Study booklets are available to parents of students or of prospective students or any interested citizens. These booklets describe the course offerings in the Stoneham secondary schools, and furnish sample course selections for pupils with various aims or goals.
- (2) The testing services, available through the guidance department, provide tests of all kinds such as vocational interest tests, prognostic tests, biognostic tests, etc.
- (3) A counseling service provides conferences on request with parents and students to discuss the student's progress and his vocation or college planning goals.

- (4) The Stoneham Schools have the services of a speech therapist who does remedial or corrective work with students with speech defects.
- (5) Developmental reading which increases the speed of readers and also tries to pinpoint major defects of poor readers is available for most students and is also available for adults in the Evening School.
- (6) French in the elementary schools is offered for all students from the fourth grade up, in conjunction with the TV program in French and also classroom review through the use of audio visual machines and a roving consultant.
- (7) Psychological service is available to all students and their parents through the co-operation of the Stoneham Public Schools with the mental health clinic sponsored by Stoneham and other neighboring towns. The clinic is located in Reading.
- (8) Language laboratories are available for use for the students for developing proficiency in language.
- (9) Accelerated classes are available in many of the Stoneham Schools. This acceleration takes various forms such as, an Enriched Science Program in the elementary schools and acceleration in arithmetic in the elementary schools. Also available are accelerated classes in mathematics and science in both the junior high and high school.
- (10) A Junior Great Books Course is available for students in the junior high school who have shown great reading ability.
- (11) A Reading for Pleasure Program which encourages outside reading by the students is in operation for all students, and is given credit in part for the great improvement in reading demonstrated by pupils on nationally standardized achievement tests.
- (12) An Individual Study Program is available at the Stoneham Junior High School for those pupils needing special attention in certain basic subject areas which have caused them to drop well below the expected performance for their grade level.

- (13) Special Classes are conducted for pupils with emotional problems and mental retardation. These classes are of two types, the trainable classes — one held in the elementary school and one in the Junior High School — are for pupils who can profit in academic areas to a somewhat limited degree but for whom school is necessary. The other special class in the elementary grades is called the educable class. This class has pupils with mental development which retards greatly the usual attainment of academic or intellectual skills. These classes are required by state law and are half supported by the state.
- (14) Home Teaching is available for children of all Stoneham residents. This instruction is offered to those with incapacitating injuries or illnesses. The teacher goes to the home of these pupils so that their education can continue until their health has been restored. In some extreme cases this home teaching is permanent throughout the child's schooling.
- (15) Summer School is offered as a self-supporting school which provides a good opportunity to strengthen the academic background of students in the basic areas and offers an opportunity to other students to proceed more rapidly by obtaining a good introduction or background for future advanced work. The Summer School provides programs in English, mathematics, developmental reading, French, business, driver training, as well as subjects in grades four, five, and six. The enrollment in the Summer School was 103 students composed of 95 residents and 8 non-residents.
- (16) The Evening School which has been greatly expanded due to the increasing demand by the adult residents of our community has attained its greatest success this year with an enrollment of over 700 students. The Evening School attempts to develop a program geared to the needs and interests of the adult population in Stoneham. These needs usually fall into two categories: (1) Obtaining more knowledge or proficiency by the student. (2) Relaxation. Courses offered this year include Americanization, developmental reading, electronics, French, Italian, Swedish, investments, machine shop, auto mechanics, blueprint reading, woodworking, mathematics, physical education for

men, physical education for women, public speaking, rughooking, rugbraiding, sewing, tailoring, shorthand, dictation, international relations, cake decorating, candy making, millinery, charcoal drawing, mechanical drawing, and home decorating. A staff of 32 teachers, using the facilities of the Stoneham High School, four evenings a week, are used for this program. The interest shown by the adult population in Stoneham in this undertaking has been most gratifying.

- (17) A scholarship service is conducted for high school seniors who plan to continue their education. Each year many scholarships totalling many thousands of dollars are received from colleges, universities, foundations, and other sources.

All of the above services are available not only to public school pupils but in many cases to private school pupils as well. In addition, some of these services are available to adults.

TRANSPORTATION

Neighborhood schools are well located but we are being constantly frustrated by safety problems resulting from a lack of sidewalks on streets approaching the schools.

This matter is of great concern to us since it becomes confused with increased requests for transportation because of safety factors instead of for distance which has long been the basis for furnishing transportation.

The regulation for transportation is now based on a distance from school of one and one-half miles for all pupils.

THE HIGH SCHOOL

The enrollment of the Stoneham High School has continued to rise. As of October 1, 1964, there is a total of 1263 students. Despite the new addition, we are 95 students over capacity but the continued use of specialized rooms such as the auditorium, cafeteria, art, home economics, mechanical drawing, music and health rooms for classrooms and study halls will enable us to squeeze by for another year. Staggered sessions are planned for 1966 to meet the overcrowding without sacrificing appreciably the amount or quality of training.

In preparing a program of studies for students, a great ef-

fort is made to have the student pick courses which best fit his needs commensurate with his aptitudes, interests, special abilities, and his future plans. Despite the enormous difficulties involved in such a program, we believe that the present method is far superior to the former rather inflexible program when students had to choose college preparatory, business or general curricula with little or no opportunity to take elective courses that interested them.

For the past few years there has been increased interest in up-dating and strengthening the college preparatory phase of our program. We have, however, a sizeable number of students who do not plan to go on to college or further their education, and the faculty recognizes the need of strengthening course and program offerings for these students to make their high school experience more practical and helpful in meeting their future needs. Therefore, we must in the next several years develop sequential courses in the fine arts (art and music), home economics and industrial arts. Not to do so would be doing an injustice to this group of students who have equal rights to a program of academic excellence.

A followup study of the class of 1964 has been conducted. There were 261 students in the class. Fifty-seven per cent of the class members are continuing their education in some type of school above high school level. Of these fifty-seven per cent, thirty per cent are attending four-year colleges, some of which are among the most selective in the country. Twenty-seven per cent are attending other schools, whereas six per cent are in the Armed Forces.

Through the aid of our placement office, many of the thirty-seven per cent who went to work after graduation, were placed in well-paying positions in industry, business and government.

Some of the colleges to which our graduates were admitted were Alfred University, Bard, Boston University, Bowdoin, Dartmouth, Delaware State College, Florida State College, University of Georgia, Hamilton College, University of Maine, University of Massachusetts, Monmouth College, University of New Hampshire, College of New Rochelle, Norwich University, Rensselaer Polytechnical Institute, Skidmore, Smith, Tufts University, United States Naval Academy, Vassar, and Wheaton. It is interesting to note that of those going to college 64% are attending college in Massachusetts, whereas 17% are attending

colleges in other New England states. Nineteen per cent are attending colleges outside of New England.

As further evidence of academic achievement, our students continue to do well in College Board Examinations, National Merit Contest, and other competitive examinations. It may be of interest to note that six of our graduates in the past five years have been admitted to Annapolis, West Point, or the Air Force Academy.

Recognition of academic achievement should receive special note again this year. A total of eight students of the Stoneham High School have been honored for their performance in the National Merit Scholarship Qualifying Test given last spring. Four were named semifinalists while four others received Letters of Commendation, signed by the Principal of the High School and the President of the National Merit Scholarship Corporation.

Our students accept and perform civic responsibilities from local to international levels through their projects which are related to social studies. Among the many of these are Student Government, Memorial Day observance, Student Exchange Day, and the recent formation of the Interact Club.

The range of extracurricular activities, academic, athletic and social, is extensive and enjoys wide participation by the students. This, we believe, is important in developing well-rounded individuals.

The appointment of Mr. John S. Huddleston as principal of the Stoneham High School augurs well for the continued progress of the school.

Mr. Huddleston has already initiated several projects which will be helpful to the school. These include the involvement of the faculty in matters of practices and procedures which concern the entire school population. To carry out this philosophy effectively, a faculty council of eighteen members has been formed. In some schools this organization is referred to as "The Principal's Cabinet". Its function is to advise and assist the administration in matters of policy, practices and procedures affecting the student body and faculty. It makes recommendations for action in some cases to the faculty as a whole and refers policy recommendations to the Superintendent of Schools and the School Committee. Currently the council is concerned with the following problems: Ability grouping for better instruction, the preparation of a formal statement of our

philosophy of education, preparing for a self-evaluation of the high school leading to an eventual evaluation by a visiting committee of the New England Association of Colleges and Secondary Schools, consideration of practices concerning student participation in an expanded student activity program, the writing of a faculty handbook, and program of study considerations for 1965-66 school year.

GUIDANCE

The guidance staff co-ordinates the accumulation of pertinent information concerning pupils as needed, through such means as interviews, test results, academic records, anecdotal records and personal data forms. In this activity, we interpret information to pupils, parents, teachers, administrators, and others professionally concerned with the individual pupils.

The guidance department maintains a strong testing program and assists pupils in assessing their capabilities. Parents have taken a great deal of interest in knowing these results, in order to assist them in setting realistic goals for their children.

Last year, students at all grade levels participated in our testing program. The department processed 41,453 test scores. The elementary level was most active in this regard, processing 28,673 scores. The following types of tests were administered: intelligence, achievement, prognostic or tests which give some prediction of ability, interest tests, and aptitude tests. A statistical summary of these results appear under the **Research** heading of this report.

Evening appointments were set up so that parents who were unable to meet the counselors during the day could see them and get more assistance for their children.

The testing program has been augmented in that the Differential Aptitude Tests are now being given in the Junior High School. These tests are of assistance to the counselors in plotting the aptitudes and abilities of a youngster. The information may be of great help in selecting his courses and in making other educational and future vocational plans.

The Eastern Middlesex Guidance Clinic has helped the guidance department greatly in this respect. For the last three months, a member of its professional staff has met each week with all the counselors. This enables the counselors to discuss cases with which they are working. Teachers, nurses, and administrators are invited to attend these meetings and contribute to the understanding of the case. The psychologist also meets with small groups of teachers to explain the function of the clinic, and discuss with them various types of unusual or abnormal behavior which may be manifested by children in their classrooms.

A high school profile has been devised to statistically describe our school to college admission officials. It will accompany student transcripts when they are sent to the colleges.

Research on Iowa Test of Basic Skills

The statistical summary is reported in grade placement.

Stoneham's 1964						
Combined Average or						
Composite Scores of						
Grade	Verb.	Read.	Lang.	Arith.	the 4 Tests	Nat'l Average
7	9.0	8.6	9.5	8.2	8.8	7.8
6	8.1	7.6	8.4	7.6	7.8	6.8
5	6.5	6.3	7.5	6.1	6.6	5.6
4	5.6	5.5	6.2	5.3	5.6	4.6
3	4.9	4.8	5.0	4.5	4.8	3.8

Tests administered in Spring 1964.

The statistical summary above shows that Stoneham pupils are almost a year above the national average in achievement as measured by these standardized tests which are given to hundreds of thousands of pupils throughout the country each year. As an example, if one looks at the figures above and if he reads across from grade seven he sees that the average achieved by the seventh grade pupils in Stoneham was the equivalent of the pupils' achievement in grade nine as compared to the national average which was 7.8 or the eighth month of the seventh grade average. Continuing across the column one sees that in reading, Stoneham grade seven pupils were reading at a grade level of eighth grade and six months, (score 8.6). In language, i.e. grammar, punctuation, word usage, capitalization, etc., Stoneham pupils achieved at the fifth month of the ninth grade (9.5). Likewise, one can notice that in arithmetic Stoneham pupils of the seventh grade achieved at the second month of grade eight (8.2).

Another method used to compare the achievement of Stoneham pupils is to compare similar information of other school departments in this area. The achievement of Stoneham pupils compares very favorably in this relationship.

Future Plans

The areas which the Guidance Department feels are most critical are underachievement, school dropouts, college placement, and early identification of emotional problems. Recently, these areas have been studied carefully and programs are being initiated to cope with them.

SCHOLARSHIPS

The School Department is appreciative of the many scholarships being provided by out-of-town and by local organizations and individuals for members of our graduating class. Last year's graduating class received prizes and scholarships amounting to \$42,000.

In this day of skyrocketing costs for a college education (approximately \$3500 per year in many private colleges), we could run the grave risk of having only the children of the well-to-do obtain a college education. This might entail the loss of much talent of the greatest importance to our country.

Local organizations and individuals wishing to help in assisting our youth to obtain an education may be interested in

creating scholarships, making gifts or bequests or otherwise providing funds for our worthy students.

The School Committee is always ready to discuss the establishment of scholarships or other plans for funds of this type.

JUNIOR HIGH SCHOOL

The overcrowded situation was alleviated somewhat with the transfer of grade nine students to the new addition at the High School in March. In September the student population in the Junior High School building increased again to 860 students with the acquisition of 238 elementary school students. There are four fifth and four sixth-grade classes in the building. This section of the school is called the Central Elementary School under the principalship of Mr. Donald R. Dewhurst. In grades seven and eight the enrollment of the students in the Stoneham Junior High School continued to increase with approximately 40 more students over last year.

The program to give special attention to the acceleration and enrichment of selected students has progressed well. For the accelerated students the school has increased its offering in mathematics, science, and social studies. The accelerated algebra class in grade eight has continued to be successful. The enrichment program in French has given the students an extensive appreciation of the language. The students in the enrichment program started studying French in grade four. The installation of the language laboratory has enhanced our French program. The laboratory was purchased under a grant of the National Education Act through which fifty per cent of the cost was reimbursed to the town from Federal funds. Our after-school developmental and correctional reading programs are continuing to do well as in previous years. The correctional reading classes have been arranged to meet the needs of pupils with special reading problems. The developmental class aims to insure maximum development of reading skills for the students.

In addition to the correctional and developmental reading classes, a Junior Great Books discussion group has been arranged. Parents have volunteered as leaders of the group. The parents attended a leadership program to prepare for the instruction of this course. The group consists of seventh-grade students who meet after school every two weeks.

Among the numerous projects or activities carried on in the Junior High School were the science fair, road race, basketball tournament, girls' softball tournament, Junior High School Library Club, speech contest, Junior High Honor Society, student council, music night, model car contest, door-decoration contest, school play, and the orientation program for sixth-grade students.

The regular course of study has been increased this year with the addition of mechanical drawing for all boys and home economics for all girls in grade seven.

ELEMENTARY EDUCATION

As the result of the work of the arithmetic committee during the school year 1963-1964, each teacher has been provided with a tentative teaching guide. This guide will be used during the school year 1964-1965 and then a final revision provided for use later on.

The arithmetic committee is composed of six members, one from each elementary school, representing each of the six grade levels. It was the responsibility of each member to keep each building informed of the progress of the work of the committee

and also to collect materials and consult with the other teachers of the same grade level. These teachers are to be commended for the number of extra hours they worked on this project which resulted in such a practical guide for use in the elementary schools.

As in past years, the battery of achievement tests were administered in the spring of 1964. Grades one and two were given the Metropolitan Achievement Tests while grades three through six were given the Iowa Tests of Basic Skills. Coupled with the teacher's assessment of a pupil's achievement, these tests offer an opportunity to discover pupil needs. It is by adapting the program of teaching to the needs of the individual that over-all progress is made. "Teach each child where you find him" has been an oft quoted theory. By adhering to this, the gifted, the average and the slower learning pupil is induced to work up to his potential. The town should be proud that our teachers are able to diagnose pupils needs and teach to these needs no matter how many levels of learning may be evident in a classroom.

The educational television programs have offered a variety of subject matter programs. The new primary science program supplements what the classroom teacher is able to demonstrate in the classroom. The primary phonics program emphasizes for the pupils the sounds they are learning during their reading periods. Under the supervision of the French supervisor, the French program in grades four, five, and six continues to be of interest and value. The live current events programs keep the pupils up to date in world affairs.

Field Trips Specials program takes the child on a field trip to places in New England he may not otherwise visit and makes his social studies much more meaningful.

The enriched science classes for the gifted pupils have been continued. These classes give pupils an understanding of the various aspects of science and the wide amounts of knowledge already available in this subject area. With four different science teachers during the year, each child studies four different science topics.

The after school developmental reading classes meet twice a week and are continued for a half year. With the addition of four new instructors, it will be possible to give more continuous help to pupils for a longer period of time. The program has

already proved to be a fruitful experience for those needing help in reading.

ART

This year has seen a number of changes in the art department of the Stoneham Schools. The retirement of Mrs. Eleanor Baker has left a place difficult to fill. However, her direction and dedication to the art education program continue in the interest in the creative and perceptive development of the children of Stoneham.

For the first time this year a full-time art teacher in the high school is making it possible for more students to elect art. Included in the high school program is an art majors course, aimed at preparing qualified students for careers in art. An increased emphasis on art appreciation in the art program generally has seen more use of the facilities of the Museum of Fine Arts, the National Gallery of Art and other fine art education services sponsored by various organizations. Loan exhibits, slide lectures and visits to museums have been part of this program of enrichment. A small but growing collection of art books, prints, and periodicals has opened new vistas to our students of all ages.

Our aim, in the high school, then, is two-fold. First, we hope to prepare those students who are seeking careers in art with adequate background and experience in the art field to compete for acceptance in the art schools of their choice. Fundamental experience and practice in drawing, composition, color, design, and appreciation are the bases of this program. Individual direction of these art majors with a view to developing their creative talents is important. The second and by far the largest group of high school students elect the art course for enjoyment, enrichment of their lives, and development of their talents. An opportunity to explore and work in many media gives these students new horizons and encourages an awareness of art as a part of everyday living. Painting, sculpture, ceramics, printing techniques, stained glass, construction and collage are all part of our program. The art room is a busy place at all times of the day including after school hours when many students continue their work or participate in craft classes.

The elementary art program seeks to give children the opportunity to explore, to experiment, and to use many materials and tools. Children naturally love art class. Each lesson poses

a new experience and a new awareness of the child's ability to develop his own ideas in his own search for truth. A first grade class, using paints for the first time with each child completely absorbed in his own work, is a picture not easily forgotten. Emotional and spiritual needs find release in art.

We hope to improve our elementary program by increasing the length of the class period thus giving our elementary art teachers more time to develop and properly complete an art lesson. The art teacher, too, serves as consultant to aid the classroom teacher to develop and display special projects often related to other subjects in the curriculum. Thus art serves our program of education generally.

In the Junior High School, the development of the child, begun in the elementary art program, continues. Exploration with materials, development of maturity and insight continue. More mature concepts, involving increased knowledge of color, design, line, and form help the junior high school student to attain results that satisfy his need for expression. A fine art exhibit which was held in the spring will attest to the variety of work accomplished and the creativity of our young people.

In addition, the art department has assisted the school program through the arrangement of displays and exhibits, the construction and painting of stage scenery and the printing of posters for school activities.

"The duty of art is not in filling monstrous picture galleries, but in meeting and refining the needs of daily living."
— John Ruskin.

MUSIC.

The music program is a co-ordinated program of development from grades one through twelve, including both vocal and instrumental offerings and providing for musical growth commensurate with the interest and ability of each student.

We consider the instructional program in music in the elementary school a foundation for all future endeavors in music as it stresses the development of a sequential program of musical learning. The purpose is to promote the growth of the student in the techniques, skills, and knowledges that will enable him to have a clear insight and understanding of music. Techniques and skills developed not as an end in themselves but as a means whereby the student may be able to acquaint

himself with a wider range of literature that would be impossible without these skills.

In order to achieve the objective that there should be a sequential program of development from elementary school through high school, music classes must be scheduled as a regular academic subject in high school. This is most essential in insuring musical growth and musical literacy of our students.

With the many varied groups feeding into the high school program, provisions must be made for all who wish to participate not only in the choral and instrumental groups but also in classes of theory, fundamentals of music, harmony, and appreciation which are of paramount importance in a well-balanced program of music education.

Music is an indispensable part of learning and life. Curriculum changes have been made in the physical and biological sciences and also in mathematics. We must now concern ourselves with the arts in bringing the subject matter and teaching in line with the contemporary knowledge and culture. Many in high school are participating in choral and instrumental groups but there is great need to schedule other music activities for those who will become the consumers.

"Materialistic emphasis on the sciences can satisfy certain needs, but we must look to music and other humanities — sources for common understanding and culture — to satisfy the moral, spiritual, and aesthetic needs so basic to mature, well-rounded personality."

PHYSICAL EDUCATION AND ATHLETICS

At the start of the school year, our physical education and athletic departments were merged into a single department after the retirement of Mr. Karl Elerin who efficiently served as supervisor of physical education and faculty manager of athletics for many years.

The teachers of physical education are stressing a program that develops physical hardiness in their students. They are concerned with developing physical fitness, body efficiency, and motor skills. Along with the emphasis on fitness, considerable time is devoted to sports and games. Our major objective is to see that every student participates according to his or her physical capacity. The success of our program is based upon student enthusiasm.

Physical education classes have been expanded from a 20 minute to a 25 minute period at the elementary school level. They are presently required to meet at least three times a week under the direction of their classroom teachers and the physical education instructors. This does not include their recess periods devoted to the employment of wholesome recreational activities. Whenever possible, the elementary grade teachers conduct a physical education class during the two remaining days of the week.

Physical education classes have also been increased for grades 9 and 10 at the high school. They now are required to meet three periods a week instead of the regular two classes for grades 11 and 12. At this level, such a program requires careful planning.

In the future, our department will make every effort to expand our intramural program, and increase the number of junior high school class periods. Classes should be kept to a minimum size of 35 pupils.

The year 1964 has seen the Stoneham High School athletic program achieve a high record of accomplishment. Our ice hockey team deserves special mention here since it rose to heights of well-earned glory. The team reached the semi-finals of the Massachusetts State Tourney at the Boston Garden. Our cross country team, under the skillful coaching of William Murphy, won the championship of the Middlesex League, ran up a victorious streak of 21 undefeated meets, and finished third as a team in the State Meet.

These events, as do all our athletic appearances, brought credit and prominence to our team and its high school.

Our athletic teams have good, attractive equipment that gives a team confidence and pride in itself. It is designed to withstand hard play, long usage, and it receives proper care, cleaning and maintenance. Our athletic teams are well-equipped for efficient participation and personal safety.

The new junior high school with its gymnasium, athletic and physical education areas, will be of great help to the whole physical education and athletic program in alleviating the present shortage of facilities.

We wish to express our gratitude to the Board of Public Works and Mr. Daniel Towse for the co-operative help given to the school department's athletic and physical education pro-

grams during the past year. It would be impossible to run our complete athletic program without the use of town maintenance field areas and facilities. This requires a tremendous number of man hours preparing practice and game fields for our use. The Board of Public Works has never failed to offer a helping hand, regardless of how difficult our problem.

SCHOOL BUILDINGS

The following improvements, repairs or replacements are some of the many made in the School Department buildings.

NORTH SCHOOL

The heating facilities were repaired. This involved a new combustion chamber in the boiler. New piping from the oil storage tank to the oil burner, new burner, controls, repairs to the boiler feed water pump and new steam traps throughout the building. A new hot water heater was installed as the old one was not repairable. All chalkboards were resurfaced, the result should be less eye strain for the pupils. Lighting to alleviate vandalism, and the heating system emergency lights were installed in the North School and in several other schools. The heating system red emergency light is activated if the heating system fails for any reason. The Stoneham Police Department is assisting in this work by calling the school department by a predetermined procedure if the activated red light is noticed by the policemen in their regular daily inspection of our building.

Fluorescent lighting was installed in all classrooms to alleviate eye strain and bring our classroom lighting to a state accepted standard. The ventilating chimneys were repaired to stop the hazard of the possibility of falling brick. A partition dividing the gymnasium into two classrooms was removed and the room reactivated as a gymnasium.

Some of the area around the building was leveled and seeded and the rear wooded area was partially cleared. The exterior painting scheduled for this year was cancelled because of high bids received but will be completed during 1965.

SOUTH SCHOOL

Fluorescent lighting was installed in eight classrooms to alleviate student eye strain and raise the lighting efficiency to

comply with the state lighting standard. Extra exterior lighting was also installed to minimize damage done by vandals. Two hardwood classroom floors were sanded and refinished. In addition, formica desk tops were installed on pupil desks in two classrooms. These installations will save refinishing costs.

Some of the land which abuts the building was regraded and seeded. The area adjoining Main Street was loamed and seeded. The wooded area at the rear of the school was cleared of brush.

EAST SCHOOL

Fluorescent lighting was installed in all permanent classrooms to standardize and improve our lighting. Pupil rest rooms were connected with the public sewerage system. The basement window guards were repaired to alleviate window breakage. Partitions erected in the basement area of the school to accommodate two classrooms of pupils were dismantled and removed.

EMERSON SCHOOL

The heating system condensate return pump was installed in an effort to lower the fuel consumption. Fluorescent lights were installed in all eight classrooms to bring the lighting requirements to the present Massachusetts State Standards. Additional school grounds lighting has been installed to minimize the vandalism potential. Faculty, obsolete rest room plumbing is being replaced to minimize water consumption.

COLONIAL PARK SCHOOL

Two exterior doors were replaced. The roof was repaired in a number of places where expansion and contraction had parted the roof covering. A partition was erected to satisfy the Massachusetts State Public Safety requirements. The partition separates the kitchen from the temporary classroom exterior exit. In addition, draperies were removed and new linings installed in an effort to keep the esthetic appearance of the building at the highest level.

ROBIN HOOD SCHOOL

Acoustical ceiling tile was installed in two special classrooms in the basement rooms to alleviate the noise factor.

New cyclorama draperies were installed on the auditorium stage. The temporary classroom partitions that were in the auditorium were removed. Ground areas were leveled, loamed and seeded.

JUNIOR HIGH SCHOOL

The second floor classrooms and corridors were painted according to our painting schedule. Acoustical ceiling tile and vinyl asbestos floor tile was installed in accordance with our building renovation plan. A new staircase to the boiler room was installed and will be enclosed during 1965. The ceramic tile in the girls' and boys' rest rooms was extended two feet higher to alleviate the malicious damage factor. A new convector radiator was installed in room 303.

A new intercom system was installed. A new pipe railing was installed on the stairway leading from the asphalt play area to Pomeworth Street. The teachers' room was converted into a fifth grade classroom and room number eight was converted into a teachers' room. This was necessary to minimize the confusion and noise factor which otherwise would have affected the class in question.

Cafeteria kitchen remodeling involved the painting throughout the area. Working in conjunction with the plumbing inspector, new gas pipes and vent pipes were installed to modernize our facilities.

HIGH SCHOOL

Drapery linings were replaced gratis in the ladies' lounge, men's lounge and teachers' dining room by Barbo's Inc. This material was originally furnished by them. Additional work at the High School included the relocation of parking lines to allow for Fire Department vehicle clearance in case its service is required.

PRIDE IN OUR STUDENTS

The School Department is proud of the achievement of its students. Scores on college entrance examinations are good. Other achievement scores may be found elsewhere in this report. The general behavior of our students is good.

In considering a student population, other criteria are also important. We are pleased to report that the behavior, sports-

manship and general citizenship of our youth both at school and in the life of the community are good. This obviously is a credit to themselves, their families, the school department and the community.

SCHOOL COMMUNITY RELATIONS

It is our belief that a school system has a definite effect in a town. The "image" portrayed by the schools is dependent on several factors, i.e., the effectiveness of the instructional program, the general behavior of its students, and the contribution to the community by the schools in general. We are pleased to report that we believe that we are continuing progress in these areas.

The participation of the students and the staff in many community activities augurs well for both. The extensive use of the school facilities by the various youth and adult organizations also tends to be an important part of our relations with the townspeople. The co-operation of the Stoneham Press and the Stoneham Independent in printing a large amount of school news is extremely helpful in informing the citizens about their schools. This medium is supplemented from time to time by school bulletins distributed with the co-operation of the students. The annual reception to teachers, special informational school committee meetings in various schools and participation by the staff in local meetings are all aimed at explaining both the activities and the goals of the public schools to every interested citizen. We firmly believe that the preservation of our democratic way of life is dependent on an informed citizenry.

CONCLUSION

In conclusion, the School Department thanks the school staff members — both professional and non-professional — who have helped in providing a good educational program for the youth of Stoneham and related services for the townspeople.

A word of appreciation is given to the Stoneham High School Building Addition Committee, Junior High School Building Committee, Citizens' Advisory Committee, School Survey Committee, P-T-A's, Junior High School P-T-A, Stoneham High School Parent Teacher League, School Councils, United Council, Boosters' Club, Band-Orchestra Parents, Stoneham Public Library, Eastern Middlesex Guidance Clinic, Board of Selectmen, Finance and Advisory Board, Public Works Department.

the Town Clerk, Police and Fire Departments, Town Treasurer and other municipal departments and individuals who have given time and effort or have otherwise co-operated with the schools.

The School Department is also extremely appreciative of the confidence, co-operation, and support given by the students, parents, and other citizens of Stoneham.

The Foundation of Every State Is the Education of Its Youth

1965 APPROPRIATION REQUEST FOR STONEHAM PUBLIC SCHOOL DEPARTMENT

PURPOSE

This appropriation request explains the financial needs of the Stoneham Public Schools for the 1965 calendar year. A short narrative introduction is followed by cost summaries and in turn by detailed breakdown of different budget categories.

ENROLLMENT

The school enrollment October 1, 1964, was 3821 with 1938 pupils in the elementary schools, 620 in grades 7 and 8 in the Junior High School, and 1263 in the Senior High School in grades 9-12. This represents an increase of 198 pupils or 5.5% in the last year. In 1964, the actual growth in enrollment exceeded the anticipated or projected enrollment by 69 pupils.

STAFF

To teach these boys and girls, a staff of 222 full-time and 10 part-time employees are required. This staff includes 173 teachers, 13 supervisors and principals, 3 nurses, 21 custodial and maintenance workers, and 12 clerks, accountants, and secretaries. The part-time staff includes 17 cafeteria workers, and 6 secretaries in the elementary schools, and one in the High School. In addition, the Evening School requires 34 teachers and the Summer School 7 teachers.

SALARIES

The appropriation request for 1965 totals \$1,798,208. an increase of 9% over the 1964 appropriation of \$1,648,797. Part of

this increase is attributable to the 5% increase in pupils while the remainder is caused by higher salaries for the staff, particularly teachers, additional teachers, and by improvements in equipment and facilities.

The proposed appropriation for salaries is \$1,490,152, or 83% of the total request. The remaining \$305,556, or 17% of the total request, covers books, equipment, supplies, transportation, repairs, rentals, vocational school tuition, travel, and many other smaller items as listed in the appropriation.

Since the prime objective of a school is to teach, and teachers' salaries dominate this appropriation request, it is important to make a few comparisons. Two comparisons are normally made. In the first place, studies show that Stoneham is near the middle of the 48 larger towns in the state (over 13,500 population) in both equalized valuation of property and per capita income, both of which are considered as reasonable indices of ability to pay. For several years, Stoneham has been close to the average of this group in teacher salary schedules. A second comparison is usually made with neighboring towns north of Boston with which Stoneham competes for promising new teachers who want to locate in this area. Although neighboring towns vary considerably in the taxable property base and in income per capita, Stoneham tends again to be in the middle of this group. It is the School Committee's objective to stay in or slightly above the middle of both comparison groups in salary schedules for teachers. Currently, Stoneham is at the bottom of the middle quarter of these groups in both maximum and minimum salaries for teachers with bachelors' degrees. In 1965 the Committee is proposing a salary schedule which will again place Stoneham in line with these comparable groups for teachers with bachelors' degrees and somewhat above average for teachers with masters' and higher degrees. The proposed new starting salaries for teachers with bachelors' degrees will be \$5,100 in September, 1965.

You may be interested in knowing that our teachers have the following educational backgrounds: non-degree, 4; bachelors' degrees, 109; masters' degrees, 59; masters' plus 30 credits, 4; and doctor's degree, 1.

PROPORTION OF TOTAL TAX FOR SCHOOLS

For comparative purposes, it may be significant to those interested in school costs to know how much of the total Stone-

ham tax income is spent for schools. The most recent figures available show that 46% of the total taxes go for schools. Stoneham is lower than many neighboring towns or cities considered. Some of the other school tax percentages are as follows: Reading 54%, Wakefield 51%, Winchester 49%, Melrose 50%, Lexington 65%, Andover 53%, and Burlington 65%.

RECEIPTS OR REVENUE

It may be of interest to report that slightly over \$218,000 is expected to be returned to the Town Treasurer because of State Aid and other revenues. These and smaller additional amounts for Federal Aid have been increased yearly. The net cost to the local taxpayers, therefore, is actually only about \$1,585,000, representing an estimated 42% of the total cost of the operation of the town government.

PROBLEMS FACING SCHOOL COMMITTEE

Your School Committee, like many other school committees, is concerned about increased school costs. In addition to the numerous problems related to operating a good school system with concern and a discerning look at costs, the Committee has also been faced with the irresponsibility of the majority of State Legislators in raising the minimum salary for teachers from \$4500 to \$5000 without providing any state tax relief at the local level. This causes a great increase in the salary budget. This type of legislation by the Legislature must be controlled or other sources of money for schools must be found.

The recently published report and recommendations of the Massachusetts Education Commission, if adopted or implemented, will definitely raise school costs considerably. Hopefully, we may obtain increased state aid if the proposals are adopted.

**RECAPITULATION OF ALL APPROPRIATION REQUESTS FOR 1965 COMPARED WITH THE 1964
APPROPRIATION**

(1) Registration fees	1,254.00	
(2) Tuition of non-resident pupils in eve- ning school	445.00	1,699.00
	<hr/>	

Total receipts anticipated		\$218,205.64
----------------------------------	--	--------------

PROPOSED 1965 BUDGET

SCHOOL COMMITTEE EXPENSES (Code 1100)

	1964 Appropriation	1965 Request	Difference
Expenses within state	\$700.00	\$900.00	\$200.00+
Expenses out-of-state	200.00	0*	200.00—
Totals	\$900.00	\$900.00	0

*Convention in 1965 will be in Boston, so second item added to first.

SUPERINTENDENT'S OFFICE (Code 1200A)*

General office expenses including \$300 for out-of-state travel	\$7,265.00	\$7,230.00	\$35.00—
---	------------	------------	----------

*..Listed elsewhere in this budget, with further explanations under respective categories, are other items under the following codes:

4130 — Electricity and Telephone	\$2,600.00
4230B — Repairs to office equipment	482.00
4240B — Replacement of office equipment	753.00
5200 — Insurance	10.00
5300 — Rental	6,540.00
Total	\$10,385.00
B/F from above	7,230.00
Grand Total	\$17,615.00
Last year's Grand Total was	\$16,390.00
Difference	\$1,225.00+

EVALUATION PROGRAM (Code 1200B)

	1964 Appropriation	1965 Request	Difference
High School Evaluation Program	\$1,500.00	0	\$1,500.00—

This money will be returned to the Town. It was not used because the Evaluation Program was postponed because of Principal Horton's death. This evaluation will be done in 1966 or 1967.

SUPPLIES AND OTHER EXPENSES OF SUPERVISORS (Code 2100)

	1964 Appropriation	1965 Request	Difference
Elementary Schools:			
(a) General expenses including \$360 for out-of-state travel	\$1,306.00	\$951.00	\$355.00—
(b) Office expenses of Directors	0	400.00	400.00+ (b)
(c) Car expenses	670.00	902.00	232.00+ (c)
Totals	\$1,976.00	\$2,253.00	\$277.00+

(b) The \$400 increase is being requested to take care of expenses which were postponed because of insufficient funds in the past to take care of additional supplies and printed material such as notices regarding transportation of pupils and the increased volume of correspondence in connection with bidding.

(c) The \$232 increase in car expenses is based on 1964 experience.

SUPPLIES AND OTHER EXPENSES OF SUPERVISORS (Code 2100)

	1964 Appropriation	1965 Request	Difference
Junior High School:			
(a) General expenses including \$60 for out-of-state-travel	\$183.00	\$125.00	\$58.00—
(b) Office expenses of Directors	1,000.00	1,150.00	150.00+ (b)
(c) Car expenses	280.00	370.00	90.00+ (c)
Totals	\$1,463.00	\$1,645.00	\$182.00+

(b) The increase of \$150 in this account is to take care of additional expenses which will be necessary in connection with working with the Junior High School Building Committee.

(c) The \$90 increase in car expenses is based on 1964 experience.

SUPPLIES AND OTHER EXPENSES OF SUPERVISORS (Code 2100)

	1964 Appropriation	1965 Request	Difference
High School:			
(a) General expenses including \$180 for out-of-state travel	\$382.00	\$365.00	\$17.00—
(b) Office expenses of Directors	0	195.00	195.00+ (b)
(c) Car expenses	300.00	428.00	128.00+ (c)
Totals	\$682.00	\$988.00	\$306.00+

- (b) The \$195 increase is being requested to take care of expenses which were postponed because of insufficient funds in the past to take care of additional supplies and printed material such as notices regarding transportation of pupils and the increased volume of correspondence in connection with bidding.
- (c) The \$128 increase in car expenses is based on 1964 experience.

SUPPLIES AND OTHER EXPENSES OF PRINCIPALS (Code 2200)

	1964 Appropriation	1965 Request	Difference
Elementary Schools:			
(a) General expenses	\$593.00	\$839.00	\$246.00+
Totals	\$593.00	\$839.00	\$246.00+

The additional request is due to the increased cost and volume of printed material such as report cards and handbooks.

Junior High School:

(a) General expenses including \$300 for out-of-state travel	\$1,125.00	\$1,125.00	0
Totals	\$1,125.00	\$1,125.00	0

High School:

(a) General expenses including \$300 for out-of-state travel	\$2,500.00	\$2,190.00	\$310.00—
Totals	\$2,500.00	\$2,190.00	\$310.00—
Grand Total for Code 2200	\$4,218.00	\$4,154.00	\$64.00—

SUPPLIES AND OTHER EXPENSES OF INSTRUCTION (Code 2300)

Elementary Schools:

	1964 Appropriation	1965 Request	Difference
(a) General expenses	\$17,283.00	\$17,889.00	\$606.00+
(b) Car expenses	935.00	1,005.00	70.00+
(c) NESDEC dues	312.00	306.00	6.00—
(d) Subsidized Teachers' Tuition	888.00	1,500.00	612.00+ (d)
Totals	\$19,418.00	\$20,700.00	\$1,282.00+

- (d) The additional request of \$612 is to take care of the anticipated amount we shall need in this account.

	1964 Appropriation	1965 Request	Difference
Junior High School:			
(a) General expenses	\$5,812.00	\$6,148.00	\$336.00+
(b) Car expenses	100.00	100.00	0
(c) NESDEC dues	96.00	96.00	0
(d) Subsidized Teachers' Tuition	421.00	600.00	179.00+ (d)
Totals	\$6,429.00	\$6,944.00	\$515.00+

(d) The additional request of \$179 is to take care of the anticipated amount we shall need in this account.

High School:			
(a) General expenses	\$12,291.00	\$13,770.00	\$1,479.00+ (a)
(b) Car expenses	900.00	95.00	5.00+
(c) NESDEC dues	192.00	198.00	6.00+
(d) Subsidized Teachers' Tuition	500.00	900.00	400.00+ (d)
Totals	\$13,073.00	\$14,963.00	\$1,890.00+

(a) The additional increase in the general expenses is due to increased printing costs for increased enrollment.

(d) The additional request of \$400 is to take care of the anticipated amount we shall need in this account.

SUMMER SCHOOL (Code 2300)

	1964 Appropriation	1965 Request	Difference
(a) Elementary Schools	\$40.00	\$50.00	\$10.00+
(b) Junior High School	45.00	55.00	10.00+
(c) High School	90.00	90.00	0
Total for Summer School	\$175.00	\$195.00	\$20.00+

BOOKS (Code 2400)

(a) Elementary — General expenses	\$8,970.00	\$9,125.00	\$155.00+
(b) Junior High — General expenses	4,455.00	4,575.00	120.00+
(c) High School — General expenses	8,841.00	8,950.00	109.00+
Totals	\$22,266.00	\$22,650.00	\$384.00+

	1964 Appropriation	1965 Request	Difference
LIBRARIES (Code 2500)			
(a) Elementary Schools	\$1,000.00	\$1,175.00	\$175.00+ (a)
(b) Junior High School	1,000.00	1,000.00	0
(c) High School	2,775.00	2,775.00	0
Totals	\$4,775.00	\$4,950.00	\$175.00+

(a) The additional request is for needed reference books in all the elementary schools.

AUDIOVISUAL PROGRAM (Code 2600)

	1964 Appropriation	1965 Request	Difference
(a) Elementary Schools	\$920.00	\$2,986.00	\$2,066.00+ (a)
(b) Junior High School	455.00	380.00	75.00—
(c) High School	1,020.00	1,154.00	134.00+
Totals	\$2,395.00	\$4,520.00	\$2,125.00+

(a) The additional request for the elementary schools is to build up the film-strip libraries. In addition, a complete set of everything is needed for the Central Elementary School which is housed in the Junior High School building.

GUIDANCE (Code 2700)

	1964 Appropriation	1965 Request	Difference
(a) Elementary —			
General expenses	\$850.00	\$848.00	\$2.00—
Car expense	150.00	150.00	0
(b) Junior High —			
General expenses	835.00	800.00	35.00—
(c) High School —			
General expenses	1,365.00	1,150.00	215.00—
Totals	\$3,200.00	\$2,948.00	\$252.00—

EDUCATIONAL TELEVISION (Code 2900) (1)

(a) Elementary Schools	\$468.00	\$485.00	\$17.00+
(b) Junior High School	146.00	155.00	9.00+
(c) High School	292.00	316.00	24.00+
Totals	\$906.00	\$956.00	\$50.00+

(1) This account is for TV assessments based on 25 cents per pupil. The actual cost, 3821 by 25 cents, is \$955.25.

HEALTH SERVICES (Code 3200) (1)

	1964	1965	
	Appropriation	Request	Difference
(a) Elementary Schools	\$225.00	\$302.00	\$77.00+
Car expense	260.00	320.00	60.00+
(b) Junior High School	172.00	120.00	52.00—
Car expense	90.00	290.00	200.00+
(c) High School	308.00	275.00	33.00—
Car expense	170.00	170.00	0
Totals	\$1,225.00	\$1,477.00	\$252.00+

(1) The additional request for car expenses in the Elementary and Junior High School is due to the addition of one nurse who covers both areas.

(A) Parent-Arranged Transportation (Code 3360)

	1964	1965	
	Appropriation	Request	Difference
To North Reading Clinic	0	\$400.00	\$400.00+

(1) For reimbursement of carfare paid by parents to send children to the State Department Public Health Rehabilitation Clinic.

(B) Transportation of pupils to and from public schools within town (Code 3370) (2)

(a) Elementary	\$9,095.00	\$3,678.00	\$5,417.00—
(b) Elementary Handicapped pupils	3,276.00	3,476.00	200.00+
(c) Junior High	513.00	1,881.00	1,368.00+
(d) Junior High Handicapped pupils	576.00	600.00	24.00+
(e) High	216.00	3,408.00	3,192.00+
(f) High Handicaped pupils	338.00	364.00	26.00+
	\$14,014.00	\$13,407.00	\$607.00—

(C) Transportation of pupils to and from school out of town (Code 3380)

(a) Elementary	\$1,000.00	\$360.00	\$640.00—
(b) Junior High	0	240.00	240.00+
(c) High	6	0	0
	\$1,000.00	\$600.00	\$400.00—

	1964 Appropriation	1965 Request	Difference
(D) Transportation of pupils on field trip programs (Code 3390)			
(a) Elementary	0	0	0
(b) Junior High	\$225.00	\$250.00	\$25.00+
(c) Jr. High Music Dept.	30.00	45.00	15.00+
(d) High School	100.00	150.00	50.00+
(e) High School Art Dept.	50.00	50.00	0
(f) High School Music Dept.	175.00	100.00	75.00—
	<hr/>	<hr/>	<hr/>
	\$580.00	\$595.00	\$15.00+

This field trip account varies a little from year to year, depending on the number of events, distance to be travelled, and number of pupils to be transported.

(E) Transportation of non-public school pupils to and from school (Code 6900) (2)			
(a) Transportation to and from private schools	\$3,300.00	\$3,762.00	\$562.00+
(b) Transportation of handicapped pupils to and from private schools	145.00	195.00	50.00+
	<hr/>	<hr/>	<hr/>
	\$3,345.00	3,957.00	\$612.00+
Grand Total for all Transportation	\$18,939.00	\$18,959.00	20.00+

(2) Buses make several trips daily transporting all public and private school students who live more than 1½ miles from school.

Food Services (Code 3400)			
(a) Elementary Schools	0	0	0
(b) Junior High	0	0	0
(c) High School	\$60.00	0	\$60.00—
	<hr/>	<hr/>	<hr/>
Totals	\$60.00	0	\$60.00—

Athletic Department Expenses (Code 3510)			
(a) Elementary Schools	0	0	0
(b) Junior High School	\$3,200.00	\$2,600.00	\$600.00—
Car expense of Director	50.00	50.00	0
(c) High School	17,250.00	17,930.00	680.00+
Car expense of Director	100.00	100.00	0
	<hr/>	<hr/>	<hr/>
Totals	\$20,600.00	\$20,680.00	\$80.00+

	1964 Appropriation	1965 Request	Difference
Operation of Plant (Code 4110) (1)			
(a) Elementary Schools	3,624.00	\$4,000.00	\$376.00+
(b) Junior High School	1,170.00	1,629.00	459.00+
(c) High School	2,458.00	2,921.00	463.00+
	<hr/>	<hr/>	<hr/>
Totals	\$7,252.00	\$8,550.00	\$1,298.00+

(1) The above requests reflect increases in usage and cost of material.

Fuel (Code 4120)

Elementary Schools:

North School	\$1,190.00	\$1,250.00	\$60.00+
South School	1,335.00	1,195.00	140.00—
East School	900.00	845.00	55.00—
Emerson School	1,200.00	960.00	240.00—
Robin Hood School	4,000.00	4,200.00	200.00+
Colonial Park School	2,140.00	1,950.00	190.00—
5% allow. for contingencies ..	539.00	0	539.00—
	<hr/>	<hr/>	<hr/>

Elementary Totals	\$11,304.00	\$10,400.00	\$904.00—
-------------------------	-------------	-------------	-----------

Junior High School	6,000.00	5,500.00	500.00—
5% allow. for contingencies ..	300.00	0	300.00—
	<hr/>	<hr/>	<hr/>

Junior High Totals	6,300.00	5,500.00	800.00—
--------------------------	----------	----------	---------

High School	8,000.00	7,400.00	600.00—
5% allow. for contingencies ..	400.00	0	400.00—
	<hr/>	<hr/>	<hr/>

High School Totals	8,400.00	7,400.00	1,000.00—
--------------------------	----------	----------	-----------

Grand Totals	\$26,004.00	\$23,300.00	2,704.00—
--------------------	-------------	-------------	-----------

Electricity (Code 4130A)

Elementary Schools: (1)

North School	\$924.00	\$1,000.00	\$76.00+
South School	761.00	1,100.00	339.00+
East School	1,024.00	1,025.00	1.00+
Emerson School	683.00	700.00	17.00+
Robin Hood School	3,990.00	4,400.00	410.00+
Colonial Park School	1,470.00	1,800.00	330.00+
	<hr/>	<hr/>	<hr/>

Elementary Totals	\$8,852.00	\$10,025.00	\$1,173.00+
-------------------------	------------	-------------	-------------

	1964 Appropriation	1965 Request	Difference
Junior High School	5,066.00	5,100.00	34.00+
High School	10,920.00	10,600.00	320.00-
Grand Totals for Schools	\$24,938.00	\$25,725.00	887.00+

(1) Increase to reflect 1964 experience — increased night use of schools by civic groups, and improved lighting account for increases.

Electricity (Code 4130)

Superintendent's Office at 375 Main Street	\$350.00	\$470.00	\$120.00+ (1)
---	----------	----------	---------------

(1) Reflects 1964 experience.

Gas (Code 4130B)

Elementary Schools:

North School	\$32.00	\$40.00	\$8.00+
South School	47.00	45.00	2.00-
East School	32.00	32.00	0
Emerson School	42.00	42.00	0
Robin Hood School	341.00	241.00	100.00-
Colonial Park School	69.00	69.00	0
Elementary Totals	\$563.00	\$469.00	\$94.00-
Junior High School	1,501.00	1,301.00	200.00-
High School	1,181.00	400.00	781.00-
Grand Total for Schools	\$3,245.00	\$2,170.00	\$1,075.00-

Telephones (Code 4130C) (1)

Elementary Schools:

North School	\$168.00	\$175.00	\$7.00+
South School	168.00	175.00	7.00+
East School	115.00	120.00	5.00+
Emerson School	137.00	175.00	38.00+
Robin Hood School	315.00	330.00	15.00+
Elementary Totals	\$1,102.00	\$1,225.00	123.00+

	1964 Appropriation	1965 Request	Difference
Junior High School	\$598.00	\$700.00	\$102.00+
Semi-public phone (438-9785)	13.00	20.00	7.00+
Junior High Totals	\$611.00	\$720.00	\$109.00+
High School	\$1,243.00	\$1,500.00	\$257.00+
Semi-public phone (438-9789)	15.00	0	15.00—
High School Totals	\$1,258.00	\$1,500.00	\$242.00+
Grand Totals for Schools	\$2,971.00	\$3,445.00	\$474.00+

(1) Increased use of telephones on school business and 1964 experience explain increase in request.

STONEHAM HIGH SCHOOL GRADUATION EXERCISES — CLASS OF 1964

Wednesday Evening, June 10, 1964

Recreation Park, Stoneham, Massachusetts

at six-fifteen o'clock

PROGRAM

Entrance of Graduates — War March of the Priests
(from Athalia) Mendelssohn

High School Band
Alfred J. Todaro, Conductor

(The audience will remain seated as the graduates
enter the field)

Class Marshals
Cheryl C. Lowthers, Class of 1965
Stephen P. Freeland, Class of 1965

Graduation Hymn (the audience uniting) Hemy-Walton

FAITH OF OUR FATHERS

1

Faith of our fathers, living still
In spite of dungeon, fire and sword
O how our hearts beat high with joy
Whene'er we hear that glorious word.

2

Faith of our fathers, we will strive
To win all nations unto thee;
And through the truth that comes from God
Mankind shall then indeed be free.

3

Faith of our fathers, we will love
Both friend and foe in all our strife,
And preach thee, too, as love knows how
By kindly words and virtuous life.

Refrain

Faith of our fathers, holy faith
We will be true to thee till death.

Prayer

Reverend James Bash

Speech of Welcome

David F. McClay, President

Address — "The Challenge to Serve"

George B. Bruns

Presentation of MacDonald Medals to

Jane E. MacKaracher and William W. Todd

Mrs. Joseph Cariello

The MacDonald Medals, in memory of James Wallace MacDonald, Principal of Stoneham High School from 1876-1892, are presented for scholarship, character and good influence in the school.

Paul R. Campbell

ANNUAL REPORT PLANNING BOARD

To the Citizens of Stoneham:

The Planning Board held its 1964 organizational meeting April 8, 1964. Board members Louis P. Vacca, Paul C. Brown, Daniel C. Towse, William S. Coy and Frank . Howard, Jr. elected Daniel C. Towse Chairman and Paul C. Brown Secretary for the year.

The Board held thirty regular meetings and two special meetings and fourteen Public Hearings during the year.

Fifty-four plans were signed not requiring approval under the Subdivision Control Law. Nine new subdivision plans were approved as follows:

Stone Ave. — Hall Rd. — Ferdinand St. — Cricklewood Drive — Stonehill Drive — Middlesex Rd. — Lawndale Rd. Ext. — Walsh Ave. Ext. — Gigante Drive.

The town voted to postpone action on the Proposed Zoning By-law which the Planning Board presented at a Special Town Meeting, March 16, 1964.

The Planning Board is preparing a Neighborhood Analysis which is intended to supplement the previous town-wide planning studies with more detailed data on housing conditions, environmental conditions, and causes of blight.

We wish to thank Mrs. Joseph C. Jenkins and Mrs. Fred Flynn for their patience and excellence as stenographer and clerk to the board.

The help and advice of the officers, boards and committees of the town has been appreciated.

Respectfully submitted,
STONEHAM PLANNING BOARD
Paul C. Brown
William S. Coy
Louis P. Vacca
Frank H. Howard, Jr.
Daniel C. Towse

REPORT OF THE PERSONNEL BOARD

To the Honorable Board of Selectmen:

The ninth Annual Report is herewith submitted.

Under Article XI of the Town By-laws it is the duty of the Personnel Board to review all Salary and Wage rates and classifications and recommend to the Town any action it deems necessary to maintain a fair and equitable plan. Under the rules of procedure set by the Board, letters were written to all department heads inviting them to appear before the Board

to discuss any proposed changes or adjustments in the Wage and Salary Plan. The Board held twenty-five meetings during the year.

The Board of Selectmen appointed Mr. George C. Marshall to a five year term expiring May 1, 1969. Mr. Marshall had been filling the unexpired term of Mr. Alan W. Philbrick, who had resigned because of a business transfer.

At the annual organizational meeting Mr. Frank R. Noyes was reelected chairman and Mr. Joseph F. MacSweeney was reelected secretary of the Board.

As most of the Town employees reached maximum on the salary schedule, the Board started work on a new three year schedule it will recommend at the annual Town Meeting in 1965.

Frank R. Noyes, Chrm.
Joseph F. MacSweeney, Sec.
Arthur D. Sweet
William L. Stoney
George C. Marshall

REPORT OF POLICE DEPARTMENT

Board of Selectmen
Town Hall
Stoneham, Massachusetts

Gentlemen:

As Chief Executive Officer of the Stoneham Police Department and in compliance with the provisions of Article 3, Section 8, of the By-laws of the Town of Stoneham, I have the honor to submit the following report of the work accomplished by the Police Department during the year ending, December 31, 1964.

Table of Organization

- A. Chief, Bernard C. Vacon, Chief Executive Officer and Administrator.
- B. Lieutenants, Dominic A. Lucci, Traffic Bureau and Department Prosecutor. Edward F. Geary, in command of Night Shift.
- C. Sergeant-Inspector, Edward J. Pinato, Investigation and Fingerprint Bureau, Firearms, Missing Persons.

- D. Platoon Sergeants, George R. O'Brien, William G. Joy and Fabian S. Koprek.
- E. Investigative Brueau, Inspector Robert E. Moreira, Patrolman Francis F. Mahoney.
- F. Safety Officer, George J. McDonough
- G. Patrolmen, George N. Savard, William F. McNulty, Robert D. O'Melia, George C. MacDonald, Tony J. Asci, Edward P. McLaughlin, Stanley F. Konopacka, Henry C. MacKay, William E. Gorse, Gerald D. Mahoney, Albert J. Duff, Jr., Harold E. Balboni, Raymond B. Blauvelt, Robert J. Jenkins, David F. Roberts, James T. Duff, James E. McLaughlin, Robert A. Powers, Thomas A. D'Onofrio, Frederick C. Mahn (military leave).
- H. Reserve Patrolmen, George E. Allin, Louis Yianacopolus, Albert T. MacHenry, Paul C. Ewing, Louise R. Percoco, Anthony J. Marino, Frank DelTergo, Daniel T. Murrin.
- I. Clerk-Photographer, Edward H. Proodian, Jr.

Traffic

The Traffic Bureau reported a total of 328 motor vehicle accidents in 1964 in comparison with 235 accidents in 1963 showing an increase of 93. The number of persons injured increased with 236 reported injured in 1964 compared with 131 in 1963. No fatalities were reported in 1964. Thirteen pedestrians were injured while crossing or walking on the roadways. Seven bicycle riders were injured compared with only one in 1963.

A breakdown of accident locations reveals that Main Street still has the highest frequency of accidents recording 95 accidents in 1964 as compared to 92 in 1963. Franklin Street had 11 accidents compared to 16 in 1963. Montvale Ave. had an increase showing 11 accidents compared to 3 in 1963. William and Pond Streets each recorded 7 accidents for 1963. Oddly enough, William and Pond Streets recorded identical figures in 1963 and 1962. Elm Street recorded 8 accidents in comparison to 17 in 1963.

Accidents increased on North Main Street indicating 50 in 1964 compared to 43 for 1963 and 36 in 1962. The State Department of Public Works has been informed of the high frequency of accidents in this area and two representatives from their department met with the Board of Selectmen to discuss ways of eliminating the danger. A suggestion was made that the State reduce the speed limit from 40 mph to 35 mph. Although

representatives from the State Public Works Department agreed to reduce the speed limit, no action has been taken yet.

An accident age group study revealed 91 minors involved in accidents, approximately 30% of the total.

A total of 848 no-fix motor vehicle violations were processed by the Traffic Bureau in 1964. Also recorded were 357 all night parking violations and 207 parking violations.

Crime

Thirty-eight burglaries were reported and investigated in 1964 as compared to 41 in 1963. Three arrests were made for this specific crime compared to six arrests in 1963.

Sixty-seven persons were interrogated for larceny by check in 1964 compared to 56 in 1963.

Forty-eight persons interviewed for bad checks made restitution and no prosecution ensued.

Nineteen complaints were issued by Woburn District Court for this offense and 12 arrests were made.

A total of 15 larcenies over \$50.00 were reported in 1964 compared to 28 in 1963. Five arrests for this offense were made in 1964. Sixty larcenies under \$50.00 were reported in 1964 for which 15 arrests were made.

During 1964, fifteen cars were reported stolen in Stoneham, compared with 16 in 1963. Eleven cars were recovered with 4 cars still missing. Nine cars stolen from other cities and towns were recovered by this department.

Sex crimes showed a marked increase with 19 serious offenses reported compared with 9 for 1963. Sixteen cases of open and gross lewdness were reported and 14 persons were arrested for this offense. Three rape offenses were reported and investigated. These investigations were brought to a successful conclusion by our investigating officers and three persons were arrested for these serious crimes.

Complaints of obscene telephone calls continue to plague our department. Forty-five complaints of obscene calls were investigated resulting in the arrest of 5 persons. Recent legislation has made this a criminal offense and we anticipate that activity of this sort will decrease as more and more individuals are arrested and prosecuted.

Arrests for drunkenness increased in 1964 showing a total of 100 compared to 79 in 1963. Fifty persons arrested for drunkenness reside in Stoneham, compared with 32 residents arrested in 1963.

Delinquency among minors increased revealing a total of 64 arrested for various offenses compared to 38 in 1963. Twenty minors were arrested for drunkenness, 3 for sex offenses, 11 for using motor vehicles without authority and 8 for various other offenses. Also 7 arrests for narcotics.

It should be noted that persons arrested for narcotic violations were attempting to purchase harmful drugs at our local drug stores. Excellent cooperation between the police and the various pharmacists has resulted in keeping this offense at a minimum. However, the storm warnings are up and parents must realize that a new menace for the teenagers is slowly creeping into our affluent society.

Other offenses included 9 persons arrested for assault and battery, 8 persons arrested for non-support, 9 arrests for operating a motor vehicle while under the influence of liquor, 5 arrests for operating to endanger; 4 arrests for illegitimacy. 2 arrests for runaway.

Other Duties

During the year 1964, the police ambulance responded to 504 calls for assistance.

Thirty-nine persons were reported missing from home. All missing persons were eventually located.

Police officers investigated 1,960 complaints, inspected 2652 houses, attended 47 alarms of fires, served 599 summonses and discovered 270 doors and 111 windows open during the nighttime at various business establishments.

The investigative bureau reported 65 fingerprints taken and 91 pistol permits processed.

Money recovered by persons making restitution for bad checks amounted to \$2700.04. Stolen property recovered totaled \$39,975.00.

Training

During the year several officers attended the Boston University School of Legal Medicine and Northeastern University School of Criminology.

Special emphasis was again placed on the training of officers in the proper use of firearms. A practical pistol course and instruction on the use of riot guns was conducted at the M.D.C. Range by Sergt. Edward Pinato. All members of this department were required to attend.

In-service training continued with Sergeants instructing the men in the proper use and efficient handling of all types of first aid equipment.

Commendations — Policeman of the Month

January — Officers Roberts and Konopacka commended for arresting two car thieves.

February — Officers Powers and Blauvelt commended for apprehending two 18 year old boys ransacking cars in the vicinity of Bear Hill Country Club.

March — Sergt. Joy, Officers Blauvelt and Powers commended for apprehending a rapist.

April — Inspector Moreira and Off. Edward McLaughlin commended for apprehending a person wanted for sex offenses in Redstone Shopping Center.

July — Sergt. Joy and Officer Marino commended for apprehending a person breaking into Walker Tonic Company.

August — Officer MacKay commended for apprehending an ex-convict wanted for robberies in Chelsea and Boston.

September — Officer O'Melia commended for apprehension of three teenagers wanted for stealing motor vehicles.

Retirements

During the past year, Lieut. William H. O'Toole and Sergeant Andrew J. Tuney retired from the Police Department.

Lieut. O'Toole was a dedicated police officer who served for over 40 years. He was responsible for systemizing accident reporting and age grouping. He was an excellent prosecutor and had earned the reputation in Court as an 'Old Pro'. He was a valuable asset to the department and a credit to the community.

Sergt. Andrew J. Tuney had been in charge of the Investigative Bureau. He was an excellent investigator and an expert interrogator. It was through his tireless efforts that many of our serious crimes were solved and brought to a successful conclusion. His knowledge of firearms, fingerprinting and photography gained him the reputation in police circles as the expert.

Both of the above officers deserve the grateful recognition of a job well done and we wish them only the best of luck during their retirement.

Respectfully submitted.

BERNARD C. VACON

Chief of Police

REPORT OF THE FIRE DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen:

The following report of the Fire Department for the year 1964 is respectfully submitted.

The personnel of the Fire Department consists of, One (1) Chief; Three (3) Captains; Four (4) Lieutenants; Twenty (20) Privates; One (1) Mechanic; and (9) Nine Permanent Intermittent Fire Fighters.

The Department during the past year answered 899 alarms, of which 125 were bell alarms (38 of which were false), 14 Mutual Aid calls, 774 still alarms including 85 Inhalator calls and 4 Oxygen calls.

There were used at fires during the past year: 9900 ft. of 2½" hose, 17650 feet. of 1½" hose, 59400 ft. of booster, 2973 ft. of Ladders, 56 water extinguishers, 23 CO2 extinguishers, (197 lbs.) and 2540 cubic feet of oxygen.

There was no life lost by fire this year

The amount of property endangered by fire was \$958,825.00

The amount of property lost by fire was 49,910.23

The amount of insurance paid was 44,318.23

The net loss for the year was 5,592.00

During the year there were 32 complaints received which were investigated by the Department, some of these with the cooperation of the State Fire Marshal's office and our local Building and Wire Inspector.

During the year 132 hours were spent on Fire Prevention work, which included the following:

During the year 214 Inspections were made. and hazardous conditions and violation of the law were noted, and the owners

and tenants ordered to correct these conditions. also 3 recommendations were made in the interest of Public Safety.

Nursing homes and Hospitals	38
Schools	16
Churches	5
Oil Burners	50
Mercantile	101
Special Inspections	4
L.P. Gas	5
Blasting Permits	58

Fire Drills were conducted by the Department in all public and private schools twice during the year for a total of 11 schools.

During the past year the members of the Department have drilled with the equipment at various times throughout the year to remain thoroughly familiar with the equipment and the use of it.

The motor equipment consists of Two (2) 750 gallon Seagrave pumping engines with auxiliary pumps capable of delivering up to a thousand pound pressure for use as a fog pump; a 750 gallon Seagrave pumping engine; a 200 gallon pumping engine, equipped with a 300 gallon booster tank, two 300 foot booster reels and 1500 feet of 1½ inch hose, a 65 foot Seagrave Junior Aerial Ladder truck, a Chrysler Chiefs Car and an aerial equipped Ford service truck for Fire Alarm use.

I wish to call to the attention of your board at this time that Engine 3, which is twenty-five (25) years old, and Ladder 1, which is twenty-one (21) years old, will have to be replaced shortly.

The Fire Alarm system which was installed in 1936 has given us considerable trouble within the past few years, and should be replaced immediately by a complete modern system in 1965.

I wish to express my thanks and appreciation to Mr. Furio Bracciotti, Liaison Officer of the Fire Department, and to the Board of Selectmen, for the cooperation shown by the Board in dealing with the problems of the Department.

In concluding this report, I wish to express my thanks and appreciation to the Police Department, the Building and Wire Inspector, and all other Town Officials, Department heads and

the Officers and members of the Fire Department and the citizens of the Town for their cooperation and assistance during the past year.

Respectfully submitted,
WILLIAM E. CROSBY
Chief of the Fire Department

REPORT OF THE DEPARTMENT OF CIVIL DEFENSE

Gentlemen:

I hereby respectfully submit the annual town report for the office of Civil Defense. I would first of all like to thank former Director Donald Moore who resigned in April due to ill health for his fine cooperation in the change-over of responsibility, his advice and guidance was most valuable.

I feel that the Office of Civil Defense has made tremendous strides in the past year and we hope that our program for FY 65 will be as successful. During the past eight (8) months we have participated in the following programs and/or Civil Defense activities:

a. Active participation in the Governors Highway Safety Campaign during the three (3) major holidays.

b. Active participation in the monthly Sector Directors meetings. Stoneham was the host unit for the month of September.

c. Monthly trips to the State Surplus Warehouse at Taunton, Mass. and the subsequent purchase of equipment available for Civil Defense needs.

d. Distribution of 5000 book covers to the school children of Stoneham through the cooperation of Dr. Scarpitto, Supt. of Schools and Safety Officer George McDonough of the Stoneham Police Dept.

During the year the highlight of our operation was the proclamation by the Board of Selectmen of "Disaster Control Week" November 22-28th which was climaxed by a display in the Town Hall Parking lot of the available Town and State Disaster Control Equipment and a Typical Shelter was arranged in the basement of the Town Hall together with a display of the Radiological Team and the Underwater Rescue Team.

Through the great efforts of the Deputy Director Edward Hayes in cooperation with the members of the Board of Public Welfare, the Civil Defense facilities at the Town Infirmary have been renovated and an emergency operation center is now in the progress of being completed. The Auxiliary Fire Truck and Rescue Truck are now housed in this building along with the emergency lighting equipment.

During the year it was necessary for Mr. Harmon E. Brammer to resign as Communications Officer due to business reasons and we thank Mr. Brammer for his fine work in the past. Mr. John Lyons of Summerhill Street has been appointed Communications Officer and is now working on the EOC.

In FY 65 we hope to organize and train under the leadership of Deputy Director Hayes and Lieut. Beckwith of the Stoneham Fire Department a Fire and Rescue Team. In addition classes are in the process of being organized for Fire and Police and Auxiliary Police in both Radiological Monitoring and Shelter Management.

I wish to thank all of the members of the Department of Civil Defense for their great efforts during this past year with special appreciation to the Deputy Director, Edward Hayes.

Respectfully submitted,
David F. Noonan, Jr.
Director

STONEHAM AUXILIARY POLICE
AUX. CHIEF ALFRED H. MURPHY

Annual Report of the Auxiliary Fire Department

David F. Noonan, Jr.
Director Civil Defense
Stoneham, Massachusetts

Dear Sir:

The Auxiliary Fire Department has taken part in the Governor's Highway Safety Program during the week-ends of Memorial Day, July 4th and Labor Day. These men volunteered a total of 120 hours during this program.

In the past year the Department has acquired a Buffalo Rotary Fire pumper truck to aid in training and natural fire fighting.

Because of the resignations and loss of men to the regular department we are now recruiting man-power and personnel to bring this department up to status to aid the regular fire department when necessary.

As the Auxiliary Fire Department has been combined with the Rescue Division for the coming year, plans are in progress for a training program in First Aid, Firefighting and Rescue for all members, at which time members will attend Massachusetts Civil Defense Academy at Topsfield to undergo further training in all phases of rescue.

I wish to thank Director Noonan, Deputy Director Hayes and the various other Civil Defense units for their cooperation during the year.

Respectfully,
LIEUT. CHARLES E. BECKWITH
Stoneham Fire Department
Training Officer Aux. Fire Dept.

Communications

The Communications Section of Civil Defense during the past year have participated in monthly checks with the Civil Defense Headquarters in Tewksbury to test communications systems in the event of an emergency.

A new communications officer was appointed and plans for the coming year were outlined to set up and participate closely with the local government in the event of a nuclear or natural disaster.

Plans are now under way to recruit more communications personnel at various locations around the Town to give the best possible coverage in all phases.

John Lyons
10 Summerhill Street
Communications Officer

Scuba Diving Unit Report

This Unit of Civil Defense was called upon five times during the past year to assist the Stoneham Police and other communities where necessary.

This Team underwent training throughout the year with all phases of underwater rescue which included under-ice rescue, night operations and continuous day operations. Many of the members also participated in training at the Massachusetts Disaster Control Academy in Topsfield.

Extensive training is still being planned for the upcoming year and together with newly organized Fire and Rescue Team feel they should be able to assist Town Departments where-ever necessary in case of any emergency.

Respectfully submitted,
Edward Hayes, Unit Chief
Deputy Director Civil Defense

REPORT OF BUILDING AND WIRE DEPARTMENT

To the Board of Selectmen and
to the Citizens of the Town of Stoneham:

The following is the Annual Report of the Building and Wire Department for 1964:

Number of		Fee
Permits	Nature of Permits	Received
252	Building	\$4,129.50
351	Wiring	2,227.75
8	Demolition	45.00
22	Building Code Books	44.00
		\$6,446.25

Below is a breakdown of the 252 Building Permits issued,

giving the estimated value of the work to be done, as shown on the applications.

50	New Homes	\$807,999.00
161	Alterations & Repairs	286,800.00
266	Apartment Units	1,600,000.00
6	Business Buildings	350,000.00
7	Private Garages	8,200.00
10	Signs	5,200.00
1	Church	30,000.000
		3,088.199.00

We of the Building and Wire Department with the co-operation of the Fire Department, Board of Health Department, Town Counsel, and the Board of Selectmen are making a sincere effort to improve some of our Town's Buildings which are in deplorable conditions. Our chief function is safety along with enforcing Building Codes and Zoning By-Laws. Definite measures are being taken by this Department to correct these Buildings which have been deteriorating for quite some time .

Our congratulations to the Citizens of Stoneham who finally saw fit to allow us a Gas Inspector which has helped to avert tragedies. In conclusion we wish to thank and commend Mrs. Gertrude Hamill for her efficiency and pleasantness as our Clerk also Mr. William L. Curran who is always helpful to us in many ways.

Respectfully submitted,
ANTHONY R. CIAMPA
Building Inspector
JOHN W. BIGGIO
Wire Inspector

REPORT OF THE PLUMBING INSPECTOR

To the Honorable Board of Selectmen
Stoneham, Mass.

Gentlemen:

The annual report of the Plumbing Inspector for the year ending December 31, 1964 is as follows:

Number of Permits issued	169
Number of Fixtures installed	1,856
Gas storage — hot water heaters	13

Electric storage — hot water heaters	18
Oil storage — hot water heaters	3
Hot Water Tanks	3
Tankless Heaters	21
Water Closets	438
Lavatories	434
Bath Tubs	279
Showers	92
Urinals	6
Sinks	279
Laundry Trays	21
Dishwashers	51
Disposals	109
Washing Machines	37
Drinking Fountains	3
Drains	4
Sewer Connections	42
Air Conditioners	1
Cold Water Supply Tanks Apartment Houses	2
Fees for Permits	\$1,392.00

Respectfully submitted,
Kenneth Shaw
Inspector of Plumbing

REPORT OF THE GAS INSPECTOR

To the Honorable Board of Selectmen
Stoneham, Mass.

Gentlemen:

I herewith submit my report as Inspector of Gas from
April 1, 1964 to December 31, 1964.

Number of permits issued	74
Number of Inspections	201

Respectfully submitted,
John M. Devlin
Gas Inspector

REPORT OF THE BOARD OF PUBLIC WORKS

The Board of Public Works, meeting March 9, 1964, voted to
organize as follows: John E. Finnegan, Chairman of the Board,

with members Cornelius J. Sweeney and John E. Shaughnessy. Miss Geraldine O'Grady was appointed Clerk of the Board, and Mr. Edwin D. Callahan was appointed Superintendent.

The Board is extremely pleased with the program made during 1964. As in past years, it is still the feeling of the Board that progress in a consolidated Public Works Department is brought about in great part by two basic reasons: one, the continuation of a planned program over the years, and two, the recognition that divisional functions of the Department, whether they be Highway, Sewer, Water, Park, Tree, Cemetery or Recreation are vital to the Town in their own right.

The Board's report will embrace the activities that took place during 1964 to some degree, but respectfully calls the attention of the reader to the report of the Superintendent of Public Works where a more detailed explanation of the functions and accomplishments of the various divisions may be obtained.

The reader will recall from last year's report the total installation of sanitary sewer lines installed during 1963 exceeded that of any previous year. During this year 1964, personnel of the Stoneham Public Works Department installed some 8822 feet of sanitary sewer mains. Supplementing this work, some 2479 feet was installed in Forest Street as a result of competitive bids under the supervision of the Town Engineer. These net figures show 35.4% more sanitary sewerage pipes were installed during the year 1964 as compared to the previous high year of 1963.

At the time this report is being written, 82.3% of Stoneham homes are now connected into the municipal sewer. Sewer installations take place throughout various areas of the Town dependent upon the demand, the availability of funds, and prior investments made by the Town in various pumping stations. The Board is very pleased with these results, and feels that, without any question, the Town of Stoneham is one of the leading Towns in the Metropolitan area in their recognition of the need of this vital utility to all residents.

Of equal importance during the year was the concentration put on the improvement to the Town's water distribution system. Some 4967 feet of water pipe was installed throughout the Town. This concentration on the Board's part was basically an effort to minimize the pressure loss in the high elevations of the Town during periods of drought. The effort was two-fold; one consisted of supplementing the main feed with an addi-

tional source of water, and two, the installation of larger pipe going north. It is the hope of the Board that during the coming year, the 12 inch water main will be extended across Main Street at the intersection of North Street. The Board had hoped this work would be done during 1964, however, the State Commissioners of Public Works denied the necessary permit to cross the State Highway at this location. The Board has appealed this denial, and at the time of this writing, has still to hear from the State on this matter.

The Board is very pleased to state, however, that as a result of the work done during 1964, it appears that the pressure loss previously experienced at the intersection of Main, Marble and Summer Streets has been halved. The M.D.C. has also assured the Board that this coming year will see the installation of the new Venturi, or equivalent, with the necessary fittings on that portion of their supply main located at Main and South Streets. It is the intent of the Board during 1965 to concentrate on improvements to the Town's water distribution system with the intent of further improving the water supply to those residents in the high elevations of Stoneham.

The Board is also pleased to state that the State Department of Public Works has now constructed an earth dam southerly of the M.D.C. swimming pool, which will aid in the prevention of flooding damage such as occurred a few years ago in this area. The construction of this earth dam was one of the items suggested to the M.D.C. at the time this flooding occurred: Of prime importance also during 1964, was the obtaining of borings on the part of the M.D.C. throughout southerly sections of the Town, a necessary step to be taken prior to the installation of drainage up through this area. This drainage will be designed and installed by the M.D.C. and is a result of the successful bill passed by the General Court in 1963 raising funds in the sum of \$10,000,000 to improve M.D.C. drainage facilities in Stoneham and other municipalities.

The construction work pertaining to the piping of sections of Sweetwater Brook, limiting the Town of Stoneham's share to \$90,000, as originally estimated by the State Department of Public Works, Division of Waterways, is now almost complete. This work also resulted from the successful passage of another bill in the General Court during the year 1963. For more information pertaining to these bills, the Board respectfully refers the reader to their 1963 report.

Chapter 90 construction work during the year saw the continuation of Spring Street westerly to a point beyond Summer Street. The Board feels there is no need to continue reconstruction under Chapter 90 on the remaining portion of Spring Street, and has applied to the County Commissioners, and the State Department of Public Works for Chapter 90 funds to be used on High Street in 1965 with construction proposed to begin at the Wakefield-Stoneham line and proceed south-erly within the limits of funds available.

This year also saw additional emphasis placed on the development of the recreational program in Stoneham. This consisted of an effort to gain more use from existing facilities, primarily the Town's tennis courts, the recreation building at Recreation Park, the increased activities made available at Recreation Park through the Summer program for youngsters, and the development of an additional skating area for children's use during the winter time at the A. P. Rounds Playground.

The Board is also very pleased to state that new members have been appointed to the Recreation Committee during 1964. Already this committee has supplied the Board with sugges-tions that will result in better recreational facilities for the youth of Stoneham . Perhaps of prime importance is the ob-taining of additional land for park purposes in the Town and the enlarging of the Winter recreation program utilizing addi-tional school buildings. The Board is keenly interested in ob-taining the use for park purposes of approximately 4 acres of land presently under the control of the Board of Public Welfare. This land abuts Broadway in the northeasterly section of Town. The Board of Public Welfare has very graciously consented to turn control of this section over to the Board of Public Works, and there will be an article for this purpose inserted in the 1965 annual Town Warrant. It would be the intent of the Board to develop this land over a period of time, as conditions merit, with a net result of obtaining an additional baseball diamond and perhaps a recreational area for the Town.

In concluding this report, the Board would like to take this opportunity to express their appreciation to the people of Stone-ham, to the various boards and committees, and to the per-sonnel of the Public Works Department, for their aid and as-sistance throughout the year.

Respectfully submitted,
John E. Finnegan
Cornelius J. Sweeney
John E. Shaughnessy

REPORT OF SUPERINTENDENT OF PUBLIC WORKS

The report of the Superintendent of Public Works for the year 1964 is hereby submitted. As in past reports, it is my intent to give as clear a picture as possible of the functions and accomplishments of the various divisions of the Department over the past year. In the case of specific functions such as the installation of sanitary sewer, this report will list definite quantities and locations, thus serving not only as a report but as a definite record for future references. The Public Works Department consists of seven basic divisions; these divisions being Highway, Water, Sewer, Park, Tree, Cemetery and Recreation. These divisions are supplemented by various physical properties throughout the Town consisting of three sewer pumping stations, a recreation building, a gravel pit, traffic standards, the Stevens Street pipe yard, the Pine Street yard and buildings, the cemetery land and building, and various parks. The budgetary funds voted at the Annual Town Meeting are for the carrying out of the functions of these various divisions and for the maintenance and improvement to the physical properties referred to above. I have gone into some detail here for I feel a basic knowledge of the Department's responsibilities is necessary for a better understanding of this report.

While the personnel of the various divisions are trained primarily for a definite type of work such as water main installation, road construction, etc., interchange of personnel and equipment takes place frequently for the overall efficiency of the Department as the demand dictates. The Highway Division, for example, may be required to install water or sewer pipe, the Water Division called upon to install drainage, or the Park Division aid the Tree Division in tree removal. This interchanging of personnel and equipment is invaluable in keeping up with the various type of work demands the Department is subject to. It should be stressed, however, that all divisions represent a vital type of work in their own right and that progress should never be sought in one division at the cost of another. It is my belief that the growth of the Town in recent years, with the resulting addition to the work load of the Department, has been met to a considerable degree through the ability to interchange personnel and equipment as the need arises, plus the use of labor saving machinery, and proper planning.

The policy of planned work with emphasis not only on new construction, but also on the necessity of performing more

maintenance work in established sections of the Town has been maintained. The latter is very important as existing streets, drainage, parks, sidewalks, water and sewer distribution systems represent an extremely sizeable financial investment which must be protected through proper maintenance.

HIGHWAYS

Concentration on the maintenance of existing roads throughout the Town continued with the net result that 1.06 miles of roads were resurfaced with bituminous concrete. The use of bituminous concrete to this extent was made possible by Chapter 782 funds, Acts of 1962 and Chapter 822 funds Acts of 1963. This excellent paving material will result in minimum maintenance on the roads resurfaced for many years. The streets so paved are as follows: Washington Street from Spring Street to Elm Street, Wescott Road, Peabody Road, Cherry Avenue, Myrtle Street from Washington Street to Avon Street, and Lindenwood Road from Main Street to Cottage Street. This figure of 1.06 miles does not include any Chapter Ninety streets or streets constructed under the Betterment Act during the year.

During the year, the Department installed 493 feet of drain pipe, plus eight drain structures throughout the Town. This work is made possible under a drain bond voted for this purpose and is vital in the protection it can offer residents from street water. The constant new construction in the Town many times necessitates the extension of drain systems. The brooks of the Town require constant maintenance, supplemented by personnel of the Department whose function during extreme storms is to keep the various grates at the culverts free of debris. This has been of definite aid in keeping to the minimum flooding conditions occurring with the property abutting these open waterways. The year also saw the addition of 3,988 feet of drain pipe plus forty-eight drain structures installed in various sub-divisions throughout the Town under the supervision of the Town Engineer at the developer's expense. At the time this report is being written construction work is continuing on the drainage project at the Colonial Park School, consisting of the installation of 300 feet of 36-inch drain pipe, as authorized under Article 45 of the 1964 Annual Town Warrant.

STREET CONSTRUCTION

The above heading refers to streets accepted at a Town Meeting and constructed under the Betterment Act. Under this Act the cost of construction is paid by the abutters on the

street. Street hearings are held by the Board of Selectmen, and the recommendations of the Selectmen are presented to the voters of the Town at a Town Meeting. During the year 1964 the following street was constructed in accordance with this format:

Gorham Avenue — Accepted at a Special Town Meeting held May 25, 1964 under Article 12. This roadway construction consisted of approximately 390 feet from Main Street, easterly, including necessary drainage, with a gravel base of 9½ inches and a bituminous concrete surface, after rolling, of 2½ inches.

As previously mentioned in the Board's report, this year has been an excellent one from the viewpoint of sanitary sewer facilities made available to the residents of our Town. A factual report of the sanitary sewer installed follows below.

Sewer Construction by Public Works Department Personnel:

Green Street (in easement)	261.8 feet
Green Street (Melba Lane southerly)	756.6 feet
Green Street (easement northerly)	468.3 feet

Above sewer construction in Green Street completes this construction as authorized under Article 40 of the 1963 Annual Town Warrant.

Whipple Avenue	374.5 feet
Spring Street	15.0 feet
Hanford Road	719.4 feet
Janice Lane	363.9 feet
Erickson Street	1,227.7 feet
Gorham Avenue (50-68)	71.2 feet
Oak Street	422.5 feet
High Street	1,549.7 feet

(Article 44 of the 1964 Annual Town Warrant)

Lawndale Road	371.8 feet
Drummond Road	695.8 feet
Arlene Avenue	400.00 feet
Stevens Street	197.0 feet
Green Street	278.7 feet
Randolph Road	147.0 feet
North Street	86.7 feet
Evans Road	414.7 feet

8,822.3 feet = 1.671 miles

SEWER CONSTRUCTION — under contract to the Town.

Forest Street — A sanitary sewer was installed from Robin Hood Road westerly a distance of approximately 2,479 feet terminating just to the west of Elizabeth Road. This construction, done under the law relating to the assessment of betterments, was authorized under Article 43 of the 1964 Annual Town Warrant. Plans and specifications were prepared by the Town Engineer, competitive bids were obtained and opened June 15, 1964. The contract for this work was awarded to Cirone Bros. Equipment Co. Inc., the lowest competitive bidder, by the Board of Public Works, at their meeting of June 22, 1964.

SEWER CONSTRUCTION — by private contractors in subdivisions at the expense of the developer under the supervision of the Town Engineer:

Lawndale Road	847.0 feet
Collincote Street	41.7 feet
Walsh Avenue	882.0 feet
Alden Avenue	530.0 feet
DiNanno Road (East)	310.0 feet
DiNanno Road (West)	380.0 feet
Nixon Lane	58.0 feet
Lee Street	610.0 feet
San Jose Terrace	143.0 feet
Brookbridge Road	830.0 feet
North Street (Steele Land)	232.0 feet
Hall Road	686.0 feet
North Street (at Pope Street)	107.2 feet
Gigante Road	452.0 feet
Stonehill Drive	500.0 feet
Main Street	497.0 feet
(North Street to Stonehill Drive)	
Ferdinand Street	290.0 feet
Cricklewood Drive	230.0 feet

7,625.9 feet = 1.444 miles

Chapter 90 Maintenance

The \$4500 made available for this work was used on the following street:

Main Street — From just south of Marble Street to the south side of Maple Street, a distance of approximately 1,525 feet.

The above street was resurfaced with 1½" of bituminous

concrete, thus continuing the Chapter 90 road program initiated some six years ago. This concentration on Main Street now, in conjunction with the section resurfaced two years ago, should minimize for many years the need of costly reconstruction repairs to this street. The majority of the Chapter 90 streets are well constructed, thus the resurfacing referred to above is, practically speaking, a new wearing surface. We feel the success of this program is apparent, and are pleased with the progress made on the Chapter 90 streets. Two-thirds of the cost of this work, incidentally, is returned to the Town by the State and County.

Tar Sidewalks

The funds, consisting of \$3,000 used for these walks are derived through an article inserted in the warrant yearly for this purpose. Though the expenditure is a modest one, this is a vital article to this community, insuring the upkeep of the present tar, so-called, sidewalks. During the year 1964 approximately 1,349.5 feet of existing sidewalks on various streets were resurfaced with hot top. While it is true we are in a motorized age. I feel the maintenance of sidewalks, and as time and funds allow, the construction of more new walks should be emphasized particularly for the benefit of those groups of our population representing the children in lower grades, and the elderly.

Water Services

During the year fifty-three new water services were added to the distribution system bringing the total of active services in the Town to 4,797. We also relaid forty old water services, installing copper tubing. This work, that is the relays, is done at the request of the home-owners, with the Town absorbing the cost on the street, and the home-owners paying the cost on their property. The program of pulling the old services has been extremely successful, and when successful, lowers the cost to all concerned considerably. The variable is, of course, the condition of the old pipe, whether or not it is still strong enough to withstand the strain of pulling. All water services in the Town are metered, read semi-annually.

Sewer Services

This year saw the addition of 165 sewer services added to the sewer distribution system, an increase of 60% over the sewer services installed in 1963. A total of 3,798 services now exist in the Town. It is worth mentioning this figure deals only with the active services, not the various homes where sewer is avail-

able in the street, but is not yet connected to the property. The installation of sewer services is a constant job, the applicant paying the entire cost of the service. Once installed, the sewer service, that is, from the home to the street, is maintained without charge to the homeowner. Generally speaking, the maintenance problem occurs as a result of improper waste put into the line by the home-owner or the growth of tree roots into the pipe. The latter problem has been minimized considerably through the use of asbestos cement pipe.

Street Signs And Beacons

Under this account all traffic signs, traffic markings, traffic lights, etc., are installed and maintained by this Department. The actual determination of the type of sign and location rests with the Police Department and the Selectmen, functioning as Police Commissioners. The labor required for the installation is done by personnel of this Department. I stress this point for it has been my experience that many residents interested in posting a street for speeding or perhaps requesting a stop sign, are not familiar as to where the actual authority rests.

During the year 1964, some 11.7 miles of white center lines were put on various roads throughout the Town. I firmly believe these lines are of definite value to the safety of the public and hope to continue this program during the coming year.

Engineering

This division functions under the control of the Town Engineer and is responsible for the maintenance and enlargement of the Town water, sewerage and drain distribution system plus the construction and maintenance of the Town's roads. This work basically consists of the drafting of initial plans, the supervision of the work during construction, from the viewpoint of providing adequate construction lines and grades, to the final step of preparing record plans. The Town Engineer also provides all cost estimates on such matters as street construction for acceptance, sewer and water main extensions, sidewalk construction and their miscellaneous items requiring estimates throughout the year. The engineering and estimating for any projects under the State control, such as Chapter Ninety and Ninety-one is of course done by the respective groups of the State Department of Public Works.

In the case of all Betterment projects, such as road construction, sewer and water installation, etc., final cost figures

are checked and submitted to the Board of Assessors by the Town Engineer upon completion of the work. The Engineering Division is also responsible for the approving of subdivision plans from the engineering viewpoint to the Planning Board, and for the recommendation of the monetary sum that is used by the Planning Board to determine the necessary bond. This is a courtesy the Public Works Department is pleased to extend to the Planning Board. All construction work done in subdivision is also supervised by the Engineering Division and it is on the satisfactory completion of this work that bonds are released.

The above work is supplemented by such functions as establishment of streetlines, inspection of houses before blasting, various traffic surveys, etc.

Administrative Staff

The administrative staff actually functions as the nerve center of the entire organization, the main function being to route all business into the correct channels, thus having a direct bearing on the Department's ability to serve the public's needs. When it is considered that this business concerns the functions of water, sewer, highway, park, tree, cemetery and recreation divisions, in a Town of approximately 19,000 people, some idea of the demands upon the administrative staff is gained. A sizeable portion of the work consists of preparing contracts, computing weekly payrolls and bill warrants, computing and mailing of over 9,000 water bills yearly, purchasing of necessary materials, maintaining various cost records, etc. Other functions are of such a nature that they must be routed to the men responsible for the work; for example, requests to read meters, to shut off water, to relieve sewer plugs, requests for sanding, requests concerning tree problems, etc.

Road Machinery Maintenance

The mechanical equipment of the Department is maintained for the most part by our mechanic. He is directly responsible for the upkeep of all vehicles and equipment which includes such units as a grader, bulldozer, mechanical shovel, road roller, snow loader and trucks of varying size. This ability to do the majority of our own maintenance work is strongly reflected in lack of time lost and monetary savings. Repair of equipment, painting and periodic greasing and oil changes are carried on throughout the year.

Equipment Purchased During 1964

The Board of Public Works, authorized by the 1964 Annual

Town Meeting, selected the following equipment under the respective Articles listed below:

Article 37 — Purchased one Leach Int. Chassis Loadpacker.

Article 38 — Purchased one 1-ton International Dump truck with plow and disposed of one 1952 Chevrolet truck. Purchased one 1964 Biscayne Chevrolet and disposed of one 1959 Chevrolet.

Article 40 — Purchased one 4 to 5 ton International Dump truck and disposed of one 1949 Mack.

In the case of the above equipment specifications were drawn up by the Town Engineer, and competitive bids were obtained by the Board of Public Works. All equipment was purchased from the lowest bidder qualifying under the specifications.

Snow And Ice

The total accumulation of snow for the winter season was approximately 82¼ inches in Stoneham. In our reports, we refer to the season as that period of winter from November 1963 through April of 1964. Plowing and sanding operations took place frequently as weather conditions merited. We are keenly aware that the winter season is a difficult one for both motorist and pedestrian alike, and we do our best to remedy snow and ice conditions as soon as possible. As in past reports, I again feel obligated to stress the value of municipally-owned equipment, both from the monetary viewpoint, and the mechanics of the actual plowing operation. It is interesting to note the last five continuous seasons have shown snow measurements of 51½", 70¾" 53½", 46¾", and 82¼" in Stoneham.

Sidewalk And Curbstone Construction

During the year approximately 1,227 feet of new sidewalk and 214 feet of curb was installed throughout the Town. The sidewalks were constructed of bituminous concrete and cement, as determined by the request of the abutter. As mentioned in previous reports this work is done at the request of the abutter under the Betterment Act, the applicant paying one half the cost, the Town the other half. The majority of the sidewalks constructed were of concrete, with some 1.087 feet being constructed on Sunrise Avenue, a street in close proximity to the Robin Hood School.

Physical Properties

Throughout the year maintenance work took place on the grounds and buildings that are the responsibility of this De-

partment. This maintenance is done for the most part by our personnel and consists of the maintenance of the six buildings located at the Pine Street yard, three sewer pumping stations, the Recreation building, one building at the Round's playground, a building at Lindenewood Cemetery and other land properties throughout the Town.

Tree Division

During the year emphasis was placed on the trimming of trees throughout the Town and a continuation of the tree planting program. This work was supplemented by the removal of trees in a diseased or dangerous condition resulting from Dutch Elm or, in some cases, previous construction work in the area.

The emphasis on the tree planting program resulted in 234 trees being planted, many as replacements and many on private property abutting new streets. Whenever possible, the trees are planted on private property approximately five feet from the street line. This location has resulted in the elimination of the damage previously done by trees planted in the conventional grass plot to sidewalk curbstones and road gutters. It also has the effect of giving the tree a much more adequate breathing area. The value of trees to any municipality is quite apparent when one looks at areas such as Steele Street and West Street. This work is made possible through an article submitted to the Town Meeting every two years raising funds of approximately \$1500.

The incidence of Dutch Elm disease has remained constant with that of previous years with no completely accurate means yet developed to control this disease. We do feel the minimum loss in Stoneham from this disease is due to the quick removal of the diseased tree and the yearly continuance of a planned spraying program. Continuing the policy begun last year, the use of D.D.T. has been discontinued and we are using Sevin. This insecticide, while chemically equivalent to D.D.T., does not create a residue building problem and is far less toxic to animals and plants.

As a result of the Town vote transferring the small section of land abutting Franklin Street, previously used as a tree nursery, from the control of the Board of Public Works to the School Committee, all street plantable trees have been removed from this small nursery and transferred to the Town's other nursery located westerly of Richardson Road. The department

purchases trees while quite small, and they are allowed to reach a street plantable height in the nursery and are then planted in street locations throughout the Town.

A hired machine continues to be used for the removal of tree stumps below grade which is still the most economical means at our disposal. The Town gravel pit serves as the area for brush and stump disposal necessitating the use of a bulldozer to push debris over the banking from time to time.

As in past years, the Tree Division has also aided in sanding and plowing operations throughout the Town and has aided other divisions of the Department in times of need.

Park Division

The main function of the Park Division is the maintenance and improvement of the parks of the Town. This is supplemented by maintenance of the Town Hall grounds, various playgrounds for the park program located on school and park properties, the Recreation building, the hockey rink and three skating areas, the Little League fields and twelve triangles throughout the municipality.

During the year the following additional work was completed by the division working within the limits of the annual budget:

1. Installed new playground equipment for the Recreation program at the East School.
2. Painted the interior of the Recreation Building at Recreation Park.
3. Constructed permanent chain link nets for use of the girl's field hockey team.
4. Constructed new childrens' skating area at the A. P. Rounds Playground.
5. Installed chain link fence along west and east property lines of Upland Road sewer pumping station.
6. Planted considerable shrubbery to properly landscape Upland Road pumping station lot.

During the year, portions of chain link fence were raised to a greater height at the A.P. Rounds Playground and Recreation Park abutting Dale Court in an effort to minimize the potential hazard caused by out-of-bound balls.

The recreational program was expanded this year primarily through the employment of a tennis instructor, and an arts and crafts instructor.

The addition of these two instructors has aided considerably in obtaining more recreational use from the tennis courts located at Pomeworth and Washington Streets and the Recreation building at Recreation Park.

As mentioned in last year's report, the Recreational program initiated at Recreation Park during 1963 has attracted children to the degree that an additional instructor had to be added in 1964. Continuing the program of past years, bus services were obtained and a bus ran daily, Monday through Friday to the M.D.C. swimming pool. The Saturday gym program has been continued and it is our hope that during 1965 this program can be expanded to the degree where it will be offered throughout other schools in Stoneham.

I would like to take this opportunity to express our thanks to the School Committee and to Dr. Scarpitto for their aid in developing this program by making school buildings available.

Cemetery

We are pleased to state that this year saw the completion of the grading and landscaping of the extreme northeasterly section of Lindenwood Cemetery. This is the property abutting the new road which was constructed the prior year. This work was accomplished with funds from the sale of lots and graves and was thus independent of the tax rate.

The existing chain link fence around sections of Lindenwood Cemetery, that is specifically, from the northerly gate opening on Lindenwood Rd. to the northwesterly corner has been painted during the year 1964.

The area presently developed in Lindenwood Cemetery consists of approximately thirty acres that must be mowed and maintained in proper condition. On the east side of the cemetery we have continued our program of filling existing land where needed and this year have graded a good deal of this area for additional grave sites.

In the year 1964, eighty-four interments took place and one hundred three new graves were sold. For a list of the receipts during the year 1964, the attention of the reader is respectfully directed to the report of the Town Accountant.

Rubbish Disposal

This collection takes place weekly throughout the Town. As a result of the Nov. 26, 1962, Special Town Meeting, Article

5. the refuse is now trucked to the DiMatteo dump site located in Saugus, Mass. This, of course, is due basically to the action of the General Court in prohibiting open burning throughout the Greater Boston area which has resulted in the elimination of numerous dumps. Some idea of the magnitude of this problem can be obtained when one realizes there are approximately twenty-one towns and cities using the Saugus dumpsite at this time. It appears the most efficient means of disposal devised to date is that of incineration. This is a costly method but can be minimized to some degree through a joint effort of two or more municipalities. Definite advancement could also be achieved by the private sector of our economy which would have greater freedom in the attraction of customers to an incinerator constructed by private capital. At the time of the writing of this report definite probabilities exist in the near future with respect to both of these methods. It should be stressed that in a Town as compact and residential in nature as Stoneham a site for an incinerator is very difficult to determine, as stated in last year's report. At the request of the Board of Public Works, the engineering firm of Fay, Spoffard and Thorndike, Inc., made a report on refuse collection and disposal to the Board. The report firmly states the only acceptable site for sanitary land fill in Stoneham has a short life, and estimates the cost of \$37,000 annually with an estimated life of three years. This method obviously offers no permanent solution. The report also deals with the possibility of constructing an incinerator to serve Stoneham only and estimates the annual cost at \$84,000. It is impossible to go into the fine nature of the report here. However, we have copies available in the office and would be pleased to make them available to anyone who is interested in the subject. I might add in concluding that the previously acceptable site for a sanitary land-fill operation is presently under lease to the Town. This was authorized at a Town Meeting which occurred prior to the General Court prohibiting open burning. Should the present disposal site in Saugus be closed the value in having the use of this land is obvious. Even with the knowledge it offers only a temporary solution coupled with the relatively high operating cost of a sanitary land-fill operation it will provide us with a means of rubbish disposal. This land incidentally is used during winter months as a site for snow disposal resulting from the loading operation. The nearness of the site to the churches and business district, plus the lack of other suitable sites, provides a very economical means of disposing of the snow.

During the month of December, 1964, representatives of Wakefield, Reading, Lynnfield and Stoneham met at the Town of Wakefield to discuss the possibility of acting jointly in the construction of an incinerator. The meeting proved to be very fruitful. It was voted by all Towns present that the Wakefield authorities request their Town Counsel to draw up an article for the acceptance of Section 44A, Chapter 40 of the General Laws. The Town Counsel would then send this prepared article to the counsels of the respective Towns involved at which time it would be submitted in the Annual Town Warrants of each Town. This section 44a would have the effect of forming a special unpaid committee to be known as a Regional Incinerator Planning Committee.

Meetings with these municipalities have been held in previous years, however this is the most definite progress brought about to date that will hopefully result in joint incineration. There appears to be no question that joint incineration, that is, two or more municipalities using one incinerator is the most economical means of dealing with this problem.

As in prior years we continue to hold two clean-up weeks; one in the fall and the other in the spring of the year.

Chapter 90 Construction

As anticipated in last year's report the reconstruction of Spring Street was continued this year, a distance of approximately 1125 feet westerly. The contract was awarded to S. Rotondi and Sons, the lowest competitive bidder.

We are pleased to state that a new bituminous concrete sidewalk on the southerly side of Spring Street has been continued the length of this project. This results in a new walk on the south side of Spring Street from East Street to Green Street, the only exception to this being existing concrete walks. The continuation of this new sidewalk will be of value to, not only the residents but to the many children attending the East School.

In the case of Chapter 90 reconstruction, the Town raises the entire estimated sum through an article in the Annual Town Warrant, and after completion of the work, 75% of the funds expended are returned to the Town by the State and County.

Water Construction

During the year 1964, a good deal of improvement took place on the development of the Town's water distribution sys-

tem in an effort aimed primarily at aiding the water pressure in the high elevations of Stoneham. A 12" main was installed in Washington Street replacing an old 6" main. This 12" installation was a continuation of the effort to bring more water northerly to the high areas. This becomes apparent when it is understood that this 12" main connects into a 12" main located in Spring Street, and also makes connections into a 12" water main, installed some ten years ago in Elm Street.

At the present time, the main supply line to the Town of Stoneham is a 20" M.D.C. feed. This M.D.C. feed at the intersection of Main and South Streets supplies a Town-owned 20" line that runs up Main Street northerly from this intersection. Definite steps have been taken in an effort to improve this supply. One is the connection of an 8" pipe from Buttonwood Road projecting through a 16" main in North Border Road to the 20" main located in Main Street. Another step is greater utilization of the 16" water main located in North Border Road and Park Street terminating at Marble Street. Here again, maximum advantage was taken of this 16" feed in Park Street by installing a new 12" pipe in Marble Street from Park to Main Street supplementing the 6" feed installed some years ago in Marble Street. This new installation in Marble Street had the effect of bringing additional water into the 20" pipe located in Main Street at the intersection of Marble and Summer Street. Pressure tests had been taken during the year under drought conditions and on the basis of these tests, taken after completion of the work mentioned, it appears the pressure loss at Main and Summer Streets has now been halved.

It was the hope of the Board during the year to cross Main Street, Route 28, at the intersection of North Street in order to extend the 12" loop in the northerly area. Unfortunately, the State Department of Public Works Commissioner did not approve our application requesting the installation of this 12" main across Main Street. The Board has appealed their decision on this matter, and it is hoped this work can be done in 1965.

The M.D.C. has also assured the Board of Public Works that a new meter will be installed at the intersection of Main and South Streets. Here again, the installation of a new Venturi, complete with fittings, on the part of the M.D.C. will aid considerably in maintaining pressure throughout the Town.

During the year a total of 4,969 feet of water main was installed by personnel of the Stoneham Public Works Department. The connection mentioned in last year's report in

Whipple Avenue has now been completed, and here again, an additional source of water for the northeasterly area has been provided. With the acceptance of the undeveloped portion of Gorham Avenue taking place during 1964, an 8" water main was connected through from Main Street to Fairview Road. This connection results in the obtaining of an additional feed to this portion of the southerly end of Stoneham. Connections of this nature are not only valuable in the overall strength of the water system, but are also extremely important from the viewpoint of supplying water to an area during an emergency.

A total of 5,424 feet of water main was installed by various developers in sub-divisions throughout the Town at their expense. This work in the sub-divisions is done under the supervision of the office of the Town Engineer.

The entire maintenance and developing of the water distribution system, including debt on water bonds, is supported by the revenue collected through the sale of water. In view of this, it is interesting to note the cost of water to the Stoneham consumer, as compared to others in this area. A sample of 200 residential bills was obtained and the Stoneham rates applied to an average consumption of 8800 cubic feet. Once this average consumption was determined, rates existing in communities abutting Stoneham to the north were applied. In one community the water bill was 58.7% more than Stoneham, and in the other community, 39.7% more.

I would like to express my appreciation to the people of Stoneham, to the various boards and committees and to the personnel of the Department.

Respectfully submitted,
Edward D. Callahan
Superintendent of Public Works

ANNUAL REPORT OF THE BOARD OF HEALTH

To the Citizens of Stoneham:

Your Board of Health submits herewith their Annual Report.

On Tuesday, March 24, 1964 at a regular meeting of the Board of Health they organized as follows:

Frederick F. Mosley, Chairman
Harrison Hyer, Secretary

Harold Hurd, Member

The following appointments were made:

Dr. Edward Breagy, Honorary Dental Advisor

John J. Devine, Collector of Milk and Ice Cream Samples
and analyst.

Dorothea V. Flynn, Agent and Clerk

Harold C. Hurd, Health Officer and Sanitarian

Murrah V. Kennett, DVM., Slaughtering Inspector

Katherine L. Kenny, R.N., Board of Health Nurse

Henry E. Leavitt, M.D., Board of Health Physician

Phyllis D. Lovering, D.H., Dental Hygienist

Frederick F. Mosley, Milk Inspector

John Smallcomb, DDS., Board of Health Dentist

Mildred B. Tufts, Clerk to Board of Health Nurse

The townspeople, at their Annual Town Meeting in March, 1964, gave us permission to appoint a Milk Inspector, Health Inspector and Sanitarian from our membership with a resulting coordinated program.

In May we conducted, on two separate days, a dog clinic in which we immunized 300 dogs against rabies. This program is conducted annually for any licensed dog whose owner is a resident of Stoneham. The vaccine used in our clinics immunizes for a two year period so that any dog attending the clinic only has to be inoculated every other year. Dr. M. V. Kennett, DVM, of the Stoneham Animal Hospital is the attending veterinarian.

In May we sprayed the lower and swampy areas of the town against mosquitoes and other flying insects. The work was done by helicopter. In June the entire town was given an application of an approved insecticide against insects. This proved quite satisfactory, however, we feel that another similar spraying at the proper time would prove to have the insect problem well under control. We have continued our rat and pest control projects periodically and on area complaints. We believe the pest situation well under control at this time.

The Board of Health physician, Dr. Henry Leavitt, was taken seriously ill the latter part of February and it became necessary for us to engage a doctor who would be willing to give us professional advice and who would act for us in an emergency. We contacted and engaged Dr. Grace Fairchild who filled in for Dr. Leavitt and who also acted as our Physician at the Spring Immunization Clinics. We are very grateful to Dr. Fairchild for doing such a wonderful job filling in for Dr. Leavitt.

On July 1, 1964 we were fortunate in obtaining the services of Dr. John A. Danis who had just opened an office in Stoneham. He supervises the professional services conducted by the Board of Health, gives physical examinations at the parochial schools, administers vaccines at the Board of Health clinics, gives advice and counsel on health and medical matters.

We feel privileged in being a part of the Eastern Middlesex Mental Health Association which is made up of a group of towns in this area who have entered into a program of guidance to persons requiring assistance in solving their emotional problems. We appeal to the townspeople for their continued support in this necessary and worthy project.

Following are the reports of various phases of the Health Department which we hope will be of interest to the citizens of the Town of Stoneham.

May we take this opportunity to thank our personnel for their fine cooperation and diligent service to the Board and to the townspeople.

Respectfully submitted,

Frederick F. Mosley, Chairman

Harrison Hyer, Secretary

Harold Hurd, Member

Communicable Disease Report

The following cases were reported to us in 1964. We also give a comparison with previous years.

	1960	1961	1962	1963	1964
Chicken Pox	225	84	113	45	46
Diphtheria	0	0	0	0	0
Dog bites	79	91	97	74	117
German Measles	23	25	17	227	512
Infectious Hepatitis	1	0	2	8	1
Measles	84	211	138	18	11
Mumps	71	38	68	173	19
Polio	0	0	0	0	0
Salmonella	6	0	2	6	3
Scarlet Fever	14	34	17	13	11
Tuberculosis	1	2	2	1	4
Whooping Cough	0	1	4	10	1
Other	0	1	4	10	1

Report Of Licenses And Permits Issued

The following licenses and permits were issued by the Board of Health:

Milk:

Pasteurization	2
Wholesale	21
Retail	45
Sale of Ice Cream	38
Manufacture of Ice Cream	1
Sale of Oleomargarine	20
Bottling of Carbonated Beverages	2
Methyl Alcohol	33
Cesspool and Septic Tanks	1
Other	16

There were 23 Premature Infants born to Stoneham parents in 1964.

We issued 289 Burial Permits issued to local undertakers who presented proper death certificates.

Biological products furnished by the Commonwealth of Massachusetts were distributed to Stoneham doctors, the New England Sanitarium, and to the Board of Health Clinics as needed.

Amounts turned into Treasurer's office as a result of clinics and the issuing of Licenses and Permits totaled \$1,287.15.

Respectfully submitted,
Dorothea V. Flynn, Agent-Clerk

Report Of Dental Hygienist

The following report is submitted for the year ending in December 1964:

Total number of examinations	1367
Total number under treatment	1218
Total number without defects	638
Total number of defects	736
Total number of notices sent home	172
Total number of children taken to Forsyth for cleaning	838
Total number of cleanings done in Dental Clinic	240
Total number of home visits	10
Total number of days worked by Dr. Smallcomb	90
Total number of children treated by Dr. Smallcomb	529

Dr. John Smallcomb's work, done at his office, consisted of the following:

Number of amalgam fillings	483
Number of cement fillings	2
Number of novocain injections	265
Number of porcelain fillings	60
Number of extractions	72
Number of zinc oxide treatments	102
Number of Bite-Wing x-rays	49
Number of single x-rays	1
Number of examinations	3

The Dental Hygienist participates in carrying out the following functions:

1. Examination of each school child from Grades 1 through 6 and the Special Classes.
2. Charting each mouth, noting all fillings, cavities and defects.
3. Filing all charts in the Dental Clinic.
4. Acquainting each child with their particular dental needs such as daily dental care and regular dental visits.
5. Notifying parents when excessive cavities are present.
6. Conferring with parents in the home relative to dental care or work.
7. Interpreting to parents, teachers and pupils findings of dental examinations and assisting in arranging for correction when possible.
8. Taking children to Forsyth Dental Infirmary for oral prophylactic treatments.
9. Giving oral prophylactic treatments in the Dental Clinic when requested.
10. Helping to promote good health, appearance and acceptability through regular dental visits.
11. Keeping accurate record of daily work, financial transactions and appointments.
12. Transporting the children to and from the Dental Clinic and the Dentist's office.

13. Acquainting the parents of pre-school children at the orientation meetings regarding the dental program.

Respectfully submitted,
Phyllis D. Lovering
Dental Hygienist

REPORT OF THE BOARD OF PUBLIC WELFARE

To the Citizens of the Town of Stoneham:

The Board of Public Welfare herewith submits its annual report for the year 1964.

Following the Annual Town Election, the Board held its first meeting on March 5, 1964, and was organized as follows:

Alton W. Estes — Chairman

Michael J. Rolli — Secretary

Donald J. Morrison — Clerk

At this meeting it was unanimously voted that the Board of Public Welfare act as members of the Bureau of Old Age Assistance for the ensuing year and this Board was organized as follows:

Michael J. Rolli — Chairman

Donald J. Morrison — Secretary

Alton W. Estes — Clerk

It was unanimously voted to make the following appointment.

Paul E. Houghton — Director of Public Assistance

Due to the death of Charles J. Meehan, in February 1964, it was necessary to appoint a new Superintendent and Matron of our Town Infirmary.

At the meeting of the Board held on March 19, 1964, it was voted to appoint Mr. and Mrs Robert T. Estes as Superintendent and Matron of the Town Infirmary effective as of April 8, 1964.

Meetings of the board continued to be held on the first and third Thursdays of each month, at which time all policies and activities of the Department were discussed and acted upon.

The office was open daily, Monday through Friday, from 8:30 A.M. to 12:00 Noon and 1:00 to 4:30 P.M.

Any citizen, or client of the department, was given the opportunity to appear personally or to be represented at the Board Meetings for information or to register complaints.

The department personnel continued to consist of a Director, two Social Workers, a Senior Clerk and a Junior Clerk.

All five categories of assistance are handled by this staff and each member is under Civil Service as required by law.

The Federal Government reimburses the town for fifty per cent of the Salaries and Expenses of Old Age Assistance, Medical Assistance for the Aged and Disability Assistance. Reimbursement of seventy-five percent is given for Aid to Families with Dependent Children. The Commonwealth of Massachusetts also reimburses the town for twenty-five percent of the Salaries and Expenses of all programs but General Relief.

The Federal Government and Commonwealth also reimburse the town for approximately eighty-four percent of Old Age Assistance, seventy-three percent of Aid to Dependent Children and seventy-five percent of the Disability Assistance Program and Medical Assistance for the Aged.

Receipts from the Federal Government are placed in a separate fund and are used only by the Welfare Department. These funds are used in figuring our annual appropriations and our requests from the town are reduced accordingly.

GENERAL RELIEF

The General Relief Case Load was much lower in 1964 than 1963 and the expenditures were also much lower in 1964 than 1963. Our expenditures in 1964 were \$7162.35 as against \$15,777.71 in 1963 or a difference of \$8615.36. We were able to return an unexpended balance of \$9135.65 to the General Fund.

The following schedule shows the activity of General Relief during the year:

COMPARISON OF OUTSIDE RELIEF CASES AIDED, 1963-1964

	Cases Persons		Cases Persons	
	1963		1964

November	6	10	7	13
December	4	10	5	14
	<hr/>	<hr/>	<hr/>	<hr/>
Total	92	181	51	143

AID TO FAMILIES WITH DEPENDENT CHILDREN

This category of assistance showed an upward trend during 1964 both in case load and expenditures. As of December 31, 1964, we were aiding thirty cases at a cost of approximately \$5000.00 a month. This is an increase of five cases over 1963. We were able to return but a very small unexpended balance this year due to the increase in case load.

The following schedules show the activity of this category of assistance during the year:

ANALYSIS OF CASE LOAD

	Cases	Persons
Cases pending and receiving aid January 1, 1964	25	100
Cases received during the year	21	64

	\$50,130.07		
Less:			
Bal. Federal Funds Dec. 31, 1964	\$3,498.84		\$46,631.23
Net Cost to Town			\$11,621.65

DISABILITY ASSISTANCE

This is a Federal-State-Town participating form of relief which is given to permanently disabled persons, 18 years of age and over. We now have 17 cases on our rolls which cost approximately \$1500.00 monthly. Our case load increased six cases over 1963 therefore we were able to return but a small unexpended balance to the town.

The following schedules show the activity of this category of assistance for the year:

ANALYSIS OF CASE LOAD

Cases pending January 1, 1964		0
Cases being aided January 1, 1964		11
Cases received during 1964		23
		—

December 31, 1964	5,211.70	16,776.63
Net cost to Town		\$7,159.19

OLD AGE ASSISTANCE

This category of assistance became less active during the year 1964 due to the Medical Assistance for the Aged Program applications. A Detailed report of Old Age Assistance will be found in the Report of the Bureau of Old Age Assistance.

HELEN STOCKWELL FUND

This fund was created and set up many years ago by the late Helen Stockwell. The income from this fund is used for hospital care for any needy resident of Stoneham who is not receiving relief through the Welfare Department.

The Trust Fund is held and administered by the Boston Safe Deposit and Trust Company and the Welfare Department designates who is eligible for benefits. The Welfare Department investigates all cases and approves all bills, which are paid directly by the Boston Safe Deposit and Trust Company. This fund is set up to be used only in a Stoneham Hospital of which we have one, The New England Sanitarium and Hospital.

On May 19 of each year the unexpended balance is turned back into the principal and the income from the fund amounts to approximately \$5,000.00 per year.

CASES AIDED BY HELEN STOCKWELL FUND

Cases	Causes of Hospitalization	Hospital Days	Cost
1	Stomach ulcer	7	\$214.55
1	Pneumonia	8	245.20
<hr/>		<hr/>	<hr/>
2		15	\$459.75

BUREAU OF OLD AGE ASSISTANCE

To the Board of Public Welfare,
Stoneham, Massachusetts
Gentlemen:

We herewith submit the thirty-fourth annual report of the Bureau of Old Age Assistance. This report is for the year 1964.

The Bureau met on March 5, 1964, and organized as follows:

Michael J. Rolli, Chairman
Donald J. Morrison, Secretary
Alton W. Estes, Clerk

The Bureau held meetings on the first and third Thursday of each month during the year.

All applications for assistance and reinvestigations are considered and acted upon at these meetings and any other business necessary for the carrying out of this program is discussed.

During the year, at least two home visits were made to all

recipients and many additional calls were made to adjust grants and discuss problems of the recipients.

Cost of medical care in this category of assistance continues to be a major item of expense. This item is now exceeding the total cost of our monthly grants to recipients.

The Medical Assistance for the Aged Program continues to increase both in number of cases aided and monthly expenditures. Many of the elderly citizens are taking advantage of the use of this program in relation to hospitalization and nursing home care.

It is now necessary to show the activity of both Old Age Assistance and Medical Assistance for the Aged Programs.

The following schedules show the activity and financial status of these categories of assistance:

ANALYSIS OF CASE LOAD

MEDICAL ASSISTANCE FOR THE AGED

Cases pending January 1, 1964		1

INFIRMARY REPORT

To the Board of Public Welfare:
Gentlemen:

We submit herewith our Annual Report for the year ending December 31, 1964.

Number of patients cared for during 1964	30
Number cared for as of December 31, 1964	18
Paying boarders (full or partial) 1964	14
Number of patient days	6712
Amount returned to General Funds from paying boarders	\$10,792.61

The present Matron and Superintendent took over their new duties on April 8, 1964 following the untimely death on February 29, 1964 of the former Superintendent, Charles J. Meehan. We, and the Infirmary, were fortunate to be able to retain the former Matron, Mrs. Rita Meehan, in the capacity of Cook of the Infirmary. Due to our unfamiliarity with the established routine of the Infirmary, we would have found it much more difficult to struggle through our first few months without the cooperative efforts of Mrs. Meehan and the rest of the Infirmary personnel, the Welfare Agent and the Board. We wish to thank all of the workers and the patients for their cooperation and assistance during the past year.

The services of Miss Alice J. Pratt were lost to us in April, due to illness, and her duties were assumed competently by Miss Sally Brautigam. Noting, in previous reports, that there has been a continuing problem of maintaining an adequate staff, we wish to report that the problem still continues — we are unable to compete with private industry.

Its dilapidated condition necessitated the removal of one more of the Infirmary outbuildings. The cost of this removal was met within the regular budget of the Infirmary. The main barn having been allotted to the use of the Department of Civil Defense, we have but one outbuilding remaining, which is also in poor repair, for storage of tools and equipment. This remaining building will require substantial repairs or replacement by some other facility for storage in the near future.

The main building is in good condition except for some needed minor repair work on the gutters. Repainting and puttying will be necessary within the next two years. We would like to establish some sort of planned improvement program to be accomplished over a period of years. We have had the usual inspections during the past year, with no major changes having been recommended. Major repairs were made to the large refrigerator and the washing machine, and they are now in good condition. The floor in the men's dining room is badly in need of replacement, as are the floors in the front hall and the Superintendent's bathroom.

In compliance with State Department of Public Health suggestions, an automatic dishwashing machine was purchased for the ladies' dining room and a second one for the men's dining room will be purchased during 1965.

Our single most persistent problem seems to be getting the things done which were formerly done by patients and it would seem to be a problem which will continue to get worse in the future. Due to the advanced years and debility of most of our patients, they are unable to do the small but time consuming chores which they did in the past. It is difficult to accomplish any large improvements due to the constant stream of small jobs needing attention. The one attendant on duty at all times must devote all of her time to the needs of the patients. The Matron and Superintendent are on call at any time during the day or night.

Our first garden was a satisfactory venture in spite of the extremely dry weather, and it supplied all of the vegetables needed for the Infirmary during the summer.

We wish to thank the clergy, doctors, Police Department, Fire Department and Public Works Department for their services and cooperation. Many gifts, visits and kindnesses were received from individual townspeople and civic organizations. On behalf of the patients, we wish to thank them all for their thoughtfulness.

Respectfully submitted,
Robert T. Estes, Superintendent
Pauline Estes, Matron

REPORT OF THE PUBLIC LIBRARIAN

To the Trustees of the Stoneham Public Library:

This is the one hundred and fifth Annual Report of the Stoneham Public Library.

The year 1964 has been an extremely busy year at the Stoneham Public Library, not only is this obvious by the increase in circulation of library materials of 2994 over 1963, but also in reference services, which numbered some 3,024 questions actually recorded. Many questions went unrecorded in order to meet the demands of all in a short space of time. Again we must report the difficult task of serving the needs of the townspeople, especially students, in too small a space. We have run out of shelf space in the Reference Department, making it necessary to transfer some volumes downstairs. It is quite evident that the library is feeling the pinch of the increased school enrollment. The library circulated 215,365 books, records, pictures, etc in 1964, an increase of 118,689 in a ten year period, and we are still functioning in the same small physical area.

There were several changes in personnel during the year. Mr. Deane Oulton resigned in September to become Librarian in the Whitman-Hanson Regional High School; Mrs. Theresa Lewis resigned in June when she took up residence in Medford; and Miss Patricia Basha resigned in February in order to devote more time to study. Mrs. Evelyn Bates joined the Library Staff in September as Reference Librarian. Mrs. Bates is a former English Teacher, Branch Librarian at Lynnfield, and has specialized in work with young adults. She is right at home in Stoneham and is doing an excellent job in utilizing all resources of the library in dealing with reference and research problems. Mrs. Nance Barnstead came to the library

in September as part-time assistant in the evening. Miss Jean Sweetser and Miss Catherine Moore are our two new student assistants.

Staff members attended meetings of the Round Table of Young Adult Librarians, Children's Librarians, Massachusetts Library Association, Governor's Conference, Charles River Library Club, New England Library Association, Film Cooperative, American Library Association meeting in St. Louis, and the Greater Boston Public Library Administrators. Miss Golding was hostess to a group of Children's Librarians in June. Two staff people attended a three week workshop at the University of New Hampshire in July.

The Library continued service to the Home for the Aged, and in May inaugurated a program of supplying books to the Housing for the Elderly. This collection is changed once a month, at which time most library services are brought to this community of the Town. Also, book deposits have gone out each month to all the elementary schools.

In observance of National Library Week, Mr. Edward Wagenknecht, Professor of English, Boston University, presented a lecture in Library Hall, April 17, entitled "How it feels to be a writer". This was an interesting evening and left the audience with the knowledge of the planning, preparation and final writing of this well known author. (Be sure to watch the papers for another informative evening in April of 1965). In conjunction with the program for National Library Week, the Friends of the Library presented us with a Kodak Pageant 16mm Movie Sound Projector and Screen, which enabled us to begin free Audio Visual Programs for the children. Our first movie was on October 8th and has continued on the 2nd and 4th Thursday of each month. Judging from the attendance, this has been a successful venture.

The various groups of Friends of the Library have had a successful year. The Art Group held several exhibits, which were viewed and enjoyed by many Stoneham people; and the Duplicate Bridge, Great Books, and Choral Groups have experienced a stimulating year.

The Middlesex County Extension Service sponsored a free Chair Caning Workshop for three weeks in August, which was held in Library Hall. About twelve people attended the class, enabling them to recane worn chair seats, some of which were family heirlooms.

Stoneham Newspapers now on microfilm are as follows:

Stoneham Amateur — June 25, 1870 - June 27, 1874.

Stoneham News — Oct. 2, 1880 - Dec., 1888.

Stoneham Sentinel — Jan., 1874 - Dec., 1876.

Stoneham Independent — 1874 - 1963. (1921 missing)

Stoneham Press — 1935 - 1940.

Our plans are to complete microfilming all newspapers through 1964 this year. With the new Recordak Microfilm Reader, news items and historical events of the Town from 1870 to date are at your fingertips.

Added shelving was installed in a small area in the Young Adult Room. However, we still lack shelving for special exhibits and assignment collections.

A Vico-Matic coin-operated photocopy machine was installed in October, and has been well received by the general public and a welcome convenience to businessmen and students.

Many gifts of books, periodicals, phonograph records, and other library materials were gratefully received during the year. I want to thank all individual citizens, as well as organizations, who have contributed toward the successful operation and support of the library. I also wish to express my sincere gratitude to a loyal and efficient staff for excellence in performance of their duties, to the custodian for his ever faithful service, and above all to the Trustees for their support and guidance, which has made it possible for us to give outstanding library service to the people of Stoneham.

ANNUAL REPORT OF THE STONEHAM HOUSING AUTHORITY

Honorable Board of Selectmen
Stoneham, Massachusetts

In compliance with the General Laws of the Commonwealth of Massachusetts the Stoneham Housing Authority hereby submits its annual report for the year ending December 31, 1964.

The Authority organized as prescribed by the General Laws of the Commonwealth of Massachusetts and has functioned continually as a body politic and a corporate entity since its creation by unanimous vote of a Town meeting on March 24, 1948. The Authority is a body entirely separate from the Town of Stoneham and the Commonwealth of Massachusetts.

The annual meeting of the Authority was held as directed by its by-laws on Wednesday, April 10, 1963. The following officers were elected for the ensuing year:

Edward M. McNevin, Chairman
Lawrence F. Hurley, Vice Chairman
William L. Curran, Treasurer
Anthony D'Annolfo, Ass't. Treasurer
George C. Smith, Member
Attorney John E. Finnegan, Executive Director and Counsel

George C. Smith was elected at the annual election in March to fill out the term of R. Parker Chase, deceased.

The Authority own four separate projects. Two are Veterans Projects and the other two are Housing for the Elderly.

The Veterans Projects total 72 units housed in 24 buildings. There are 12 Quadruplex houses and 12 duplex houses for the Veterans.

The housing for the Elderly consists of 29 units in 3 buildings of row houses and 40 units in three buildings of two stories each.

The first Veterans Project of 48 units was completed and occupied on June 1, 1959. The second Veterans Project of 24 units was completed and occupied on September 1, 1951.

One housing for the Elderly project consisting of 29 units was completed and occupied on December 1, 1957. These units, although compact, consist of three rooms and a bathroom. There are 21 single units and 8 double units for two persons. The size of the apartment does not affect the rental charges which are \$43.00 minimum and \$49.00 maximum with hot-cold water and heat provided by the Authority in the Housing for the Elderly.

Forty new apartments for the Elderly were occupied in January and February of this year. Rents are \$49.50 per month which includes heat and water.

Electric bills are paid by the tenant.

There is now a sizeable list of applicants for elderly apartments and the Authority is applying to the State Housing Board for additional units.

The Veterans Projects consist of two and three-bedroom apartments and the size of the apartment does not affect the rental charge. Average rents at the Veterans Projects are \$51.00 per month including water provided by the Authority.

All tenants are separately metered and pay their own electric charges. All apartments are all electric and oil heated.

The Authority provides an electric stove and refrigerator for all tenants. Veterans apartments have individual heating system and oil fuel is provided by each tenant at his own expense.

The Projects are inspected, inside and outside, twice annually by the Authority.

The members of the Authority and the Executive Director wish to thank the tenants and the various departments and officials of the Town of Stoneham for their cooperation and help extended to us in 1964 as well as heretofore.

The Stoneham Projects are considered by the State Housing Board as among the finest in the Commonwealth both as to Administration and fiscal matters.

Respectfully submitted,
Edward F. McNevin, Chairman

REPORT OF THE BOARD OF RETIREMENT

To the Honorable Board of Selectmen:

Following is the twenty-eighth Annual Report of this Board:

To the membership as of December 31, 1963, totaling	417
have been added new members numbering	57
and reinstated members	4
	478

Deductions from membership:

By retirement	1	
By withdrawal	30	
By death	5	36
making the membership December 31, 1964		442

This total membership of 442 is classified as follows:

Group A:

Active	288	
Inactive	44	332

Group B:

Active	68	
Inactive	1	69

Pensioners 41 442

Employees included in the Special Fund for Military
Service Credit number as of December 31, 1964 16

Comprised of Employees now in Military
Service 1

Retired from Military Service Jan., 1963 1

Returned to employment by Town of
Stoneham 14 16

During this year, in the Contributory System:

1 Retired under Accidental Disability

1 was added to Pensioners group through survivorship allowance under Section 12B, due to the death of an active member

5 Pensioners died

In the Non-contributory group:

1 teacher retired under Section 58

1 police officer retired under Section 58

1 pensioner died

The Non-contributory pensioners now total 20, of which 5 are survivor-beneficiaries

At the Annual Town Meeting held March 23, 1964, Chapter 478, Acts of 1963 was accepted by majority vote granting an increase in the amount of pensions and retirement allowances payable to certain former public employees.

In June an employee election was held, in accordance with the provisions of the General Laws governing this system, to elect an employee representative to the Board of Retirement for a term of three years to July 1, 1967. Mr. William L. Curran was unanimously re-elected.

The regular triennial examination of this system for the period ending December 31, 1962 was completed in February of 1964 and the report received in April is herewith submitted following this year's report of the board.

REPORT OF THE SELECTMEN

To the Citizens of Stoneham:

The Board of Selectmen, Fred A. Schneider, Furio Bracciotti, Edmund J. Moreira, Donald J. Morrison and Joseph W. Fallon, was elected for a term of one year on March 2, 1964. On Tuesday, March 3, 1964, after being sworn by the Town Clerk, the Board met and organized as follows: Mr. Schneider, chairman; Mr. Bracciotti, secretary; Mr. Moreira, disburser of veterans benefits. Mr. Schneider was appointed as Liaison Officer between the Board of Selectmen and Police Department and Mr. Bracciotti as Liaison Officer between the Board of Selectmen and Fire Department. Mr. Schneider resigned as Liaison Officer as of September 8, 1964, and Mr. Morrison was designated Liaison Officer between the Selectmen and Police Department effective September 22, 1964.

At the meeting of Tuesday, March 3, 1964, the following appointments were made:

Mr. Winthrop A. McCarthy was re-appointed clerk of the Board for a term of one year. Paul E. Houghton was appointed to the Board of Registrars for a term of three years.

Other appointments by the Selectmen for a term of one year each were as follows:

Frank M. Geremonte, Esq., Town Counsel; Anthony R. Ciampi, Building Inspector, effective May 1, 1964; John W. Biggio, Wire Inspector, effective May 1, 1964; Thomas O. Daly, Dog Officer; Murat V. Kennett, D.V.M., Animal Inspector; Wallace C. Dunbar, Inspector of Veterans' Graves; William L. Curran, Director of Veterans' Services, Agent for the Distribution of Veterans' Benefits and Burial Agent; Chief Bernard C. Vacon, Lock-up Keeper; George M. Rich, Sealer of Weights and Measures.

Louis Golini was appointed to the Board of Appeal for a

term of three years. John Durgin and Philip J. Todisco were appointed Associate Members of the Board of Appeal for a term of one year.

Package Goods Store Renewal Licenses for 1965 were granted to Center Beverage Company, Inc., James A. McDonough, Inc., Franklin Street Package Store, Inc., and Redstone Liquors, Inc.

The position of Stoneham in the structure of the Massachusetts Bay Transportation Authority was, and is, the most perplexing problem for the Selectmen. This community now is a part of the gigantic mass transportation system which also includes the former Metropolitan Transit Authority and its huge annual deficits. Stoneham is represented on the parent authority, but its vote percentage is so small it has no effect on any policy decision. Chairman Schneider and other members of the Selectmen have attended meetings of the M.B.T.A. and have come away with no tangible information relative to transportation service, nevertheless, the community will be assessed a portion of the cost of the Authority. The assessment is definite because it is included in the provision of law which sets up the Massachusetts Bay Transportation Authority. The efforts of our representatives in the General Court have been solicited in an attempt to get to the bottom of the problem and your Board is awaiting a conference with Authority officials.

Your Board has gone on record, and so notified the M.B.T.A. by unanimous vote, that it will strongly oppose any assessment against the Town of Stoneham until such time as assurances are given by the M.B.T.A. that transportation service to the Town of Stoneham will result in a marked improvement over the existing service.

The rising tax rate is a concern of the Selectmen as well as every taxpayer of the community. To this end your Board is trying its utmost to attract business firms to Stoneham, where the Zoning By-law will permit such business or commercial enterprise to locate. It has been difficult for the Selectmen to approve commercial site plans over the objection of some immediate abutters, but in all instances the decision has been made on the premise that it will benefit the greatest number of taxpayers, rather than the few.

In conclusion the Selectmen take this opportunity to thank all Town Officers, Boards and Committees for their assistance

and cooperation in the administration of Town affairs during the past year.

Respectfully yours,

FRED A. SCHNEIDER, Chr.

FURIO BRACCIOTTI

EDMUND J. MOREIRA

DONALD J. MORRISON

JOSEPH W. FALLON

WARRANT FOR ANNUAL TOWN MEETING MONDAY, MARCH 1, 1965

To either of the Constables of the Town of Stoneham in
the County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you
are directed to notify and warn the inhabitants of the Town of
Stoneham qualified to vote in elections and town affairs to
meet in Town Hall on Monday, March 1, 1965 at six o'clock in
the forenoon to act on the following articles of this warrant:

ARTICLE 1. To choose the following officers:

One (1) Moderator for one (1) year

Five (5) Selectmen for one (1) year

One (1) Assessor for three (3) years

One (1) Member of the School Committee for three (3)
years

One (1) Member of the Board of Public Welfare for three (3) years

Two (2) Trustees of the Public Library for three (3) years

One (1) Member of the Board of Health for three (3) years

One (1) Member of the Board of Public Works for three (3) years

One (1) Member of the Regional Vocational School District for four (4) years

One (1) Member of the Planning Board for five (5) years

One (1) Member of the Stoneham Housing Authority for five (5) years

One (1) Member of the Stoneham Redevelopment Authority for five (5) years

Three (3) Constables for one (1) year

All on one ballot. The polls for the annual Town Election will be closed at eight o'clock in the evening.

For consideration of the following articles the meeting shall be adjourned to meet in Town Hall at 7:30 o'clock in the evening on Monday, March 8, 1965, in accordance with provisions of Section 2, Article 1 of the By-laws of the Town of Stoneham.

ARTICLE 2. To choose all other necessary town officers for the year ensuing in such manner as the town may determine.

ARTICLE 3. To hear reports of town officers and committees and to act thereon and to choose committees .

ARTICLE 4. To see if the town will vote to fix the salaries of the several elective officers and boards of the town for the current year.

ARTICLE 5. To see if the town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by striking out "1962 Salary Schedule" and inserting in place thereof new 1965 Salary Schedule as follows:

Gorham Avenue Paving	1,274.29

Town Accountant

ARTICLE 12 To see if the town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time, in anticipation of the revenue of the financial year beginning January 1, 1965, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 13. To see if the town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time, in anticipation of the revenue of the financial year beginning January 1, 1966, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 14. To see if the Town will authorize the Board of Health to make appointments from its membership to the positions of Health Inspector, Milk Inspector and Sanitarian and to raise and appropriate money for salaries of said officers, or do anything in relation thereto.

Board of Health

ARTICLE 15. To see if the town will authorize the Board of Health to enter into a contract for a term of not more than three years for the removal and disposal of garbage, or do anything in relation thereto.

Board of Health

ARTICLE 16. To see if the town will approve the construction of a new housing project by the Stoneham Housing Authority, namely, a housing project for elderly persons pursuant to the provisions of Chapter 667 of Massachusetts Acts of 1954, and acts in amendment thereof and in addition thereto, to be known as State-Aided Housing Project 667-3.

Stoneham Housing Authority

ARTICLE 17. To see if the town will vote to accept the provisions of Chapter 90, Section 18A of the General Laws as most recently amended by Chapter 409 of the Acts of 1962.

Chief of Police

ARTICLE 18. To see if the town will vote to raise and appropriate a sum of money to purchase one (1) new automobile for use of the Police Department, authorize the disposal of one (1) 1956 motorcycle now in service, authorize the Moderator to appoint a committee of three (3) citizens to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Chief of Police

ARTICLE 19. To see if the town will vote to raise and appropriate a sum of money to provide two (2) additional patrolmen for the Police Department, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Chief of Police

ARTICLE 20. To see if the town will vote to raise and appropriate a sum of money to purchase and install new fire alarm control and operating equipment, and for other expense incidental to said installation, authorize the disposal of the

existing control and operating equipment, determine in what manner the said appropriations shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Fire Chief

ARTICLE 21. To see if the Town will vote to transfer control of a parcel of land presently owned by the Town of Stoneham, from the Board of Public Welfare to the Board of Public Works, said parcel of land to be used for park purposes, and consisting of the following described parcel. Beginning at a point in the southerly sideline of Broadway, said point being 140.00 feet from the west sideline of Diannne Road; thence the line runs South 3°-51'-00" East, 336.00 feet to a point; thence the line runs South 4°-16'-07" East, 194.00 feet to a point; thence the line runs South 88°-15'-21" West, 353.22 feet across land belonging to the Town of Stoneham to a point on the lot line of Saint Patrick's Cemetery; thence the line runs down the lot line North 3°-55'-20" West, 530.00 feet to a point on the aforementioned southerly sideline of Broadway; thence the line runs along the said sideline of Broadway 88°-15'-40" East, 352.47 feet to the point of beginning. The area contained within the lines being 186,670 square feet, more or less, or 4.3 acres. All according to quoted plan of land for park purposes in Stoneham, Mass., by M. J. Markham, C.E., dated December 28, 1964

Board of Public Works

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of constructing water mains or cement lining existing water mains or relaying water mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 23. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sanitary sewer mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by transfer from the Stabilization Fund, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 24. To see if the Town will vote to raise and appropriate a sum of money to reconstruct certain existing tar

sidewalks within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 25. To see if the Town will vote to raise and appropriate a sum of money for the maintenance of highways which have been constructed with the State and County aid, under the provisions of Chapter 90 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 26. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, a sum of money for Chapter 90 Highway construction or take any action in relation thereto.

Board of Public Works

ARTICLE 27. To see if the Town will vote to raise and appropriate a sum of money for labor, materials and other necessary expenses for the control of Dutch Elm Disease in accordance with provisions of Chapter 657, Acts of 1956, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 28. To see if the Town will vote to raise and appropriate a sum of money to purchase shade trees, loam, materials, and for other necessary expense incidental to shade tree planting, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 29. To see if the Town will vote to raise and appropriate a sum of money to provide a two way radio communication system for the Public Works Department in accordance with Federal Communications Commission Regulations, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or otherwise, or do anything in relation thereto.

Board of Public Works

the site plan regarding the building to be erected shall have been approved by the Board of Appeals as being, in their opinion, in harmony with the general purposes and intent of the Zoning By-laws after a public hearing has been held by said Board regarding this exception and that notice of such hearing has been given in accordance with Section 17 of Chapter 40A of the General Laws. (4) That the Board of Appeal may require other conditions to be complied with where in their opinion such are necessary to preserve the intent and purpose of the By-laws.

Twenty-Eight Realty Trust
by Thomas M. Leahy, Attorney

ARTICLE 63. To see if the Town will vote to accept provisions of Chapter 486, Acts of 1964, entitled "An Act Increasing the Amounts of Pensions and Retirement Allowances Payable to Certain Former Public Employees".

Board of Selectmen

ARTICLE 64. To see if the Town will vote to accept provisions of Chapter 150, Acts of 1964, entitled "An Act Providing for Leaves of Absence to Members of a Public Library Staff for Study or Research".

Library Trustees

And you are directed to have one thousand five hundred (1500) copies of the warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given unto our hands this ninth day of February in the year of our Lord one thousand nine hundred and sixty-five.

raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 34. To see if the Town will vote to purchase for use of the Tree Division one (1) aerial bucket, complete with boom and accessories, mounted on truck chassis, authorize the Board of Public Works to make such purchase, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing, or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 35. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) two and one half to three ton dump truck and one (1) sand spreader body, authorize the Board of Public Works to make such purchases and to dispose of the 1954 International dump truck and the 1959 Baughman sand spreader body now in service, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing, or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 36. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) four to five ton dump truck, authorize the disposal of the 1950 Mack dump truck now in service, authorize the Board of Public Works to make such purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation, or by transfer from available funds, by borrowing, or do anything in relation thereto.

Board of Public Works

ARTICLE 37. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) crawler type sidewalk tractor, authorize the disposal of the 1948 Oliver crawler sidewalk tractor now in service, authorize the Board of Public Works to make such purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 38. To see if the Town will vote to raise and appropriate a sum of money for the construction and equipping of an addition to the Public Works Department Garage on Pine Street, raise the said appropriation by transfer from the Water Surplus account and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Board of Public Works

ARTICLE 39. To see if the Town will vote to create a regional incinerator planning committee consisting of three persons to be appointed by the Moderator, in accordance with the provisions of General Laws, Chapter 40, Section 44A, or take any other action in relation thereto.

Board of Public Works

ARTICLE 40. To see if the Town will vote to raise and appropriate a sum of money to lay out and construct an extension of the town sewer system in the southwesterly section of Stoneham, from a point at or near the present terminus of the existing gravity-type sanitary sewer situated on land now or formerly of Leon R. and Frances T. Houghton, at 217 Park Street in said Stoneham, to land on the west side of Route Interstate 93 now or formerly of Alfred A. Sartorelli, Trustee of the Fallon Land Trust (known as Middlesex Industrial Park), such system to include a sewer lift station on said land now or formerly of said Trustee, and a sewer, consisting in part of a force main sewer and in part of a gravity-type sewer, and other necessary work and materials to complete the system; authorize the Board of Public Works to obtain plans and specifications for the said sewer system and lift station; authorize the Selectmen to obtain all easements, licenses, permits and other necessary authorization for the purpose of entering upon private land and areas owned, or under the control of the Commonwealth of Massachusetts or Metropolitan District Commission where necessary; determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Selectmen and Cabot, Cabot & Forbes

ARTICLE 41. To see if the Town will vote to accept as a gift for a sanitary sewer lift station and other sewer purposes, a parcel of land in the Middlesex Industrial Park, belonging now or formerly to Alfred A. Sartorelli, Trustee of Fallon Land Trust, said parcel of land being shown as parcel "A" on plan entitled "Plan of Parcel 'A' - Middlesex Industrial Park - Stone-

ham, Mass.", dated January 18, 1965, Raymond C. Pressey, Inc., R.L.S., more particularly bounded and described as follows: Northeasterly by the "M.D.C. Access Road", twenty-eight (28) feet as shown on said plan; Southerly by land now or formerly of Alfred A. Sartorelli, Trustee as aforesaid, twenty-one and 56/100 (21.56) feet; Easterly by land now or formerly of Alfred A. Sartorelli, Trustee as aforesaid, forty (40) feet; Southerly again by land now or formerly of Alfred A. Sartorelli, Trustee as aforesaid, thirty (30) feet; Westerly by land now or formerly of Alfred A. Sartorelli, Trustee as aforesaid, forty (40) feet; Northwesterly by land now or formerly of Alfred A. Sartorelli, Trustee as aforesaid, fifty-one and 55/100 (51.55) feet, containing 1,894 square feet, all as shown on the aforementioned plan which is to be recorded with the deed in the Middlesex South District Registry of Deeds.

Board of Selectmen and Cabot, Cabot & Forbes

ARTICLE 42. To see if the Town will vote to accept as a gift, for sanitary sewer purposes, an easement on land of Leon R. and Frances T. Houghton at 217 Park Street in said Stoneham, the said easement being located in a fifteen foot strip of land as shown on a plan entitled "Plan Showing Sewer Easement in Stoneham, Mass.", dated January 20, 1965, by Dana F. Perkins & Sons, Inc., C.E., to be recorded, and further described as follows: Northerly by the northerly lot line of the land as shown on said plan, about seventy-two (72) feet; Easterly by Park Street, fifteen (15) feet; Southerly by a line fifteen (15) feet equidistant from the northerly lot line and parallel thereto, about seventy-two (72) feet; Westerly by the easterly line of the presently existing sewer easement, fifteen (15) feet, the said easement to be granted for the purpose of constructing, installing, repairing and maintaining a sanitary sewer system by the grantee, its agents and servants, therein and thereover in any manner.

Board of Selectmen and Cabot, Cabot & Forbes

ARTICLE 43. To see if the Town will raise and appropriate a sum of money to pipe the drainage brook on the westerly side of Main Street from the end of the existing pipe line on land of Chiulli, a distance of 550 feet, more or less, southerly to Richardson Lane, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Alfonse J. Chiulli and 12 others

ARTICLE 44. To see if the Town will raise and appropriate a sum of money to pipe the drainage brook west of Main Street from the end of the existing pipe on land of Melkonian westerly a distance of 130 feet, more or less, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

John K. Melkonian, Jr.

ARTICLE 45. To see if the Town will accept as public town ways the following described ways: (1) Danby Road, from North Street to Forest Street. (2) Rose Lane, from Hanford Road to Crosby Street. (3) Rodgers Road, from a point approximately 95 feet north of Spruce Street, so-called, southerly a distance of 890 feet, more or less. (4) Kirmes Road, from end of previous acceptance southerly 275 feet, more or less.

Residents of Streets

ARTICLE 46. To see if the Town will vote to accept a gift, by deed, of a certain parcel of land, containing 181 square feet, more or less, as shown on a "Plan for Taking of Land for Street Purposes on East Street, Stoneham", dated December 10, 1964, by M. J. Markham, C.E., which plan is duly recorded in Middlesex South Registry of Deeds, Book 10716, Page 9.

Town Counsel

ARTICLE 47 To see if the Town will accept as public town ways the following described ways: (1) Hillside Road, from Atwood Avenue westerly and northerly to Glen Road, thence again in a westerly direction 350 feet, more or less. (2) Glen Road, from Hillside Road northerly to Maple Street. (3) Stone Avenue, from Perkins Street, westerly to Pinewood Road. (4) Cedarway, from East Street northerly to end. (5) Bear Hill Road, from end of previous acceptance northwesterly a distance of 120 feet, more or less. (6) Everett Street Extension, from end of previous acceptance westerly to end.

Residents of Streets

ARTICLE 48. To see if the Town will raise and appropriate a sum of money to pave the public ways accepted under Article 47 of this warrant, under the laws relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, authorize the Selectmen or Board of Public Works to obtain easements for the purpose of enabling

the Town to enter upon private land where necessary, or do anything in relation thereto.

Residents of Streets

ARTICLE 49. To see if the Town will vote to change the name of a section of Robin Hood Road running from Sunrise Avenue to William Street, to Sunrise Avenue.

Planning Board

ARTICLE 50. To see if the Town will vote to raise and appropriate a sum of money to purchase and install metal-plate tax-billing equipment for use of the Board of Assessors, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Assessors

ARTICLE 51. To see if the Town will vote to raise and appropriate a sum of money to revise and update the Assessing Department Block Plan, authorize the Board of Assessors to enter into an agreement with Dana F. Perkins and Sons, Inc., of Reading, Mass., to do such work as is required, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Assessors

ARTICLE 52. To see if the Town will vote to raise and appropriate a sum of money to resurface the ramp in front of the Fire Station and install a new driveway to the Police Station, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Selectmen

ARTICLE 53. To see if the Town will vote to raise and appropriate a sum of money to replace certain cracked concrete blocks in the sidewalks on the Town Hall grounds, install hand rails on the existing steps abutting Central Street, and install drain pipes at the southeasterly extremity of the Town Hall to connect into the existing drainage system, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto.

Board of Selectmen

ARTICLE 54. To see if the Town will vote to authorize the Board of Selectmen to enter into a contract with a municipal consultant, or other municipal service organization to provide for the revision and reprinting of the existing By-laws, Zoning By-laws, Traffic Rules and Orders and other regulations into one publication, raise and appropriate a sum of money therefor, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Selectmen

ARTICLE 55. To see if the Town will vote to amend Article II (Fee Schedule) of the Stoneham Building Code so as to delete Sections 1 and 2 and to insert in place thereof the following sections to read: 1. Residential Buildings: (a) One and two family dwellings: for each 100 square feet of floor space, \$1.50; (b) Buildings with three or more dwelling units: for each 100 square feet of floor space on first and second floors, \$1.50; for each 100 square feet of floor space above the second floor, 75 cents. 2. Non-Residential Buildings: (a) for each 100 square feet of floor space on the first floor, \$1.00; (b) for each 100 square feet of floor area above the first floor, 50 cents. In no case shall a fee be required in excess of \$2,000.00 for any one building.

Code Review Committee

ARTICLE 56. To see if the Town will vote to amend Article XXIII (Special Provisions for Apartment Houses) Section 4 Windows, so as to delete subsection A and insert in place thereof the following new subsection to read as follows: A. General. In every apartment house every room shall have at least one window opening on a street, yard or court. Bathrooms, water-closet compartments, service pantries, storerooms or kitchens having no greater floor area than 100 square feet may have a vent shaft; provided it is first approved by the Building Inspector.

Code Review Committee

ARTICLE 57. To see if the Town will vote to amend Article I, Section 6 of the Building Code so as to delete the words "Board of Public Welfare" and insert in place thereof the words "Board of Health" so that the section will read: No permit shall be issued to demolish or move any building or structure unless a certificate has first been obtained from the Board of Health that proper measures have been taken for the eradication or prevention of the spread of rodents from the premises."

Code Review Committee

ARTICLE 58. To see if the Town will authorize the Moderator to appoint a committee of nine citizens of Stoneham to investigate, study and analyze all aspects of the use of voting machines in Stoneham, to obtain purchase and rental costs of such machines to determine whether savings in costs and time may be achieved, that the said committee shall investigate and study the possibility of establishing two additional polling places within the Town of Stoneham, that the said committee investigate and study the proposed adoption of the representative form of Town Meeting, and that the said committee hold such public hearings as it deems necessary to carry out the provisions of this article and make a full report with recommendations at the next annual Town Meeting.

Stoneham Junior Chamber of Commerce

ARTICLE 59. To see if the Town will vote to amend the By-laws of the Town of Stoneham by adding a new section under Article XII (Miscellaneous Provisions) to be known as Section 4b and to read as follows: Article XII, Section 4b. No persons shall have more than one unregistered car or truck ungaraged on his premises in a residential district at any time unless authorized by the Board of Selectmen. In no event will an unsightly, unregistered car or truck be stored on any front yard.

Stoneham Junior Chamber of Commerce

ARTICLE 60. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Residence B District as heretofore defined and set forth, so as to extend the Residence B District into the following described area: Beginning at a point on the Easterly side of Main Street 100 feet distant from the said Main Street at the present boundary of the Residence B Zone and the northerly boundary of land now or formerly of Rutilio Corvo; thence continuing in an Easterly direction by the said land of Rutilio Corvo and by land of the following: Alberta and Mafalda Staffieri; Charles F. and Philomena M. Murphy, Edward I. and Ruth H. Tesler, James F. and Janet McDonough, Konstatin and Elena Kreder, 412.95 feet; thence turning and running Northerly slightly Westerly by land of Bear Hill Associates, Inc., 75.80 feet; thence turning and running Westerly slightly Northerly by land of Bear Hill Associates, Inc., 32.16 feet; thence turning and running Northwesterly by land of Bear Hill Associates, Inc., 306.75 feet; thence turning and running Westerly by land of Lillian A. McGaffigan, 283.80 feet to a point 100 feet distant from the said Main Street, thence turning and running in a Southerly direction along the

line of the present limits of the Residence B Zone a distance of 370 feet to the point of beginning.

Frank P. D'Annolfo

ARTICLE 61. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Residence B District as heretofore defined and set forth, so as to include in the Residence B District the following described area, to wit: Beginning at a point on the Easterly side of Pond Street at the intersection of the Southerly part of land now or formerly of Carmella Spadafora and a passageway; thence the line runs Northeasterly by said passageway by several courses a distance of 381 feet to a corner in a stone wall; thence the line runs Northerly by land formerly of Anna G. Welch by said stone wall a distance of 213.0 feet to a point; thence turning the line runs Northwesterly by land formerly of Anna G. Welch by a stone wall a distance of 309 feet; thence the line turns and runs Southerly by land formerly of Nettie M. Frost by a stone wall a distance of 231 feet; thence the line runs Southwesterly by land now or formerly of E. E. Heinlein a distance of 87.40 feet to a point at the intersection of land now or formerly of Joseph Spadafora and Mary Spadafora and land now or formerly of E. E. Heinlein; thence the line runs Southeasterly by land now or formerly of Joseph Spadafora and Mary Spadafora a distance of 100 feet to a point; thence the line turns and runs Southwesterly by land now or formerly of Joseph Spadafora and Mary Spadafora a distance of 208 feet to Pond Street; thence the line turns and runs in a Southerly direction by Pond Street by several courses 254.58 feet to the point of beginning, said area being all of Lots E, D, F and C as shown on a plan entitled "Plan of Land in Stoneham, Massachusetts, June 11, 1947, S Albert Kaugmann, R.L.S.", said plan being duly recorded in Middlesex South District Registry of Deeds in Book 7142, at page 402.

Joseph Spadafora

ARTICLE 62. To see if the Town will vote to amend Article 1, Section 3, Residence "B" Districts of the Zoning By-law as follows: by adding after the last sentence in Section 20 under Article 1 of the Zoning By-law entitled "Regulations of Apartment Buildings" the following: Provided, however, that the maximum height shall be eight stories under the following conditions: (1) That the lot upon which the building is to be constructed has a minimum area of two acres. (2) That all of the foregoing requirements have been complied with. (3) That

ARTICLE 30. To see if the Town will vote to raise and appropriate a sum of money to construct a storm drain from the existing drainage pipe located at the southerly end of Recreation Park in and through land now or formerly of the Town of Stoneham, land now or formerly of Boston & Maine R.R., land now or formerly of Willard W. Fiske, and land now or formerly of Lombard Lumber Company to connect with the existing drainage pipe located in land now or formerly of Lombard Lumber Company, raise the said appropriation by transfer from available funds or by borrowing, authorize the Board of Selectmen to take land by eminent domain for drainage easement purposes under provisions of Chapter 79 of the General Laws, where necessary and authorize the Board of Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, or do anything in relation thereto.

Board of Public Works

ARTICLE 31. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of providing an area outside the Town limits for the disposal of rubbish and refuse for a period of one year, said sum to be expended in accordance with provisions of Article 5, of the Special Town Meeting, held November 26, 1962, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing, or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 32. To see if the Town will vote to raise and appropriate a sum of money to provide for the purchase and installation of adequate electrical lighting, and other expenses incidental to said installation, at the Pomeworth-Washington Street tennis courts, for the purpose of providing night tennis facilities, determine in what manner the said appropriation shall be raised, from taxation, or by transfer from available funds, or do anything in relation thereto.

Board of Public Works & Rec. Comm.

ARTICLE 33. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Water Department one (1) three quarter to one ton truck with utility body, authorize the Board of Public Works to make such purchase and to dispose of the 1956 Ford utility truck now in service, determine in what manner the said appropriation shall be

REPORT OF TOWN ACCOUNTANT

February 18, 1965

Honorable Board of Selectmen
Stoneham, Massachusetts

Gentlemen:

Herewith is presented the Report of the Town Accountant for the calendar year 1964 as set forth in the following schedules:

Balance sheet showing the financial condition of the Town of Stoneham as of December 31, 1964.

Receipts and payments summarized for the calendar year 1964.

Schedule of appropriations, other credits, payments and unexpended appropriation balances.

Analysis of Excess and Deficiency Account, Available Water Surplus, Sale of Lots and Graves Fund, Sale of Real Estate Fund and State Aid to Public Library.

Schedule of Maturing Debt showing payments due each year and including the Borrowing Capacity of the Town of Stoneham on January 1, 1965.

Balance Sheet of Deferred and Suspended Revenue Accounts as of December 31, 1964.

Analysis of Trust Fund Accounts, Stabilization Fund and Contributory Retirement System as of December 31, 1964.

Examination of the Contributory Retirement System by the State Division of Insurance and Report of Audit of Municipal Accounts by the Director of Accounts of the State Department of Corporations and Taxation is included.

In conclusion may I take this opportunity to thank all department heads and officers of the Town of Stoneham for their assistance and cooperation rendered during the past year.

Respectfully submitted,

WINTHROP A. McCARTHY

Town Accountant

TOWN OF STONEHAM

THE COMMONWEALTH OF MASSACHUSETTS

Department of Banking and Insurance

DIVISION OF INSURANCE

100 Nashua Street, Boston 14

March 13, 1964

Honorable C. Eugene Farnam
Commissioner of Insurance
Boston, Massachusetts

Dear Sir:

In accordance with Section 21, Chapter 32 of the General Laws, the regular examination of the
TOWN OF STONEHAM CONTRIBUTORY RETIREMENT SYSTEM
has been completed, and a report thereof, as of December 31, 1962, is respectfully submitted.

History

This System was organized under Chapter 32 of the General Laws as amended by Chapter 318 of the Acts of 1936 and became operative on July 1, 1937. Chapter 32 was further amended by Chapter 658 of the Acts of 1945, and since January 1, 1946, this System has been operating under Sections 1 through 28 of Chapter 32.

Scope of Examination

An examination, covering a three year period through December 31, 1959, was made prior to the present examination. This examination, now completed, covers the intervening period through December 31, 1962 and includes a review of the recorded income and disbursements for the three year period, together with a verification of the assets and liabilities as of December 31, 1962.

Members of the Retirement Board

The personnel of the Town of Stoneham Retirement Board,

as of December 31, 1962, was as follows: Chairman, William L. Curran; Board Member, Paul E. Houghton; Ex Officio Board Member, Winthrop A. McCarthy; Secretary, Jeanne L. Clifford.

Records

The minutes of the meetings of the Retirement Board were read for the period since the last examination. Meetings were held each month as required by Section 20 (5) (a) of Chapter 32 of the General Laws. It was noted that the required votes and authorizations had been entered in the record book, and those records were neatly kept.

Fidelity Bonds

The Town Treasurer-Custodian is covered by a standard performance bond to the Town in the amount of \$144,000.00 issued by a company authorized to do business in Massachusetts. The bond is properly approved. The members of the Board are not bonded, either as a group or as individuals, as required by the Division of Insurance.

Membership Exhibit

An examination of the statistical data of the System showed the membership on December 31, 1962 to be as follows: Active Members, 340; Inactive Members, 27; Retired Members, 37; Total, 404.

Beneficiaries and Survivors

Beneficiaries from accidental deaths, 1; Survivors receiving allowance under Option (D), 3; Survivors receiving allowance under Section 12 (B) (C), 1; Total, 5.

Verification of Accounts

Monthly postings from the cash book were checked to the ledger for the years 1960, 1961 and 1962. All journal entries were scrutinized and checked to the ledger for the same period.

A trial balance was taken from the ledger accounts as of the date of entry and as of December 30, 1960, 1961 and 1962. The annual statements for the three years were verified by checking all entries in these statements to the ledger accounts.

Ledger Assets

Book Value of Bonds, \$353,267.32; and	
Stocks, \$85,241.00	\$438,508.32
Book Value of Cooperative Shares	65,400.00
Book Value of Federal Savings and	
Loan Association Shares	6,000.00

Deposits in Trust Companies and Banks not on interest	8,530.05
Deposits in Trust Companies and Savings Banks on interest	39,500.00
Total	<hr/> \$557,938.37
Total interest due and accrued	3,687.52
Due from governmental units for Military Service Credits	495.42
Total Ledger Assets	<hr/> \$562,121.31
Liabilities	
Annuity Savings Fund	\$423,839.59
Annuity Reserve Fund	65,654.28
Special Fund for Military Service Credit	10,886.11
Pension Fund	59,334.95
Expense Fund	2,406.38
Total Liabilities	<hr/> \$562,121.31

Comments

The accounting records and statistical data were checked in this examination and were found to be in good condition.

Conclusion

The full cooperation of the personnel of the Retirement Board and all other persons connected with this examination is herewith acknowledged.

Respectfully submitted,
Seymour F. Epstein
Assistant Examiner
John F. Kelliher
Assistant Chief Examiner

STATE AUDIT REPORT

To the Board of Selectmen
Mr. Fred A. Schneider, Chairman
Stoneham, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Stoneham for the period from Septem-

ber 18, 1962 to September 24, 1964, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Chief of Bureau.

Very truly yours,

ARTHUR H. MAC KINNON,

Director of Accounts

Mr. Arthur H. MacKinnon
Director of Accounts
Department of Corporations and Taxation
Boston, Massachusetts

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Stoneham for the period from September 18, 1962, the date of the previous examination, to September 24, 1964, and report thereon as follows:

An examination and verification was made of the recorded financial transactions of the town as shown on the books of the several departments receiving or disbursing money for the town or committing bills for collection.

The books and accounts in the office of the town accountant were examined and checked. The cash receipts as recorded were checked with the departmental records and with the treasurer's books, while the payments were compared with the treasury warrants and with the treasurer's records.

The ledgers were analyzed, the appropriation accounts were checked with the amounts voted by the town as shown by the town clerk's records of town meetings, the recorded transfers from the reserve fund were compared with the amounts authorized by the finance committee, while other accounts were checked with the records of the various departments in which the transactions originated.

A trial balance was taken off, the necessary adjustments resulting from the audit were made, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on September 24, 1964.

The books and accounts of the town treasurer were examined and checked in detail. The recorded receipts were verified by comparison with the records in the several departments

collecting money for the town, with other sources from which money was paid into the town treasury, and with the town accountant's books. The payments, as entered, were checked with the selectmen's warrants authorizing the disbursement of town funds and with the records of the town accountant.

The cash book was footed, and the cash balance on September 24, 1964 was verified by reconciliation of the bank balances with statements furnished by the banks of deposit.

The reported payments on account of maturing debt and interest were compared with the amounts falling due and were checked with the cancelled securities and coupons on file. The outstanding bonds and coupons on September 24, 1964 were listed and reconciled with a statement furnished by the bank at which the debt and interest are payable.

The savings bank books and securities representing the investments of the trust, investment, and retirement funds in the custody of the town treasurer and the trustees were examined and listed. The purchases and sales of securities were verified, the income was proved, the amounts transferred to the town were compared with the treasurer's recorded receipts, and all balances were verified by comparison with the records of the town accountant, and, in the case of the retirement funds, with the records of the contributory retirement board.

The records of payroll deductions on account of Federal and State taxes, Blue Cross and Blue Shield, and group insurance were examined and checked. The deductions were footed, the payments to the proper agencies were verified, and the balances were reconciled with the controlling accounts in the town accountant's ledger.

The records of tax titles and tax possessions held by the town were examined and checked. The taxes and assessments transferred to the tax title account were verified by comparison with the records of the tax collector, the recorded redemptions of tax titles and the sale of tax possessions were checked with the treasurer's recorded receipts, and the tax titles and tax possessions on hand September 24, 1964 were listed, reconciled with the respective accounts in the town accountant's ledger, and compared with the records at the Registry of Deeds.

The books and accounts of the town collector were examined and checked. The tax, excise, and assessment accounts outstanding according to the previous examination, as well as

all subsequent commitments, were audited and checked with the assessors' warrants issued for their collection. The payments to the treasurer were verified, the recorded abatements were compared with the assessors' records of abatements granted, the taxes and assessments transferred to the tax title account were checked with the records of tax titles held by the town, and the outstanding accounts were listed and reconciled with the controlling accounts in the town accountant's ledger.

The commitments of departmental and water accounts were examined and checked. The recorded receipts were checked with the payments to the treasurer, the abatements as entered were compared with the departmental records of abatements granted, and the outstanding accounts were listed and proved with the town accountant's ledger.

Further verification of the outstanding accounts was made by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The records of apportioned and suspended assessments were examined and checked. The payments in advance were checked with the treasurer's recorded receipts, the amounts apportioned and added to taxes were verified, and the assessments due in future years were listed and reconciled with the controlling accounts in the town accountant's ledger.

The records of guarantee deposits for sewer and water connections were examined and checked in detail. The refunds to depositors and the transfers to the town to cover the cost of work were verified, and the deposits on hand September 24, 1964 were listed and reconciled with the treasurer's and the accountant's books.

The financial records of the town clerk were examined and checked. The records of receipts on account of dog and sporting licenses, as well as from marriage intentions, recording fees, and miscellaneous charges, were examined. The payments to the State and to the town were checked with the receipts on file and with the town treasurer's books, and the cash balance on September 24, 1964 was verified by reconciliation of the bank balance with a statement furnished by the bank of deposit and by actual count of the cash in the office.

The surety bonds on file for the several town officials for the faithful performance of their duties were examined and found to be in proper form.

The records of departmental cash collections by the selectmen, the sealer of weights and measures, and the inspector of buildings, as well as by the police, health, public welfare, school, library, and cemetery departments, and by all other departments collecting money for the town, were examined and checked. The payments to the town treasurer were verified, and the cash on hand in the several departments, including the advances for petty expenses, was verified by actual count.

Appended to this report, in addition to the balance sheet, are tables showing reconciliations of the treasurer's, the collector's, and the town clerk's cash accounts, summaries of the tax, excise, assessment, tax title, departmental, and water accounts, as well as schedules showing the condition and transactions of the trust, investment, and retirement funds.

For the cooperation extended by all town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

WILLIAM SCHWARTZ,

Assistant Chief of Bureau
